A History of Urdu Literature Abde Mustafa Official

It is almost unprecedented for a head of state to publish a memoir while still in office. But Pervez Musharraf is no ordinary head of state. As President of Pakistan since 1999, his is one of the most dangerous jobs in the world, and he continues to play a crucial role in the global war on terror. A one-time supporter of the Taliban, a general who fought in several wars, President Musharraf took a decisive turn against militant Islam in 2001. Since

then he has survived two assassination attempts; rooted out militants in his own government; helped direct countless raids against al-Qaeda both in his cities and in the mountains; and tracked Osama bin Laden with technical and human intelligence. IN THE LINE OF FIRE is astonishingly revealing and honest about dozens of topics of intense interest to the world. Among its many revelations: exactly how Pakistani authorities tracked down and smashed three major al-Qaeda control centres in the mountains; how al-Qaeda's many-layered structure was revealed after the assassination attempts; Bin Laden's current position within the al-Qaeda hierarchy; what it has been like to deal with Bush and Blair; how Pakistan and India have avoided nuclear confrontation; and much more. The terrible earthquake of 2005, killing nearly 40,000 Pakistanis, is just one chapter in a life and career that has been filled with danger and drama. The worldwide launch of President Musharraf's memoir promises to be a sensation.

For the first time ever, it had dawned on him that women who sold their bodies could have such shapely figures.' Kanta and Khushia were part of the same profession. He was her pimp, and, in a way, one of her own. All of twenty-eight, Khushia was quite a businessman. While he knew all the girls in his circuit through and through, what he didn't know was that one day Kanta Kumari would stand naked before him and throw him into the greatest turmoil of his life. Manto's characters are known to vehemently resist categorization, and this is especially true in the case of Khushia and Kanta who don't behave as they are expected to. Read on to revisit one of Manto's most fascinating takes on human behaviour.
