The Akashic Tarot

Kindling the Native
Spirit reveals secrets to
enhance your
connection to the
mysterious forces

around you. It's a
mystic map that guides
the way for you to
follow in the footsteps
of the wise ones who
have gone before you.
And in a deeper way, it
ignites the majestic
native soul that dwells
within you, which in
turn reestablishes your
relationship to the
sacred whole. Denise

Linn, a member of the Cherokee Nation, has gleaned wisdom from tribal traditions around the world, including the Zulu in Africa, the Maori in New Zealand, the Aborigines of Australia, and various Native American tribes in North America, along with other indigenous cultures. In this groundbreaking book, she shares specific methods to open gateways to mystical encounters and the knowledge that enables you to activate ancient healing practices in your present-day life. You'll learn how to discover your true name, determine your animal ally, embark on sacred spirit journeys, and experience vision quests. In addition, there are step-by-step instructions on how to

make a rattle, dream catcher, spirit stick, prayer feather, and your own medicine bag. Denise also shares little-known methods to shape-shift; tap into your ability to "call" animals, plants, and Spirit; invite the power of the guardians of the four directions; gain protection from your ancestors; spend time with the "little people"; utilize the power of "earthing" to bring wholeness . . . and much more. Ignite your native spirit within, and enter a wondrous realm of profound visionary experiences!

The Earth speaks to us in many ways through the spirits of her various elements. In this deck of 48 oracle cards created by Steven D. Farmer, you'll find descriptions and images of several of these Earth elements along with clear and concise messages from the spirits of each. Through the use of these cards, you'll uncover sensible advice that will provide guidance for questions

you may have about any aspect of your life. The enclosed guidebook includes easy-to-follow instructions as well as expanded descriptions and messages for each card, allowing you to give yourself and others accurate, meaningful readings. [Forest Fae Messages: Curious Messages of Enchantment](#) Hay House, Inc For countless millennia, humans have connected to the mystical power of the moon and the energy of the seasons. For our ancient ancestors, the earliest veneration and sacred honoring was of the moon, the seasons, and the cycles of light and dark, hot and cold and fertility and rest, and this beautifully illustrated Queen of the Moon Oracle allows

you, the modern seeker, to plug in to these most primal energies. Consult this oracle based in ancient wisdom and receive the answers to your modern problems. Explore the ancient power of the Moon and how to work with this Lunar energy to enrich your own life and spiritual practice. We are moon-influenced animals even if most of us don't go howling under it. We know the feminine fertility cycle matches the length of the lunar cycle - twenty-seven or twenty-eight days - and that more births occur on full and dark moons. Just as the moon influences tides and other bodies of water, why wouldn't she influence our personal bodies of water considering we

are made mostly of it? Why wouldn't this effect then influence everything from our weight to our moods, even the growth of the foods we eat since plants are reliant upon moisture levels in the soil? Within long-held knowledge, it's believed that the moon impacts our psychic abilities and our unconscious mind (and so therefore our dream states) in a number of ways. The unconscious is the part of the mind that directs us towards our goals and dreams; it's where ideas pop from and where creativity is based. As it is particularly susceptible to symbology, it can be affected by the power of the constant cycle of the moon.

Far back in time, light from the underlying fabric of creation burst forth creating the super-luminous event through which our

Universe was born. Time began its endless journey through ever-expanding space. The early universe was simply a sea of particles floating through space and time. But life's invisible wheels were already in motion and over time the sea of particles became a sea of stars from which Gaia, our Earth, was born - a living, breathing entity - our Goddess, our Mother and our reflection. The Gaia Oracle, a beautiful new oracle set from bestselling artist Toni Carmine Salerno, consists of 45 richly illustrated cards designed to point you in love's direction and help you find the answers you seek.

The Power of Surrender Cards

National Geographic Books

This book helps you discover the cables, ropes, ribbons, strands, threads, and filaments of energy that flow to and through you. By learning ancient

shamanic techniques, you'll learn how to release the cords that bind you and empower the strands that strengthen and heal you. Some energy strands allow us to feel vibrant and alive. Others deplete and weaken us. Most people are unaware of these energy strands, but they can feel them on a subconscious level. In *Energy Strands*, Denise Linn shares some of the methods she's learned over the years to support you in finding harmony and balance in your life through understanding these lines of energy. Topics covered include attachments with family, ancestors, friends, lovers, crowds, and pets. *Energy Strands* also explores the connection

between sound (crystal bowls), breath, meditation, and visualization in strands. You will gain practical tools to clear negative cords from unhealthy attachments, toxic relationships, and spaces. "Discovering and releasing the energy cords that don't empower you is a voyage of letting go . . . and stepping into the flow of life."
