The Oxford Dictionary of
English offers
authoritative and in-depth
coverage of over 350,000
words, phrases, and
meanings. The foremost
single-volume authority
on the English language.
**Universal Dictionary of
the English Language**

V&S Publishers
The unknown history of
economic conservatism in
India after independence
Neoliberalism is routinely
characterized as an
antidemocratic, expert-
driven project aimed at
insulating markets from
politics, devised in the

North Atlantic and projected on the rest of the world. Revising this understanding, *Toward a Free Economy* shows how economic conservatism emerged and was disseminated in a postcolonial society consistent with the logic of democracy. Twelve years after the British left India, a Swatantra ("Freedom") Party came to life. It encouraged Indians to break with the Indian National Congress Party, which spearheaded the anticolonial nationalist movement and now

dominated Indian democracy. Rejecting Congress's heavy-industrial developmental state and the accompanying rhetoric of socialism, Swatantra promised "free economy" through its project of opposition politics. As it circulated across various genres, "free economy" took on meanings that varied by region and language, caste and class, and won diverse advocates. These articulations, informed by but distinct from neoliberalism, came

chiefly from communities in southern and western India as they embraced new forms of entrepreneurial activity. At their core, they connoted anticommunism, unfettered private economic activity, decentralized development, and the defense of private property. Opposition politics encompassed ideas and practice. Swatantra's leaders imagined a conservative alternative to a progressive dominant

party in a two-party system. They communicated ideas and mobilized people around such issues as inflation, taxation, and property. And they made creative use of India's institutions to bring checks and balances to the political system. Democracy's persistence in India is uncommon among postcolonial societies. By excavating a perspective of how Indians made and understood their own democracy and economy, Aditya Balasubramanian broadens our picture of

neoliberalism, democracy, and the postcolonial world.

With over 14,000

definitions, including

everyday idioms and

expressions, here is the

perfect tool to support

anyone learning Hindi

Essential Hindi Dictionary

contains mutated forms of

nouns, verbs, adjectives,

and prepositions

integrated into the main

alphabetical structure.

This enables you to trace

the standard form of a

mutated word without

difficulty. Irregularly

formed plural nouns are

systematically included,

and each Hindi verb is

complete with its first

person singular form in

the present tense. In

addition, many of the

prepositions governed by

various verbs are

included. Throughout, the

dictionary is illustrated

with examples of

language in action, with

an emphasis on Hindi

idiomatic usage. The book

also features a short

introduction to some of

the relevant features of

Hindi grammar, including

the conjugation of verbs

and prepositions, the

comparison of adjectives,

forms of personal

pronouns, and a summary

of the main rules of

consonantal mutation.

Universal's Law Dictionary Rajpal & Sons Based on the word-list of the Little Oxford Dictionary, and including its most helpful features, the Universal English-

Gujarati Dictionary contains 34,000 English words and phrases covering a broad range of contemporary English, together with short, precise Gujarati definitions. It will be the standard English-Gujarati dictionary for use in Britain.

Sarvāṃśī Aṅgrejī-Gujarātī kośa Oxford University Press, USA Supplementary volume to Comprehensive English-Hindi dictionary of governmental & educational words & phrases--.

Primitive and Universal
Laws of the Formation and
Development of Language

Routledge

This innovative dictionary allows the user to find given names which relate to a specific meaning.

Arranged alphabetically by definition, the names are followed by the language of origin, variations (derivatives, diminutives, and nicknames) of the name itself, and the name as interpreted in different languages. Separate sections are included for male and female names.

Using the dictionary you could discover that there are over 160 names listed for "flower," from Anthea (Greek) to Zahara (African).

**Essential Hindi
Dictionary: A Teach
Yourself Guide**

Oxford University Press, USA
This English-English-Hindi-Dictionary will completely serve the academic and writing interests of students, aspirants of competitive examinations, researchers, scholars, translators, educationists, and writers. This dictionary is unique in the

sense that the 'Words or Terms' have been drawn from literature, science, geography, commerce & business etc to give it a touch of completeness. 'Words or Terms' come complete with grammatical details, syntax, meaning both in English and Hindi along with a sentence (in English only) to improve writing or speaking. 'Words or Terms' have been serialized in alphabetical order, i.e., A-Z for ease in making searches. To the extent possible, Terms used in

common parlance have only been included, avoiding less frequent ones. In the Appendices section, body parts, common ailments, apparel, cereals, fruit & vegetables, herbs & spices, household items and other useful information have been included for added utility. This dictionary will be found useful by student community besides others such as, educationists, writers, translators, aspirants of competitive exams.
