An all-time bestseller, Dolf de Roos's classic Real Estate Riches shows you how to find great deals and make great profits in the real estate market. You'll learn why real estate is such a reliable moneymaker and how to achieve the biggest return possible on your investment. Full of time-honored wisdom, proven

tactics, and quick-and-easy tips, this book shows you how to find the best properties with the most potential, analyze deals, negotiate and submit offers, effectively manage properties, and dramatically increase the value of your real estate without spending much money. If you want to be your own boss and quit the nine-to-five life, Real Estate Riches shows you how.

Personal Finance Simplified Grand Central Publishing

A pocket-sized collection of 25 easy mindfulness practices you can do anytime, anywhere—from the author of Mindful

Eating Mindfulness can reduce stress, improve physical health and quality of life, and give you deep insight. Meditation practice is one way to do it, but not the only way. In fact, there are easy ways to fit it into your everyday life. Jan Chozen Bays provides here 25 practices that can be used on the go to cultivate mindfulness. The three-breath practice, the mindfulness of entering rooms, offering compliments, tasting your food one careful bite at a time—these deceptively simple practices can have a cumulative effect for the better. Use them to cultivate the gratitude and insight that

come from paying attention with body, heart, and mind to life's many small moments. This book is an abridgment of Bays' longer collection *How to Train a Wild Elephant: And Other Adventures in Mindfulness*. *Mindfulness on the Go* is part of the Shambhala Pocket Library series. The Shambhala Pocket Library is a collection of short, portable teachings from notable figures across religious traditions and classic texts. The covers in this series are rendered by Colorado artist Robert Spellman. The books in this collection distill the wisdom and heart of the work Shambhala Publications has published over 50 years into a compact format that is collectible, reader-friendly, and applicable to everyday life.

The Money Book for the Young, Fabulous & Broke Rich Dad's (Paperback)

The Money Revolution Plata Publishing

From one of the worlds most trusted experts on personal finance comes a "route planner," identifying easy moves to get young people on the road to financial recovery and within reach of their dreams. Rich Dad's Cashflow Quadrant Robert T. Kiyosaki

In late January, 2009, Robert Kiyosaki launched CONSPIRACY OF THE RICH - a free online book which was written in serial basis to help people understand how

the current recession came about, and what they need to learn on how to survive through the coming rough years. An unprecedented publishing event for Kiyosaki and The Rich Dad Company, CONSPIRACY OF THE RICH is an interactive, "Wiki-style" project in which Kiyosaki has invited feedback, commentary, and questions from readers across the globe. The response so far has been totally fantastic. Millions and millions of readers have flocked to the website (www.conspiracyoftherich.com) to read what Robert has to say about the recession, and the readers have posted thousands of comments. Some of those reader comments will even be included in the final tradepaper version.

The Real Book of Real Estate TurtleMe
Felix Dennis is an expert at proving people

wrong. Starting as a college dropout with no family money, he created a publishing empire, founded Maxim magazine, made himself one of the richest people in the UK, and had a blast in the process. How to Get Rich is different from any other book on the subject because Dennis isn't selling snake oil, investment tips, or motivational claptrap. He merely wants to help people embrace entrepreneurship, and to share lessons he learned the hard way. He reveals, for example, why a regular paycheck is like crack cocaine; why great ideas are vastly overrated; and why "ownership isn't the important thing, it's the only thing."

Buy now to get the main key ideas from Robert T. Kiyosaki's Retire Young Retire Rich In Retire Young Retire Rich (2002), financial guru Robert T. Kiyosaki details the drastic turn that his life took after 1984, when he and his wife, Kim, decided to become financially free and retire young. Building on his best-selling financial guide Rich Dad Poor Dad (1997), he compares the life lessons he learned from his poor dad and his rich dad, and explains the differences between good and bad debt and income. Kiyosaki highlights the need to exit financial and professional

comfort zones and use innovative means to get rich without a steady job or stable paycheck.
