JONAH CYNTHIA

The Army Lawyer Ballantine Books

New York Times bestseller and Newbery Honor Book! A gorgeously written, hopeful middle grade novel in verse about a young girl who must leave Syria to move to the United States, perfect for fans of Jason Reynolds and Aisha Saeed. Jude never thought she'd be leaving her beloved older brother and father behind, all the way across the ocean in Syria. But when things in her hometown start becoming volatile, Jude and her mother are sent to live in Cincinnati with relatives. At first, everything in America seems too fast and too loud. The American movies that Jude has always loved haven't quite prepared her for starting school in the US—and her new label of "Middle Eastern," an identity she's never known before. But this life also brings unexpected surprises—there are new friends, a whole new family, and a school musical that Jude might just try out for. Maybe America, too, is a place where Jude can be seen as she really is. This lyrical, life-affirming story is about losing and finding home and, most importantly, finding yourself.

"The Last Letter is a haunting, heartbreaking and ultimately inspirational love story."—InTouch Weekly Beckett, If you're reading this, well, you know the last-letter drill. You made it. I didn't. Get off the guilt train, because I know if there was any chance you could have saved me, you would have. I need one thing from you: get out of the army and get to Telluride. My little sister Ella's raising the twins alone. She's too independent and won't accept help easily, but she has lost our

grandmother, our parents, and now me. It's too much for anyone to endure. It's not fair. And here's the kicker: there's something else you don't know that's tearing her family apart. She's going to need help. So if I'm gone, that means I can't be there for Ella. I can't help them through this. But you can. So I'm begging you, as my best friend, go take care of my sister, my family. Please don't make her go through it alone. Ryan

Proceedings of the American Electric Railway Association International Labour Organization

Explores workplace learning as a means of enhancing both work performance and the quality of working life. Identifies characteristics of high performance work organizations, considers the implementation of high performance work practices and investigates how far these practices are embedded in different countries. Examines ways in which public policy can be used to encourage organizations to make more effective use of the skills of their employees.

The United States Army and Navy Journal and Gazette of the Regular and Volunteer Forces Red Wheel/Weiser

The definitive career guide for grad students, adjuncts, post-docs and anyone else eager to get tenure or turn their Ph.D. into their ideal job Each year tens of thousands of students will, after years of hard work and enormous amounts of money, earn their Ph.D. And each year only a small percentage of them will land a job that justifies and rewards their investment. For every comfortably tenured professor or well-paid former academic, there are countless underpaid and overworked adjuncts, and many more who simply give up in frustration. Those who do make it share an important asset that separates them from the pack: they have a plan. They understand exactly what they need to do to set themselves up for success. They know what really moves the needle in academic job searches, how to avoid the all-too-common mistakes that sink so many of their peers, and how to decide when to point their Ph.D. toward other, non-academic options. Karen Kelsky has made it her mission to help readers join the select few who get the most out of their Ph.D. As a former tenured professor and department head who oversaw numerous academic job searches, she knows from experience exactly what gets an academic applicant a job. And as the creator of the popular and widely respected advice site The Professor is In, she has helped countless Ph.D.'s turn themselves into stronger applicants and land their dream careers. Now, for the first time ever, Karen has poured all her best advice into a single handy guide that addresses the most important issues facing any Ph.D., including: -When, where, and what to publish -Writing a foolproof grant application -Cultivating references and crafting the perfect CV -Acing the job talk and campus interview -Avoiding the adjunct trap -Making the leap to nonacademic work, when the time is right The Professor Is In addresses all of these issues, and many more.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

Princeton Alumni Weekly Entangled: Amara

Lenny Duncan is the unlikeliest of pastors. Formerly incarcerated, he is now a black preacher in the whitest denomination in the United States: the Evangelical Lutheran Church in America (ELCA). Shifting demographics and shrinking congregations make all the headlines, but Duncan sees something else at work--drawing a direct line between the church's lack of diversity and the church's lack of vitality. The problems the ELCA faces are theological, not sociological. But so are the answers. Part manifesto, part confession, and all love letter, *Dear Church* offers a bold new vision for the future of Duncan's denomination and the broader mainline Christian community of faith. *Dear Church* rejects the narrative of church decline and calls everyone--leaders and laity alike--to the front lines of the church's renewal through racial equality and justice. It is time for the church to rise up, dust itself off, and take on forces of this world that act against God: whiteness, misogyny, nationalism, homophobia, and economic injustice. Duncan gives a blueprint for the way forward and urges us to follow in the revolutionary path of Jesus. *Dear Church* also features a discussion guide at the back--perfect for church groups, book clubs, and other group discussion.
