Ibn Taymiyya (1263-1328) of Damascus was one of the most prominent and controversial religious scholars of medieval Islam. He called for jihad against the Mongol invaders of Syria, appealed to the foundational sources of Islam for reform, and battled against religious innovation. Today, he inspires such diverse movements as Global Salafism, Islamic revivalism and modernism, and violent jihadism. This volume synthesizes the latest research, discusses many little-known aspects of Ibn Taymiyya's thought, and highlights the religious utilitarianism that pervades his activism, ethics, and theology.

Fulfillment of sexual desire and needs are key in sustaining a harmonious marital relationship. However, in today's society, sexual boundaries are being pushed further and further, and often, sexual deviance is openly practised. In such circumstances, there is a need to identify which sexual activities are permissible in Shari'ah. *Islamic Guide to Sexual Relations* is a serious endeavour to tackle these sensitive matters in a clear and concise manner. While being respectful and dignified in the language he employs, the author does not shy away from discussing sensitive issues. He records, in thorough detail, the guidance Islam provides regarding sexual encounters with one's spouse. The book covers a wide range of issues, and thus, answers many frequently asked questions on the topic of sexual relations. It concludes with a short chapter addressing Islamic etiquettes and practises pertaining to newlyweds on their first night.

Now that this study is completed and I wish to make due acknowledgment to all those who have in any degree contributed towards its realization, my thoughts turn in the first place to the one to whom this book is dedicated. It is a great grief to me that he who took such an intense interest in my work has not lived to see its conclusion. It was he who in the beginning urged me to venture upon this course of study and whose encouragement helped me in moments of despondency. The high standard which, with his keen and critical judgment, he set for his own work, was an example to me, and I shall strive to maintain it in my future studies. Not only did he help me to lay the foundation of my knowledge of archive science, but he was also my guide in a field new to me in many respects, that of Asian maritime trade. His wide knowledge of medieval European trade in the Baltic area led me to compare and contrast the two worlds of East and West and thus helped me to obtain a deeper insight into the differences and similarities between the various problems involved. I am greatly indebted to Prof. Dr. J. M. Romein, who has followed the progress of my studies with great interest all these years, and on whose help and support, sometimes in very difficult circumstances, I have always been able to rely.

Travelling Home: Essays on Islam in Europe BRILL

A fascinating journey into Islam's diverse history of ideas, making an argument for an "Islamic Enlightenment" today In Reopening Muslim Minds, Mustafa Akyol, senior fellow at the Cato Institute and opinion writer for The New York Times, both diagnoses "the crisis of Islam" in the modern world, and offers a way forward. Diving deeply into Islamic theology, and also sharing lessons from his own life story, he reveals how Muslims lost the universalism that made them a great civilization in their earlier centuries. He especially demonstrates how values often associated with Western Enlightenment — freedom, reason, tolerance, and an appreciation of science — had Islamic counterparts, which sadly were cast aside in favor of more dogmatic views, often for political ends. Elucidating complex ideas with engaging prose and storytelling, Reopening Muslim Minds borrows lost visions from medieval Muslim thinkers such as Ibn Rushd (aka Averroes), to

offer a new Muslim worldview on a range of sensitive issues: human rights, equality for women, freedom of religion, or freedom from religion. While frankly acknowledging the problems in the world of Islam today, Akyol offers a clear and hopeful vision for its future.

This excellent book is translated from the original Arabic book 'Nidham ul Islam' by Sheikh Taqiuddin An Nabahani, an Islamic jurist, 'alim, writer and the founder of Hizb ut-Tahrir - the largest Islamic global political party under a single leadership. It lays out the fundamentals to develop a strong Islamic personality and da'wah carrier. It begins with laying the foundation by explaining the correct way to belief. It proves the existence of a creator intellectually and the Quran as the final revelation sent to humanity by Allah (swt). It then goes on to clarify the important creedal concept of Al-Qada wal Qadar (fate and destiny), which is often held in a vague or confused manner. The third chapter, its largest concentrates on explaining the different ideologies that exists namely Capitalism, Communism and Islam highlighting the differences between them giving the reader a clear framework to understand the world that we live in. After having laid the basis for the correct belief, intellectual and political thinking, it then moves onto address the key Islamic legal principles. The short chapters are intended to focus on the most important aspects such as Usuli subjects like the meaning of Hukm Shar'i, the types of ahkam shariah, Sunnah and emulating (ta'assi) the actions of the Messenger (saw). The last section of the book also clarifies misconceptions regarding spirituality and morals according to Islam as well as articulating the need for a constitution for the future Islamic state.

Muslims all over the world see Muhammad as God's last messenger to mankind. Through his actions, he showed the way to live a life that provides for all the needs of body, mind, and soul, and elevates man's aspirations towards a sublime ideal in a very simple, direct, and truthful manner. He built a state that was dedicated to truth and justice and to the liberation of man throughout the world. He wrote to emperors, kings, and rulers, calling on them to believe in God and to follow His message, yet, at the same time, he lived a life of poverty, leaving aside the riches that were offered to him. At a time when the Prophet is much maligned by writers, cartoonists, and various other detractors, this book aims to show Muhammad's true character in detail, both in its most everyday and most extraordinary moments. Adil Salahi's writings include the acclaimed Muhammad: Man and Prophet and Pioneers of Islamic Scholarship, and the English translation of the eighteen-volume In the Shade of the Qur'an. His main career has been in radio and print journalism, and for over thirty years he was editor of "Islam in Perspective," a twice-weekly full-page column in the Arab News, a Saudi daily newspaper.

About this book (summarized translation of Madarijus-Salikin) itself seems to have two visions. One vision in the form of the writings of Ibn Qayyim and another vision is a critique or correction of the contents of the book Manazilus-Sa'irin. Madarijus-Salikin book was written by Shaykhul-Islam who was diligent in explaining the truth and spreading religion. Madarijus-Salikin book is one of the best books by Ibn Qayyim. I have referred to its summary in French and Indonesian languages and also its translation in English while preparing this book. Hope it is beneficial.
