"Nezhukumatathil's poems contain elegant twists of a very sharp knife. She writes about the natural world and how we live in it, filling each poem, each page with a true sense of wonder."

—Roxane Gay "Cultural strands are woven into the DNA of her strange, lush... poems. Aphorisms...from another dimension." —The New York Times "With unparalleled ease, she's able to weave each intriguing detail into a nuanced, thought-provoking poem that also reads like a startling modern-day fable." —The Poetry Foundation "How wonderful to watch a writer who was already among the best young poets get even better!" —Terrance Hayes With inquisitive flair, Aimee Nezhukumatathil creates a thorough registry of the earth's wonderful and terrible magic. In her fourth collection of poetry, she studies forms of love as diverse and abundant as

the ocean itself. She brings to life a father penguin, a C-section scar, and the Niagara Falls with a powerful force of reverence for life and living things. With an encyclopedic range of subjects and unmatched sincerity, Oceanic speaks to each reader as a cooperative part of the earth, an extraordinary neighborhood to which we all belong. From “Starfish and Coffee”: And that’s how you feel after tumbling like sea stars on the ocean floor over each other. A night where it doesn’t matter which are arms or which are legs or what radiates and how— only your centers stuck together. Aimee Nezhukumatathil is the author of four collections of poetry. Recipient of a National Endowment for the Arts fellowship and the prestigious Eric Hoffer Grand Prize, Nezhukumatathil teaches

creative writing and environmental literature in the MFA program at the University of Mississippi.

Prince the Poet The profound coming-of-age story of a young boy growing up in rural Virginia, and the historic summer that would change his life forever. During the summer of 1959, Virginia’s Prince Edward County is entirely consumed by passionate resistance against, and in other corners, support for, the desegregation of schools as mandated by *Brown v. Board of Education*. Benjamin Rome, the ten-year-old son of a chicken farmer in one of the county’s small townships, struggles to comprehend the furor that surrounds him, even as he understands the immorality of racial prejudice. Within his

own family, opinions are sharply divided, and it is against this charged backdrop that Ben spends the summer working with his friend Burghardt, a black farmhand, under the predatory gaze of Ben's grandfather. While the elders of Prince Edward focus on closing the schools, life ambles on, and Ben grows closer to his pregnant sister, Lainie, and his troubled older brother, Al, while also coming to recognize the painful and inherent limitations of his friendship with Burghardt. Evocative and written with lush historical detail, Prince Edward is a refreshing bildungsroman by bestselling author Dennis McFarland, and a striking portrait of the social upheaval in the American South on the eve of the civil rights movement.

A disappearance. An infatuation. The Frog Prince is an intriguing, multi-layered novel giving us a story, within a story, within a story. Remember the kiss between the frog prince and the princess? teacher Cara writes her own version of the classic tale by the Brothers Grimm. Their fairy tale is nothing like Cara's relationship with David, but when Cara disappears, can the story help David unravel what has happened? As for the various princesses and frogs in this intriguing multi-layered novel, will any live happily ever after? This is a stunning debut adult novel by James Norcliffe, who is renowned for his award-winning children's books and for his poems, which David Eggleton says 'invariably get us to attend more closely to the spirit of existence, to moments of being'. *The Golden Prince* Page Publishing Inc

When his mother became President, Alex Claremont-Diaz was promptly cast as the American equivalent of a young royal. Handsome, charismatic, genius—his image is pure millennial-marketing gold for the White House. There's only one problem: Alex has a beef with the actual prince, Henry, across the pond. And when the tabloids get hold of a photo involving an Alex-Henry altercation, U.S./British relations take a turn for the worse. Heads of family, state, and other handlers devise a plan for damage control: staging a truce between the two rivals. What at first begins as a fake, Instragramable friendship grows deeper,

and more dangerous, than either Alex or Henry could have imagined. Soon Alex finds himself hurtling into a secret romance with a surprisingly unstuffy Henry that could derail the campaign and upend two nations and begs the question: Can love save the world after all? Where do we find the courage, and the power, to be the people we are meant to be? And how can we learn to let our true colors shine through? Casey McQuiston's Red, White & Royal Blue proves: true love isn't always diplomatic. "I took this with me wherever I went and stole every second I had to read! In his most brilliant and powerful novel, Pat Conroy tells the story of Tom Wingo, his twin sister, Savannah, and the dark and violent past of the family into which they were born. Set in New York City and the lowcountry of South Carolina, the novel opens when Tom, a high school football coach whose marriage and career are crumbling, flies from South Carolina to New York after learning of his twin sister's suicide attempt. Savannah is one of the most gifted poets of her generation, and both the cadenced beauty of her art and the jumbled cries of her illness are clues to the too-long-hidden story of her wounded family. In the paneled offices and luxurious restaurants of New York City, Tom and

Susan Lowenstein, Savannah's psychiatrist, unravel a history of violence, abandonment, commitment, and love. And Tom realizes that trying to save his sister is perhaps his last chance to save himself. With passion and a rare gift of language, the author moves from present to past, tracing the amazing history of the Wingos from World War II through the final days of the war in Vietnam and into the 1980s, drawing a rich range of characters: the lovable, crazy Mr. Fruit, who for decades has wordlessly directed traffic at the same intersection in the southern town of Colleton; Reese Newbury, the ruthless, patrician land speculator who threatens the Wingos' only secure worldly possession, Melrose Island; Herbert Woodruff, Susan Lowenstein's husband,

a world-famous violinist; Tolitha Wingo, Savannah's mentor and eccentric grandmother, the first real feminist in the Wingo family. Pat Conroy reveals the lives of his characters with surpassing depth and power, capturing the vanishing beauty of the South Carolina lowcountry and a lost way of life. His lyric gifts, abundant good humor, and compelling storytelling are well known to readers of *The Great Santini* and *The Lords of Discipline*. *The Prince of Tides* continues that tradition yet displays a new, mature voice of Pat Conroy, signaling this work as his greatest accomplishment.

Prince Charming is the story of Christopher Logue: one of our great poets and literary mavericks, part of a

circle that included Kenneth Tynan and Richard Ingrams. It tells, in frank detail and with eloquent relish, of its author's South England childhood and schooldays; his post-war stint in the army, which ended in disgrace and imprisonment; his years in Paris, during which he was involved in publishing Beckett and wrote pornography; his return to England, where he grew serious about politics, was imprisoned for the second time (as a member of the anti-nuclear Committee of 100), offended T.S. Eliot, participated in the new satire movement, promoted the public performance of poetry, and invented the poster poem. These pages give us unofficial glimpses of the likes of Alexander Trocchi, Maurice Girodias, Lindsay Anderson, Nell Dunn, Peter Cook

and the charismatic Pauline Boty. There are enough characters among the less well-known - from the author's father to the Portobello Road street-trader 'Minky' Warren - to stock a lively novel.

Prince Otto Houghton Mifflin Harcourt

Acclaimed writers, family, friends, and more pay homage to the celebrated Southern author of *The Prince of Tides* and *The Great Santini*. New York Times–bestselling writer Pat Conroy (1945–2016) inspired a worldwide legion of devoted fans, but none are more loyal to him and more committed to

sustaining his literary legacy than the many writers he nurtured over the course of his fifty-year career. In sharing their stories of Conroy, his fellow writers honor his memory and advance our shared understanding of his lasting impact on literary life in and well beyond the American South. Conroy's fellowship drew from all walks of life. His relationships were complicated, and people and places he thought he'd left behind often circled back to him at crucial moments. The pantheon of contributors includes Rick Bragg, Kathleen Parker, Barbra Streisand, Janis Ian, Anthony Grooms, Mary Hood, Nikky Finney, Nathalie Dupree and Cynthia Graubart, Ron Rash, Sandra Brown, and Mary Alice Monroe; Conroy biographers Katherine Clark and Catherine Seltzer;

his longtime friends; Pat's students Sallie Ann Robinson and Valerie Sayers; members of the Conroy family; and many more. Each author in this collection shares a slightly different view of Conroy. Through their voices, a multifaceted portrait of him comes to life and sheds new light on who he was. Loosely following Conroy's own chronology, the essays herewith wind through his river of a story, stopping at important ports of call. Cities he called home and longed to visit, along with each book he birthed, become characters that are as equally important as the people he touched along the way. **The Little Prince** Copper Canyon Press The title poem, a narrative tale for children and grown-ups alike, is accompanied by graceful odes,

humorous limericks, artful acrostics, and elegant sonnets.
