Imagine a
society ...
seething with
resentment
because of the
perception

that certain
groups receive
special
treatment ...
beset by grief
about the
decline of its
glory days ...
grown hard
and callous,
with miserly
leaders
unwilling to
redistribute
the country's

wealth. Sound
familiar? This
is the world of
9th Century
England,
where a
society facing
the constant
threat of
decimation
finds guidance
in the great
English epic
Beowulf. The
poem

understands how rage, taking the form of monstrous resentment, vengeful grieving, and venomous greed, can tear a society apart. The monsters in Beowulf are no less present in America today, taking up habitation in the extreme right, their enablers in the political class, and the cynical and self-absorbed 1%. By examining the poem's namesake, and his monster-

fighting tactics, literature professor Robin Bates shows how the poem provides a blueprint for combating the great challenges facing America today and for reclaiming the promise of a society that insures justice, equality, and the promise of a good life for all.

Seamus Heaney's Regions

HarperCollins Publishers
Walt Whitman burst onto the literary stage

raring for a fight with his transatlantic forebears. With the unmetered and unrhymed long lines of Leaves of Grass, he blithely forsook "the old models" declaring that "poems distilled from other poems will probably pass away." In a self-authored but unsigned review of the inaugural 1855 edition, Whitman boasted that its influence-free author "makes no allusions to books or

writers; their spirits do not seem to have touched him." There was more than a hint here of a party-crasher's bravado or a new-comer's anxiety about being perceived as derivative. But the giants of British literature were too well established in America to be toppled by Whitman's patronizing "that wonderful little island," he called England-or his frequent assertions that Old World

literature was non grata on American soil. As Gary Schmidgall demonstrates, the American bard's manuscripts, letters, prose criticism, and private conversations all reveal that Whitman's negotiation with the literary "big fellows" across the Atlantic was much more nuanced and contradictory than might be supposed. His hostile posture also changed over the decades as the gymnastic

rebel transformed into Good Gray Poet, though even late in life he could still crow that his masterwork *Leaves of Grass* "is an iconoclasm, it starts out to shatter the idols of porcelain." Containing *Multitudes* explores Whitman's often uneasy embrace of five members of the British literary pantheon: Shakespeare, Milton, Burns, Blake, and Wordsworth (five others are treated

more briefly: Scott, Carlyle, Tennyson, Wilde, and Swinburne). It also considers how the arcs of their creative careers are often similar to the arc of Whitman's own fifty years of poem-making. Finally, it seeks to illuminate the sometimes striking affinities between the views of these authors and Whitman on human nature and society. Though he was loath to admit it, these authors

anticipated much that we now see as quintessentially Whitmanic. **Poems of William Blake** Farrar, Straus and Giroux The American church avoids lament. But lament is a missing, essential component of Christian faith. Soong-Chan Rah's prophetic exposition of the book of Lamentations provides a biblical and theological lens for examining the church's relationship with a

suffering world. Hear the prophet's lament as the necessary corrective for Christianity's future. *On the Bus with Rosa Parks: Poems* Alien Ebooks As part of the For Today series, The Psalms for Today is an engaging look at the psalms and the perfect study for those wishing to begin or enhance their understanding of who God is and who we are called to be as God's people. Beth Tanner does

not offer easy answers but rather moves readers to come to their own conclusions. Her contemporary examples show that though the world has changed since the psalms were written, humanity's need to search their souls is as powerful as ever. The For Today series was designed to provide reliable and accessible resources for the study and real life application of important

biblical texts, theological documents, and Christian practices. The emphasis of the series is not only on the realization and appreciation of what these subjects have meant in the past, but also on their value in the present-"for today." Thought-provoking questions are included at the end of each chapter, making the books ideal for personal study and group use. Songs of Innocence University of

Notre Dame Pess
The following work is a collection of poems written by William Blake. He was an English poet, painter, and printmaker. Largely unrecognized during his life, Blake is now considered a seminal figure in the history of the poetry and visual art of the Romantic Age. What he called his "prophetic works" were said by 20th-century critic Northrop Frye to form "what is in

proportion to its merits the least read body of poetry in the English language". Titles to be found in this book include 'The Echoing Green', 'The Lamb', and 'The Blossom.'

A Way to God Destiny Image Publishers One of this century's most eminent theologians addresses the eternal questions of the relationship of good and evil, linking the story of Job to the lives of the poor and oppressed of

our world.

Reliques of Ancient English Poetry Cambridge University Press An anthology of the best poetry ever

written contains more than sixteen hundred poems, spanning more than four millennia, from ancient Sumer and Egypt to the late twentieth century

The Mind of the Maker Univ of California Press This book is based on a belief we both fiercely share: That we are not separate from the Divine, not separate from other humans, and are inextricably interconnected with the

Earth community, with a responsibility to protect and to live in humble and grateful harmony with the whole of creation. William Blake Oxford University Press Regional voices from England, Ireland, and Scotland inspired Seamus Heaney, the 1995 Nobel prize-winner, to become a poet, and his home region of Northern Ireland provided the subject matter

for much of his poetry. In his work, Heaney explored, recorded, and preserved both the disappearing agrarian life of his origins and the dramatic rise of sectarianism and the subsequent outbreak of the Northern Irish “Troubles” beginning in the late 1960s. At the same time, Heaney consistently imagined a new region of Northern Ireland where the conflicts that have long

beset it and, by extension, the relationship between Ireland and the United Kingdom might be synthesized and resolved. Finally, there is a third region Heaney committed himself to explore and map—the spirit region, that world beyond our ken. In Seamus Heaney’s *Regions*, Richard Rankin Russell argues that Heaney’s regions—the first, geographic,

 Longman
 Who could
 have known . .
 that this
 girl child,
 seeded in a
 little cabin at
 a Columbine
 resort on her
 mothers
 honeymoon,
 would carry
 stardust in her
 veins from a
 stellar system
 so very far
 away in the
 universe? It
 would have

been
 impossible at
 that time for
 anyone to
 know that in
 this mortal
 flesh walked
 an entity of
 high spiritual
 esteem. My
 mother named
 me Diana
 after the
 goddess of the
 hunt, the
 forest, and the
 beloved
 moonwhich is
 merely 250
 thousand
 miles away.
 Precious,
 precious and
 set aside, kept
 safe for these
 days; I was
 tenderly
 wrapped in
 mythology
 and poetry
 and tucked in
 nightly by my

mother who
 showed me
 the moon and
 the man who
 lived there.
 This magical
 lady told me,
 her firstborn,
 that I was
 made of
 moonbeams
 and stardust.
 There is no
 doubt in my
 mind that I
 was
 programmed
 by Lorines
 love of poetry
 and stories.
 Her childlike
 belief in the
 truth of
 fairytales and
 the magic of
 rhyme and
 words strung
 together like
 precious
 jewels in a
 royal necklace
 was

impressed into my DNA. (This caused certain dendrons to lie down and give way to those that would stand tall and carry verse and prose through my soul like a great river.) I have kept my promise to Lorine. I have written her story, *The Cowgirl Princess and Starwalker*, using her collection of journals and photographs and of course, I wove it all together with my own especially special collection of

memories and lots and lots of stardust and tears. *The Christian Invention of Time* Westminster John Knox Press Time is integral to human culture. Over the last two centuries people's relationship with time has been transformed through industrialisation, trade and technology. But the first such life-changing transformation - under Christianity's influence -

happened in late antiquity. It was then that time began to be conceptualised in new ways, with discussion of eternity, life after death and the end of days. Individuals also began to experience time differently: from the seven-day week to the order of daily prayer and the festal calendar of Christmas and Easter. With trademark flair and versatility, world-renowned

classicist
 Simon Goldhill
 uncovers this
 change in
 thinking. He
 explores how
 it took shape
 in the literary
 writing of late
 antiquity and
 how it
 resonates
 even today.
 His bold new
 cultural
 history will
 appeal to
 scholars and
 students of

 have
 allegorical or
 prophetic
 meaning
 The
 Kingdom at
 War lifts your
 vision into the
 heavenly

realm
 battleground
 and declares
 that you will
 overcome all
 that stands in
 your way of
 becoming
 victorious as
 you gain a
 comprehensive
 picture of
 the glorious
 destiny God
 designed for
 you.
William Blake:
Selected
Poems
 InterVarsity
 Press
 The poems in
 this sequence
 of fifty-four
 were written
 to encompass
 one year, from
 summer to
 summer. Their
 principal
 themes are
 the stasis,

both
 stultifying and
 provocative,
 of midsummer
 in the tropics;
 the pull of the
 sea, family,
 and friendship
 on one whose
 circumstances
 lead to
 separation;
 the
 relationship of
 poetry to
 painting; and
 the place of a
 poet between
 two cultures.
 Walcott
 records, with
 his distinctive
 linguistic
 blend of
 soaring
 imagery and
 plainly stated
 facts, the
 experience of
 a mid-lie
 period--in
 reality and in

memory or
 the
 imagination.
 As Louis
 Simpson
 wrote on the
 publication of
 Walcott's *The
 Fortunate
 Traveller*,
 "Walcott is a
 spellbinder. Of
 how many
 poets can it be
 said that their
 poems are
 compelling--
 not a mere
 stringing
 together of
 images and
 ideas but
 language that
 delights in
 itself, rhythms
 that seem
 spontaneous,
 scenes that
 are vividly
 there?...The
 poet who can
 write like this

is a master."
