"Iampolski deals with concepts and ideas that are highly complex and frequently very abstract, yet his discussion—and the progression of his analyses—is always precise and easy to follow. . . . Each of his points is grounded in a careful examination of a specific text, and most of the texts are well-known to American audiences."—Vladimir Padunov, University of Pittsburgh

[Desperate Measures](#) Boydell & Brewer

Generations ago, angel Remiel chose to renounce heaven and live on Earth. He found a place among ordinary humans by converting himself into Boston P.I. Remy Chandler, but he can never tell anyone who he was or that he still has angelic powers. Remy can will himself invisible, speak and understand any foreign language (including any animal language), and hear the thoughts of others. All these secret powers come in handy for a private investigator, especially when the Angel

of Death goes missing and he's assigned to find him. As he gets deeper into the investigation, he realizes this is not a missing persons case but a conspiracy to destroy the human race and only Remy has the powers to stop the forces of evil.

Her Ruthless Tycoon Springer

On Whit Monday 1828 a strange youth, barely able to speak and hardly able to walk appeared in Nuremberg. This new case of a 'wild man' excited widespread curiosity, and many prominent figures wanted to test their pedagogical and medical theories on such a promising subject. Who was he? Was he, as many claimed, the rightful heir to the Grand Duchy of Baden, or was he simply an ingenious fraud? This book examines the many ramifications of this fascinating case, and offers many insights into the social, political and intellectual life of Biedermeier Germany.

They Thought They Were Free Univ of California Press

This book is the first in-depth cultural history of cinema's polyvalent and often contradictory appropriations of Shakespearean drama and performance traditions. The author argues that these adaptations have helped shape multiple aspects of film, from cinematic style to genre and

narrative construction.

Akira Kuruu thought he was doing the right thing when he rescued a woman who was being attacked. Expelled from his school and sent away from home, he is reenrolled in Shujin Academy on probation. Trouble finds him again on his first day when he comes across delinquent Ryuji Sakamoto and the two somehow stumble into a castle in an alternate reality. Caught by the castle's king, the schoolteacher Kamoshida, Akira discovers his will to rebel and awakens the power of his Persona! -- VIZ Media

[Cruel Beauty](#) Kodansha Comics

National Book Award Finalist: Never before has the mentality of the average German under the Nazi regime been made as intelligible to the outsider." —The New York Times They Thought They Were Free is an eloquent and provocative examination of the development of fascism in Germany. Milton Mayer's book is a study of ten Germans and their lives from 1933-45, based on interviews he conducted after the war when he lived in Germany. Mayer had a position as a research

professor at the University of Frankfurt and lived in a nearby small Hessian town which he disguised with the name “Kronenberg.” These ten men were not men of distinction, according to Mayer, but they had been members of the Nazi Party; Mayer wanted to discover what had made them Nazis. His discussions with them of Nazism, the rise of the Reich, and mass complicity with evil became the backbone of this book, an indictment of the ordinary German that is all the more powerful for its refusal to let the rest of us pretend that our moment, our society, our country are fundamentally immune. A new foreword to this edition by eminent historian of the Reich Richard J. Evans puts the book in historical and contemporary context. We live in an age of fervid politics and hyperbolic rhetoric. They Thought They Were Free cuts through that, revealing instead the slow, quiet accretions of change, complicity, and abdication of moral authority that quietly mark the rise of evil.

Russian Epic Studies Disney Electronic Content

The authors of oral literature in the Pashtun language create their work at a far remove from any books. Generally deprived of the support of schools and universities, their compositions are inseparable from song. Their poetry is never declaimed; rather, their rhyme and rhythm have melodic value. These popular improvisations do not exalt mystic love. In them there is no aspiration whatsoever to an unfathomable and incommunicable heaven, nor devotion to the lord, nor praise for an absolute master, nor any Adonis. To the contrary, they are songs of the earth. They celebrate nature, mountains, rivers, dawn and night’s magnetic space. They are songs of war and honor, shame and love, beauty and death. The repression of Afghan women has caused untold suffering, particularly through moral subjugation. Infant daughters and their mothers are received with scorn and shame, and lead lives of subordination and humiliation. Their rebellion against these tribal codes comes only through suicide and song. Translated from the Pashtun into French by the eminent Sayd Bahodine Majrouh, the greatest Afghan poet of the twentieth century, his text has been rendered into English in the expert hands of Marjolijn de Jager of the Translation Department at NYU.

Women Framing Hair Springer

The Philosophical Investigations of Ludwig Wittgenstein (1889–1951) present his own distillation of two decades of intense work on the philosophies of mind, language and meaning.

Traitor's Blade Rom Tell That

Here are sixty stories, selected and retold by fairy-tale lover Linda Rode. Smaller folks, who have the stories read to them, as well as self-readers, will derive an equal amount of pleasure from this book. It is a comprehensive collection that will open up the wide, wide world of fairy tales and other folklore to children. A short annotation at the end of each story points out the land of origin and puts the stories from Africa, Europe, the East and other parts of the world in context with one another. Fiona Moodie’s evocative illustrations are drypoint etches printed by hand and painted afterwards – an intricate process that took more than two years to complete. The enchanting results make this book an art treasure for everyone privileged enough to receive it.

The death of tragedy Univ of Wisconsin Press

She doesn’t remember him, but oh, does he remember her. A terrible accident left physical therapist Layla Matthews with no memory of her freshman year of college in Pittsburgh. Almost 10 years later, she returns to the city to solve the mystery of her own past; and one clue leads her to Nathan Sinclair, the rude, arrogant, and ridiculously handsome CEO of Sinclair Industries.

Philosophical Investigations de Gruyter

In Russia's cultural memory, the Caucasus is a potent point of reference, to which many emotions, images, and stereotypes are attached. The book gives a new reading of the development of Russia's perception of its borderlands and presents a complex picture of the encounter between the Russians and the indigenous population of the Caucasus. The study outlines the history of a region standing in between Russian reveries and Russian imperialism. (Series: Studies on South East Europe, Vol. 19) [Subject: History, Russian Studies, Ethnology]

Aggretsuko Work Rage Balance Penguin

The fifth volume of ICLA 2016 proceedings, Dialogues between Media, unites essays on the interplay of media or inter-arts studies, as well as papers with a focus on comics studies, further testimony to the fact that comics have truly arrived in mainstream academic discourse.

"Adaptation" is a key term for the studies presented in this volume; various articles discuss the adaptation of literary source texts in different target media - cinematic versions, comics adaptations, TV series, theatre, and opera.

A History of English Romanticism in the Nineteenth Century Trinkets and Tales LLC

An international ensemble of folklore scholars looks at varied ways in which national and ethnic groups have traditionally and creatively used imagined states of existence-some idealizations, some demonizations-in the construction of identities for themselves and for others. Drawing on oral traditions, especially as represented in traditional ballads, broadsides, and tale collections, the contributors consider fertile landscapes of the mind where utopias overflow with bliss and abundance, stereotyped national and ethnic caricatures define the lives of "others," nostalgia glorifies home and occupation, and idealized and mythological animals serve as cultural icons and guideposts to harmonious social life.

Part of Your World Other Press, LLC

Kafka's novels and stories fascinate readers and critics of each generation. Although all theories attempt to appropriate Kafka, there is no one key to his work. This work aims to present a point of view while taking account of previous Kafka research.

Imagined States MIT Press

The Imperial Sublime examines the rise of the Russian empire as a literary theme simultaneous with the evolution of Russian poetry between the 1730s and 1840—the century during which poets defined the main questions facing Russian literature and society. Harsha Ram shows how imperial ideology became implicated in an unexpectedly wide range of issues, from formal problems of genre, style, and lyric voice to the vexed relationship between the poet and the ruling monarch.

The Memory of Tiresias Nb Pub Limited

As an overworked employee of the Ministry of Magic, a husband, and a father, Harry Potter struggles with a past that refuses to stay where it belongs while his youngest son, Albus, finds the weight of the family legacy difficult to bear.

AHRENLESE Philadelphia : American Folklore Society

Beauty and the Russian Beast Sola: Ivan Rustanov is a total jackhole. He has no conscience, and he's no holds barred dangerous--the kind of guy you just know has a body count in his back story. And now he's forcing me to stay in his remote mountain home as his prisoner until Spring. He wants me in his bed, but that will NEVER happen. I hate him. Or at least I should. Shouldn't I? Ivan: A few years ago, having a curvy prisoner in my home wouldn't have been a problem. A few years ago I wasn't broken, damaged beyond all repair. I thought I was dead inside... until she came along and awakened me in ways I never thought were possible for a brute like me. But what will become of us when her past and mine collide? Can a monster like me ever become the man she deserves? This is Book 4 in the Ruthless Russians series. Meet all the Ruthless Russians: HER RUSSIAN BILLIONAIRE HER RUSSIAN SURRENDER HER RUSSIAN BEAST HER RUSSIAN BRUTE

Kaspar Hauser Whitley Cox

The German legend of the Red Jews, a medieval conflation of the Ten Lost Tribes of Israel with the biblical destroyers Gog and Magog, articulated throughout the Middle Ages and well into the sixteenth century a fundamentally antisemitic strain of popular apocalypticism. This undigested piece of medievalia disappeared as more strictly biblical narratives of the End replaced medieval myth. As a result, the Red Jews have not been noticed by modern historians though they were a universally-known feature of German apocalyptic belief for over three centuries.

The Golden Journey to Samarkand Harper Collins

In the 1970s, Kelly's transgressive projects helped to instigate conceptual art's second phase; her daring critiques of the female body as a fetishized, allegorized, commodified site were debated long after they were first seen in galleries and discussed in catalogues, and long before the debut of the "bad girls" in the 1990s. In fact, the debates currently surrounding Kelly's work are a necessary and defining element of theoretical discourse about art today.

The Trees BRILL

With swashbuckling action that recalls Dumas's Three Musketeers, Sebastien de Castell has created a dynamic new fantasy series. In Traitor's Blade, a disgraced swordsman struggles to redeem himself by protecting a young girl caught in the web of a royal conspiracy. The King is dead, the Greatcoats have been disbanded, and Falcio Val Mond and his fellow magistrates Kest and Brasti have been reduced to working as bodyguards for a nobleman who refuses to pay them. Things could be worse, of course. Their employer could be lying dead on the floor while they are forced to watch the killer plant evidence framing them for the murder. Oh wait, that's exactly what's happening. Now a royal conspiracy is about to unfold in the most corrupt city in the world. A carefully orchestrated series of murders that began with the overthrow of an idealistic young king will end with the death of an orphaned girl and the ruin of everything that Falcio, Kest, and Brasti have fought for. But if the trio want to foil the conspiracy, save the girl, and reunite the Greatcoats, they'll have to do it with nothing but the tattered coats on their backs and the swords in their hands, because these days every noble is a tyrant, every knight is a thug, and the only thing you can really trust is a traitor's blade.
