LUCERO DEACON

Oxford Bible Atlas

*Webster's New World The Moody Atlas of Bible Lands integrates the geography of Bible lands with the teachings of the Bible. Its one hundred thousand words provide useful commentary for more than ninety detailed maps of Palestine, the Mediterranean, the Near East, the Sinai, and Turkey. Learn of God's protection and guidance by following Israel's forty-year sojourn in the wilderness. Appreciate the results of the Great Commission to 'teach all nations' by seeing the scope of Paul's three missionary journeys. Dr. Barry Beitzel has blended the topographical and historical in multi-colored maps that accurately reflect evangelical Christianity. Pages of timeless information aid in sermon preparation and in personal Bible study. The Moody Atlas of Bible Lands is an invaluable asset to Sunday school teachers and to seminary and Bible college students. Text and unique maps make this one of the most useful and accurate atlases available

today.

Holman Bible Atlas St. Martin's Griffin Bible atlas with 272 maps and text depicting religious, political, military, and economic events of the Old Testament, Second Temple, Early Church, and Intertestamental periods. Rose Book of Bible Charts, Maps, and Time Lines Zondervan

The #1 Bible Reference book celebrates its 10th anniversary with this 230-page edition that features more Bible maps, charts and illustrations than the original! This stunning, easy-to-understand reference book still provides the same full-color, reproducible Bible charts and overviews that made the original a favorite--but in an easier-to-use, updated format! This 10th anniversary edition of the Rose Book of Bible Charts, Maps and Time Lines features over 200 Bible Charts, Maps, and Timelines--and includes more pages, 6 extra topics, updated information, and a bonus 24" fold-out on Jesus' Family Tree. Every church library and every home should have a copy of Rose Book of Bible Charts, Maps and Time Lines. This book contains thousands of facts that will enrich

your understanding and study of the Bible, and will be a great resource as you teach others about the Word of God. "If I could give only two books to a new Christian, one would be the Bible and the other would be this book." --Dr. Ed Hindson, President of World Prophetic Ministry and pastor on the The King is Coming telecast Features more than 200 reproducible Bible charts, maps, and timelines, including: Foldout Posters: Bible Time Line and Jesus' Genealogy Overviews on Popular Old Testament Topics, including the Tabernacle, Ark of the Covenant, Names of God, Feasts & Holidays of the Bible, and much more Overviews on Popular New Testament Topics, including the 12 Disciples, Armor of God, Fruit of the Spirit, and much more Overviews of Jesus' Life and Teachings Bible Overview: Books of the Bible and Key Bible Stories Christian History, including "How We Got the Bible" and a Christian History Time Line Charts Comparing Christianity to Islam and 20 Other World Religions Overviews on Bible Prophecy, Revelation, and the End Times Bible Maps Bible Illustrations and Diagrams

"It is awesome! Rose Publishing has produced one of the finest books I have ever seen. Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible,' which provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such

as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other religions describes key aspects of history and doctrine for certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." -- Kirkus Reviews

The Land of the Bible
Baker Books

Presents stories from the Old and New Testaments with a reference section that includes maps, diagrams, and historical background.

Carta's New Century Handbook and Atlas of the Bible Carta

Jerusalem

An illustrated dictionary of the Bible for children.

The Macmillan Bible Atlas
Rose Publishing

Most Bible atlases only feature maps with very few explanations—which means they show where places are, but they don't explain why they matter. Enjoy having an Atlas that not only includes over 120 maps, but also key background information! Rose Then and Now Bible Map Atlas with Biblical Background and Culture is the only Bible atlas with a combination of— 120 stunning detailed Bible maps. Maps of modern cities and countries so you know where Bible places are today. Incredible insights into the lives of 30 important Bible characters. This Bible atlas focuses on people—not regions—and how the Middle East geography affected their lives and decisions. You take studying the Bible

seriously, which means you already know that understanding the Bible's background and context is the only way to fully understand its meaning. But with dozens of cultures and cities mentioned in the Bible—what information is important to know? Maps include lines to show the direction people traveled, along with helpful notes. Paul Wright's text gives Bible references and shows how knowing the land of the Bible uncovers new details in the most beloved stories and people. Learn how David's clever understanding of geography and politics led to his marriage with Ahinoam of Jezreel. Discover why Naomi, in the Book of Ruth, couldn't just move back to Bethlehem after her husband's death and use his land again. Find out why Moses and the Children of Israel took the long southern trek from Egypt to the Promised Land, rather than the direct route. This is the only topical atlas available that offers all these features! The Rose Then and Now Bible Map Atlas gives you incredible insights into your favorite Bible stories.

Phobos MacMillan Publishing Company

The Holman Bible Atlas offers a visual feast through which the reader can explore the world of the Bible. Utilizing 140 full color maps key to biblical events and 140 full color photographs illustrating the land, sites, and archaeology of the biblical world, the Atlas draws the reader into the biblical story. The Holman Bible Atlas begins with an introduction to the geography of the biblical world emphasizing the major physical features of the Ancient Near East with special attention given to the geographical regions of Palestine. Information about daily life and the role of archaeology in recovering ancient cultures are discussed.

Day by Day with Charles Swindoll Vintage Canada

Seeking out the Land describes the study of the Holy Land in the Roman period and examines the complex connections between theology, social agenda and the intellectual pursuit. Holiness as a theological concept determines the intellectual agenda of the elite society of writers seeking to describe the land, as well as their preoccupation with its physical aspects and their actual knowledge about it.

Ze'ev Safrai succeeds in examining all the ancient monotheistic literature, both Jewish and Christian, up to the fourth century CE, and in demonstrating how all the above-mentioned factors coalesce into a single entity. We learn that in both religions, with all their various subgroups, the same social and religious factors were at work, but with differing intensity.

East of the Jordan Rose Publishing Inc

The ten chapters in this book cover the world religions--Judaism, Christianity, Islam, Buddhism, the Hindu traditions--as well as every significant regional religious tradition. There is also special coverage of regional cults, missionary activities, and indigenous belief systems in every part of the world.

Historical Atlas of the Middle East Farrar, Straus and Giroux

Cartographic interpretations of religious, political, military and economic events of the years 3000 B.C. to A.D. 200 in the lands of the Bible.

The Basic Bible Atlas Cambridge University Press

'This book is perhaps the best general introduction

to the mainstream of current critical study of the Hebrew Bible on the market....At points the discussion is little short of brilliant. Gottwald has made an immense contribution to modern biblical scholarship. A generation of students will be in his debt for pulling it all together..."--Duane L. Christensen, American Baptist Seminary of the West and Graduate Theological Union
Cloud Atlas (20th Anniversary Edition) Amer School of Oriental
 What you don't know about goths could fill a book! An artistic culture that revels in the Victorian romantic movement, The goth Bible brings to light the traditions and history of all that is goth. The goth culture has been one of the most controversial and maligned in media history. Presented as homicidal, suicidal and socio-pathic, in the national consciousness goths are coupled with everyone from Marilyn Mason to the murderers of Columbine. But this is not who the goths are. The goth Bible will help bridge the understanding between goths and non-goths. From their historical origins as a Germanic tribe in the sixth century who fought

along side the Romans against the Huns to their current incarnation as creatures of the night, The goth Bible presents the most complete and broad perspective of this society, culled from hundreds of interviews with bands, artist, designers, and goths from all walks of life.

Geography in Early Judaism and Christianity

St. Martin's Press

Explore the lands of the Bible and the history of scripture with unprecedented clarity.

This major revision of the Gold Medallion Award-winning Zondervan NIV Atlas of the Bible is a visual feast that will help you experience the geography and history of Scripture with unprecedented clarity.

The first section of the Atlas introduces the "playing board" of biblical history. The next section, arranged historically, begins with Eden and traces the historical progression of the Old and New Testaments. It concludes with chapters on the history of Jerusalem, the disciplines of historical geography, and the most complete and accurate listing and discussion of place-names found in any atlas. Unique

features include: Stunning multidimensional and three-dimensional maps
 Over 100 new relevant-to-topic images
 Revised engaging text
 Innovative chronological charts and graphics
 A complete geographical dictionary and index available for in-depth studies
 The Zondervan Atlas of the Bible is destined to become a favorite guide to biblical geography for students of the Bible. This accessible and complete resource will assist you as you enter into the world of the Bible as never before.

The Carta Bible Atlas

Moody Publishers

An atlas that features modern digital cartography, Caribbean and world sections, and photographs and illustrations.

The Archaeology of the Land of Israel

B&H Publishing Group

271 two-color maps and text depicting religious, political, military, and economic events of the Old Testament, Second Temple, Intertestamental, New Testament, and Early Church periods in Bible history. Illuminating maps and text are illustrations of statues and likenesses, tools and weapons, coins and artifacts. In addition, there are valuable

appendices, a detailed comparative chronology of early civilizations, a key to the maps according to the books of the Bible, and a new index to persons, making this work the most comprehensive Bible atlas available. Book jacket.

The goth Bible Random House Trade Paperbacks
This new historical handbook will enrich the Bible reading experience of an even wider audience in whose lives the Sacred Canon enjoys special significance.

Atlas: The Story of Pa Salt Crossway

Of all the writings held sacred by the world's religions, only the Bible presents a message linked to geography. This is not just the location of religious centers but the experience of a people in its land, a people that has insisted on its God-given right to self-identity throughout the ages and in defiance of all forces that sought to deny it. All Jews and Christians who profess to find the source of their faith in these

Scriptures look to the experiences of that people depicted in the Bible as examples and role models for their search after the Divine will and for their moral conduct among men. The religious experiences of that ancient people took place in relation to a geographical setting, generally a small postage stamp on the face of the globe, a patch of terrain in the southern part of the eastern Mediterranean littoral. The Bible is replete with geographical information, not as a guidebook for travelers or a textbook on geography, but often almost incidental to the message. Yet without the geography, that message is often obscured or vitiated for the uninformed reader. The present atlas seeks to introduce the reader to the geographical elements that can help to make real the social, historical and spiritual experience of the People of the Book. - Publisher.

The Macmillan Bible Atlas
Pan Macmillan

Since its first publication in this country, Yohanan Aharoni's informative, fact-filled work has been a prime source in its field. Now considerably enlarged, and with both text and maps updated, this classic study offers an even more accurate description of the geography, history, and archeology of Palestine. "The Land of the Bible" is an essential textbook that will continue to serve both scholars and students for years to come.
