Leo isn't just a stuffed toy, he is Henry's best friend and brother. He is as real as a tree, a cloud, the sun, the moon, the stars, and the wind. But when the two are accidentally separated, no one in Henry's family believes Leo is real enough to find his way home. With beautiful mixed-media paintings, the Caldecott Honor-winning artist Pamela Zagarenski explores the transcendent nature of friendship and love.

Princess Smartypants Frances Lincoln Children's Books

"The ferociously talented Gibson delivers his signature mélange of technopop splendor and post-industrial squalor" (Time) in this New York Times bestseller that features his hero from Idroru... Colin Laney, sensitive to patterns of information like no one else on earth, currently resides in a cardboard box in Tokyo. His body shakes with fever dreams, but his mind roams free as always, and he knows something is about to happen. Not in Tokyo; he will not see this thing himself. Something is about to happen in San Francisco. The mists make it easy to hide, if hiding is what you want, and even at the best of times reality there seems to shift. A gray man moves elegantly through the mists, leaving bodies in his wake, so that a tide of absences alerts Laney to his presence. A boy named Silencio does not speak, but flies through webs of cyber-information in search of the one object that has seized his imagination. And Rei Toi, the Japanese Idroru, continues her study of all things human. She herself is not human, not quite, but she's working on it. And in the mists of San Francisco, at this rare moment in history, who is to say what is or is not impossible...

It seems that Mommy may not have always been the well-behaved little girl she claims to have been.

I Need All of It Penguin

This inspiring picture book retells the story of Nobel Peace Prize nominee Greta Thunberg—the Swedish teenager who has led a global movement to raise awareness about the world's climate crisis—using allegory to make this important topic accessible to young children. Greta is a little girl who lives in a beautiful forest threatened by Giants. When the Giants first came to the forest, they chopped down trees to make houses. Then they chopped down more trees and made even bigger homes. The houses grew into towns and the towns grew into cities, until now there is hardly any forest left. Greta knows she has to help the animals who live in the forest, but how? Luckily, Greta has an idea... A section at the back explains that, in reality, the fight against the "giants" isn't over and explains how you can help Greta in her fight. Sharing something with a friend or reaching out to someone who needs it can lead to happiness. Recognize and treasure it when you experience it, knowing that happiness begins with you. Unlikely pig owners Steve and Derek got a whole lot more than they bargained for when the designer micro piglet they adopted turned out to be a full-sized 600-pound sow! This funny, inspirational story shows how families really do come in all shapes and sizes. In the summer of 2012, Steve Jenkins was contacted by an old friend about adopting a micro piglet. Though he knew his partner Derek wouldn't be enthusiastic, he agreed to take the adorable little pig anyway, thinking he could care for her himself. Little did he know, that decision would change his and Derek's lives forever. It turned out there was nothing "micro" about Esther, and Steve and Derek had actually signed on to raise a full-sized commercial pig. Within three years, Tiny Esther grew to a whopping 600 pounds. After some real growing pains and a lot of pig-sized messes, it became clear that Esther needed much more space, so Steve and Derek made another life-changing decision: they bought a farm and opened the Happily Ever Esther Farm Sanctuary, where they could care for Esther and other animals in need. Funny, heartwarming, and utterly charming, Esther the Wonder Pig follows Steve and Derek's adventure--from reluctant pig parents to farm-owning advocates for animals. Die Fantastischen Vier hatten gerade ihren ersten Hit "Die Da!?" gelandet, als Andreas Sartorius sich auf den Weg machte, um ein Konzert der Musiker zu besuchen. Nicht weil er ein Fan von ihnen war, sondern weil er gerade die Berufsschule geschwänzt hatte und nichts Besseres mit seiner Zeit anzufangen wusste. Da er keine Eintrittskarte mehr bekam, lud ihn Frontmann Smudo kurzerhand ein. Und so durfte Sartorius nicht nur das Konzert sehen, sondern lernte die Fantas auch Backstage persönlich kennen. Von diesem Tag an ist Andreas Sartorius der wahrscheinlich größte Fan der Fantastischen Vier. Und auch der Band entging nicht, dass es immer derselbe Mann war, der auf ihren Konzerten in der ersten Reihe stand. Der Kontakt zwischen der Band und ihrem Fan intensivierte sich und bald war Sartorius nicht nur mit seinen Idolen befreundet, er ist vielmehr zum festen Bestandteil des Fanta4-Universums geworden. In diesem Buch erzählt er alles, was er in über 20 Jahren mit den Fantas erlebt hat - vor und hinter der Bühne. So wurde er von Smudos Eltern zum Zwetschgenkuchen eingeladen und besichtigte dessen altes Kinderzimmer, besprach mit Smudo die Eröffnung seiner Videothek, inspirierte die Fantastischen Vier zu einem Song und nahm gemeinsam mit Thomas D in dessen Tonstudio einen Song für seine Freundin auf. Mittlerweile gibt Andreas Sartorius selbst Interviews und wird in Magazinen porträtiert.

Naughty Boys. *Dirty Secrets*. *Mad Dogs*. In the Eriksson family, childhood is a shocking experience, full of crude and disturbing rites of passage. It all started with Askild 'the Crackpot', chased by bloodhounds on a German plain after escaping from a Nazi concentration camp. His son, Niels 'Jug Ears' Junior, is born in an outhouse, and wins respect by kicking other boys in the balls. And his son, Asger 'the Liar', collects stories about his shipwrecked family which are always exciting though not entirely true. He is haunted by the time he spent hidden in the space under the stairs with his fat aunt, aka 'the Little Bitch'. Unable to banish Doghead, a horror from his childhood, to the shadow realm, he reveals the very bad deeds children can do - to push his family story forward, past a point of no return. Doghead is a richly imaginative farcical tragedy; a witty saga of three generations of wild Eriksson men. It touches on chilling themes - concentration camps, child abuse, alcoholism, rape - yet warmly celebrates the stories that hold families together.

Growing up in apartheid South Africa, La Grange, a white Afrikaner, feared the imprisoned Nelson Mandela as "a terrorist." Yet she would become one of his most devoted associates for almost two decades. Inspiring and deeply felt, this book honors a great man's lasting gift.
