### **Short Stories in Italian for Beginners** Teach Yourself

A great story can lead a reader on a journey of discovery—especially if it's presented in two languages! Beautifully illustrated in a traditional style, Japanese Stories for Language Learners offers five compelling stories with English and Japanese language versions appearing on facing pages. Taking learners on an exciting cultural and linguistic journey, each story is followed by detailed translator's notes, Japanese vocabulary lists, and grammar points along with a set of discussion questions and exercises. The first two stories are very famous traditional

Japanese folktales: Urashima Taro (Tale of a Fisherman) and Yuki Onna (The Snow Woman). These are followed by three short stories by notable 20th century authors: Kumo no Ito (The Spider's Thread) by Akutagawa Ryunosuke (1892-1927) Oborekaketa Kyodai (The Siblings Who Almost Drowned) by Arishima Takeo (1878-1923) Serohiki no Goshu (Gauche the Cellist) by Miyazawa Kenji (1896-1933) Reading these stories in the original Japanese script--and hearing native-speakers read them aloud in the accompanying free audio recording--helps students at every level deepen their comprehension of the beauty and subtlety of the Japanese language. Learn Japanese the fun way—through the country's rich literary history. *Spanish Short Stories for Beginners* Delacorte Press  
An unmissable collection of eight unconventional and captivating

short stories for young and adult learners. *Short Stories in Russian for Intermediate Learners* CreateSpace

This book includes thirteen short stories, chosen to illustrate various modes of narration and to provoke reflection on a range of issues. The texts illustrate how great writers can, with their insight and gift for words, help us to see the world in which we live in new probing and exciting ways. Upon the completion of this book, learners will be able to read to find and handle information for a range of purposes, as well as read to enjoy and respond to a variety of texts. The book will also equip the reader to write for a range of purposes, conveying meaning in language appropriate to purpose and audience, and communicate effectively with native and non-native speakers of English, manipulating language as appropriate. What characterises this book is its integration of literary competence, communicative competence, and critical thinking skills. This combined input incorporates the receptive skills of listening and reading, and the productive skills of speaking and writing.

**English Short Stories** Teach Yourself

Based on the Speech Plasma Method, the book is designed to teach students to speak English at intermediate level. The volume contains twenty short stories and special training drills. This volume will enable foreign students of English to feel more comfortable with the language at a more advanced level. The book is a collection of stories told by people in everyday conversational manner. The stories are accounts of incidents or ideas which the people interviewed consider interesting or entertaining. They are not intended as great works of literature, rather as examples of people using their language naturally. The stories are the sort of tales that you might hear in a pub or at a party, reflections on anything from weather and inquisitive neighbours to a passion for music and how it can help handicapped children. At times amusing, surprising, entertaining or simply hard to believe, they are all related in the kind of natural informal style which language learners so often wish to imitate. This collection will help show you how to do just that. Audiobook version of the volume is available in the Kindle Store.
