enchancing make-believe world filled with princesses, mermaids, fairies, rainbow rivers, lollipop forests, and more!"--

Barbie As the Princess and the Pauper Random House Books for Young Readers

Barbie is one of the top girls' properties - the world's #1 fashion doll. Now Scholastic is on the Barbie bandwagon with stories starring Barbie as a reporter with a nose for a mystery. Barbie has a brand-new job at the Willow Daily News. Her first assignment is to interview Mr. Willow, the grandson of the town's founder. But something very strange is

going on at Mr. Willow's old mansion. A ghostly face keeps appearing at the window, and there are spooky whispers in the wind. Mr. Willow is so scared he's thinking of leaving. Is the house really haunted? Barbie is suspicious. Could someone be after the Willow fortune? It's up to Barbie and her friends to investigate.

Barbie Dreamtopia Big Golden Book (Barbie Dreamtopia) Random House Books for Young Readers

“Barbie and her creator, the sharp-elbowed gal who built the biggest toy company, have a story to tell.” —Time
Barbie and Ruth is the remarkable true story of the world’s most famous toy and the woman who created her. It is a fascinating account of how one visionary woman and her product changed an

industry and sparked a lasting debate about women’s roles. At once a business book, a colorful portrait of an extraordinary female entrepreneur, and a breathtaking look at a cultural phenomenon, Barbie and Ruth is a must read for anyone who ever owned a Barbie doll. This is the entwined tale of two exceptional women. One was a voluptuous eleven-inch-tall beauty who debuted at the 1959 Toy Fair in New York City and quickly became the treasure of 9 out of 10 American girls and their counterparts in 150 countries. She went on to compete as an Olympic athlete, serve as an air force pilot, work as a boutique owner, run as a presidential candidate, and ignite a cultural firestorm. The other was Ruth Handler, the tenth child of Polish Jewish

immigrants. A brilliant, creative, ruthless, and passionately competitive visionary, Ruth was a mother and wife who wanted it all—a masterful entrepreneur who, together with her curvaceous plastic creation, changed American business and culture forever.

The Story of Barbie and The Woman Who Created Her (Barbie) Golden Books

A beautiful girl with extraordinarily long golden hair is imprisoned in a lonely tower by a witch.

Barbie as the Island Princess Golden Books

Stories encourage determination, friendship, and adventure. Choosing a story and interacting with it keeps young readers engaged, and matching words with pictures and sounds enhances reading comprehension.

Dressing Barbie Penguin

This thesis is a cultural analysis of: a) women's idealized perception of the Barbie doll, & b) the construction of the Barbie doll image through marketing. In addition, both areas will provide a concentrated emphasis on "respectability." The analysis will be focused on Barbie's creation in 1959, &

on the current practices of representations in 1999. The thesis is divided into two phases. Phase one illustrates the interpretation of how women perceive Barbie, & how they see themselves in her likeness. It further explores the determined impression of the doll as "respectable." Phase two examines the way that Barbie is presented in the market & the techniques used to formulate the intended representations of the doll. The analysis of the thesis focuses solely on her introduction in 1959, & on her current distinction. The Barbie doll is an iconic image. The symbol of the "feminine ideal" which has caused women to perceive & recognize this figure in a personal light. Further, her existence in the marketplace creates a

continual awareness in women to identify & evolve with this object as she captures the culture. It is critical to examine the conception & portrayal of an icon such as the Barbie doll. As a predominant feature in American culture & society, she is a fictitious character that many have contrived into a reality. She is a name that strikes instant familiarity, & she is a name that evokes controversy, emulation, & success. This thesis achieves a comprehensive look into her importance to women, & the ways in which her corporate creators make her accessible to fulfill this need. Therefore, this thesis accurately makes a connection between the marketing of the Barbie doll, & the building of an icon. *Barbie and Ruth* Random House Books for Young Readers

Girls ages 3 to 7 will love to read how Barbie and her sisters help Chelsea deal with the first day of school in this brand-new series that focuses on the special moments in a girl's life.
