Legendary leadership and elite performance expert Robin Sharma introduced The 5am Club concept over twenty years ago, based on a revolutionary morning routine that has helped his clients maximize their productivity, activate their best health and bulletproof their serenity in this age of overwhelming complexity. Now, in this life-changing book, handcrafted by the author over a rigorous four-year period, you will discover the early-rising habit that has helped so many accomplish epic results while upgrading their happiness, helpfulness and feelings of aliveness. Through an enchanting—and often amusing—story about two struggling strangers who meet an eccentric tycoon who becomes their secret mentor, The 5am Club will walk you through: How great geniuses, business titans and the world's wisest people start their mornings to produce astonishing achievements A little-known formula you can use instantly to wake up early feeling inspired, focused and flooded with a fiery drive to get the most out of each day A step-by-step method to protect the quietest hours of daybreak so you have time for exercise, self-renewal and personal growth A neuroscience-based practice proven to help make it easy to rise while most people are sleeping, giving you precious time for yourself to think, express your creativity and begin the day peacefully instead of being rushed "Insider-only" tactics to defend your gifts, talents and dreams against digital distraction and trivial diversions so you enjoy fortune, influence and a magnificent impact on the world Part manifesto for mastery, part playbook for genius-grade productivity and part companion for a life lived beautifully, The 5am Club is a work that will transform your life. Forever.

For an entire year. The Mullers had a solid marriage and two wonderful children, but over the years sex had fallen low on their to-do list. The lack of intimacy wasn't causing them to drift apart, exactly, but their connection didn't seem as great as it could be. Charla decided that the couple would embark on a year of scheduled sex -- falling over toy trucks and piles of laundry in an effort to make time for each other. There were obstacles along the way -- when disasters at work intruded on their home life and when there were questions about the sex itself and faking it. Would physical love -- whether good mediocre or ugly -- make up for things that weren't so good? Charla and her husband had a whole year to find out...

 Love Your Age is the ultimate guide to looking and feeling your best, whether you're 45 or 65. In these colorful pages, lifestyle

expert Barbara Hannah Grufferman reveals more than 100 easy-to-adopt healthy habits, empowering you to make positive choices that will lead to a longer, happier life-one small step at a time. From health and wardrobe to work and relationships, each action will steer you toward a personal goal, whether it's eating better, conquering menopause, keeping your brain sharp, or rebooting your sex life. Fun, innovative, and practical, this go-to resource will inspire you to live your best life yet.

*The Best of Everything After 50* Little, Brown Spark  
 In a candid and gently humorous memoir, the author describes how, after years of a solid marriage and two children, she embarked on a plan to reconnect with her husband and to restore intimacy to their relationship by embarking on a plan of scheduled sex everyday for an entire year. Original.

People of all shapes and sizes can engage in sexual activity and sexual intercourse. However, these differences in body types mean that one person's favorite sex positions could be less pleasurable or even very uncomfortable for someone else. It is important to find comfortable and pleasurable positions that suit your body type and your abilities. Many plus size individuals that engage in sexual activities may find themselves in positions that are both unfulfilling and uncomfortable. These positions are safe, enjoyable while avoiding common problems caused by weight, size, or flexibility. Give them a try! Everyone should and indeed must enjoy their sex life no matter their body type. Often most positions recommended focus on body twisting and therefore mostly difficult for most of us. Sex positions covered in this book all focus on the simplicity of it all but bringing out the best pleasure and sexual adventure associated with varying sex positions. From plus size people to the most slim this sex position book is ideal for all. No complexities, just a smooth run from one sex position to the next. You can regain exciting passion by redefining excitement, and 'discovering each other. As a rule, people generally underestimate the role of sexual intimacy in a relationship. We take sexual function and pleasure for granted until it breaks down, and then it causes great distress. Often it's only at this point that couples-or singles-address sexual concerns. By maintaining a varied and spicy sex life across the life span of a relationship, people can prevent many sexual problems. So call your partner, look at the pictures together, have a laugh, and then go to bed and enjoy trying out these new sexual positions and exciting new techniques. Remember sex should be enjoyable, and above all FUN

**Do You Know Your Husband?** DK Publishing (Dorling Kindersley)

When Charla Muller's husband turned 40, she gave him something memorable. Sex. Every day. For an entire year. The Mullers had a solid marriage and two wonderful children, but over the years sex had fallen low on their to-do list. The lack of

intimacy wasn't causing them to drift apart, exactly, but their connection didn't seem as great as it could be. Charla decided she couldn't go on pretending the relationship they once had wasn't important. The couple would embark on a year of scheduled sex, falling over Tonka trucks and piles of laundry in an effort to make time for each other. There were obstacles along the way (work implosions, faking it) and questions came to light. Will sex every day strengthen a marriage, or reveal the cracks? Pull a couple together or drive them apart? Does good sex (even mediocre sex) make up for things that aren't so good?

Told through a series of larger-than-life snapshots, a hilarious memoir in essays about love, sex, marriage, motherhood, bikinis, and loving your body, no matter what size you are from the acclaimed blogger and body image advocate. Brittany Gibbons has been a plus size her whole life. But instead of hiding herself in the shadows of thinner women, Brittany became a wildly popular blogger and national spokesmodel—known for stripping on stage at TedX and standing in Times Square in a bikini on national television, and making skinny people everywhere uncomfortable. Talking honestly about size and body image on her popular blog, brittanyherself.com, she has ignited a national conversation. Now in her first book, she shares hilarious and painfully true stories about her life as a weird overweight girl growing up in rural Ohio, struggling with dating and relationships, giving the middle finger to dieting, finding love with a man smaller than her, accidentally having three kids, and figuring out the secret to loving her curves and becoming a nationally recognized body image advocate. And there's sex, lots of it! Fat Girl Walking isn't a diet book. It isn't one of those former fat people memoirs about how someone battled, and won, in the fight against fat. Brittany doesn't lose all the weight and reveal the happy, skinny girl that's been hiding inside her. Instead, she reminds us that being chubby doesn't mean you'll end up alone, unhappy, or the subject of a cable medical show. What's important is learning to love your shape. With her infectious humor and soul-baring honesty, Fat Girl Walking reveals a life full of the same heartbreak, joy, oddity, awkwardness, and wonder as anyone else's. Just with better snacks.

This practical book provides 31 days of challenges to help you and your spouse talk, flirt, and explore all three levels of sexual intimacy--physical, emotional, and spiritual--so you both can experience the best sex ever. Sex is incredibly important in a marriage, yet many things can throw it off course. Whether you are engaged and afraid you won't be able to light the spark, are newlyweds who haven't started off well, or have been married five, ten, twenty-five years, or more and you'd like to recapture the spark you once had, this book is for you! The challenges aim to spice up the bedroom while guiding you through all three levels of sexual intimacy. As you go through these challenges with lots of laughter and enjoyment, sex will stop being a source of tension and become something fun that brings you together, just the way God intended. The challenges slowly build on each other to help you: Turn sex into something positive Understand each other's sexual drives Debunk Hollywood myths and expectations about sex Hit the reset button on your sex life Make little changes that have big rewards Try new things--and spice things up And keep the momentum going! You're meant to have an abundant marriage--so don't settle for mediocre. Start your 31-day journey today!

This book offers a detailed road map for overcoming sexual and relationship impasses originating from painful childhood experiences. Large numbers of adults with histories of childhood trauma and neglect suffer persistent relationship and sexual difficulties. Unfortunately, most have failed to receive adequate help with emerging from these deep and complex problems. Coming Home to Passion: Restoring Loving Sexuality in Couples with Histories of Childhood Trauma and Neglect explores the enduring impacts—physiological, psychological, and behavioral—of childhood trauma and neglect. Author Ruth Cohn, drawing on 25 years of experience working with trauma survivors and their partners and families, lays out a practical and actionable course for recovery in clear, accessible language. This book provides direction and hope to those with trauma backgrounds while also serving as a unique resource for professional readers. Integrating in-depth information on attachment and relationship, trauma and neglect, and sexuality, Cohn details a practical, hands-on treatment approach for revitalizing love, health, and passion.

Candid and contemporary, this book gives you a Christian place to turn for answers to your most intimate--and embarrassing--questions. Billions of people have had sex. Far fewer have made love. In The Good Girl's Guide to Great Sex, author Sheila Wray Gregoire helps women see how sexual intimacy was designed to be physically stupendous but also incredibly intimate. Whether you're about to walk down the aisle, newly married, or you've been married for decades, The Good Girl's Guide to Great Sex will lead you on a wonderful journey of discovery toward the amazing sex life God designed you for. With humor, research, and lots of anecdotes, author Sheila Wray Gregoire helps women see how our culture's version of sex, which concentrates on the physical above all else, makes sex shallow. God, on the other hand, intended sex to unite us physically, emotionally, and spiritually. Gregoire walks through these three aspects of sex, showing how to make each amazing, and how to overcome the roadblocks in each area we often encounter. Drawing on survey results from over 2,000 people, she also includes lots of voices from other Good Girls, giving insight into how other women have learned to truly enjoy sex in marriage.

The predominant message in our culture is that it's okay to have sex whenever, wherever, and however we want. Sex has become just sex. But while society has taken sex too far, the church hasn't taken it far enough. God wants couples to make love in marriage--with passion, with purpose, and with pleasure. Marriages aren't experiencing all the benefits that come from a healthy sex life. Couples are facing a barrage of influences that keep them from

connecting with each other regularly--the kids, the career, the house, the errands, etc. EXPERIMENT shows people that sex in marriage is more than just sex, and it's more than a chore. The Youngs believe it's time to get back to understanding the context of sex in marriage and that it's time for couples to break the barriers keeping them from a healthy sexual relationship. Couples ought to experience the benefits of having sex regularly, intentionally, and creatively. EXPERIMENT will allow couples to discover that the intersection of God and sex can lead to a life punctuated by exclamation marks!

What if it's not your fault that sex is bad in your marriage? Based on a groundbreaking in-depth survey of 22,000 Christian women, The Great Sex Rescue unlocks the secrets to what makes some marriages red hot while others fizzle out. Generations of women have grown up with messages about sex that make them feel dirty, used, or invisible, while men have been sold such a cheapened version of sex, they don't know what they're missing. The Great Sex Rescue hopes to turn all of that around, developing a truly biblical view of sex where mutuality, intimacy, and passion reign. The Great Sex Rescue pulls back the curtain on what is happening in Christian bedrooms and exposes the problematic teachings that wreck sex for so many couples--and the good teachings that leave others breathless. In the #metoo and #churchtoo era, not only is this book a long overdue corrective to church culture, it is poised to free thousands of couples from repressive and dissatisfying sex lives so that they can experience the kind of intimacy and wholeness God intended.

"Sheila speaks to both the heart and habits of the woman who is wife and mother. The lessons in this book are biblical, doable, and affordable!"--Margaret B. Buchanan From advertisements to mommy blogs to Pinterest, scenes of domestic bliss abound, painting a picture of perfection and expectation nearly impossible to live up to. Why can't you work a full-time job, stylishly clothe yourself and your children, plan a party for twelve with handmade decorations, keep your house sparkling clean without chemicals, and bake a gourmet meal in the same day? Everyone else is doing it! For many women, housework has become more than chores that need to be done; it is a symbol of identity. Sheila Wray Gregoire wants to stop that thinking in its tracks and help women back to a life of balance--for their sakes and for their families. She encourages women to shift their focus from housekeeping to relationships and shows them how to foster responsibility and respect in all family members. The second edition retains the helpful, concrete advice on everyday situations such as strategies for tackling chores and budgets and tips on effective communication, while incorporating the wisdom Sheila has gained through her interaction with thousands of readers of her blog and through her speaking ministry over the past ten years. Through the principles in To Love, Honor, and Vacuum, Gregoire promises readers they can grow and thrive in the midst of their hectic lives--even if their circumstances stay the same.
