Iphigenia in Tauris by Johann Wolfgang von Goethe is a reworking of an ancient Greek tragedy by Euripides. It tells the story of Iphigenia, who was saved by goddess Diana from being sacrificed by her father Agamemnon. She becomes a priestess in Taurica, where she reunites with her brother Orestes and helps him escape from the king Thoas. Goethe was a famous German writer and poet who wrote this play in verse form in 1786.

Iphigenia in Tauris, a Drama in Five Acts;
Wildside Press LLC

Few works can have such purchase on

our contemporary concerns as Goethe's Iphigenia. The endless bloodletting of the play's prehistory, the desperate cycle of outrage followed by acts of retribution that fuel the flames; the play's understanding of the notion of sacrifice that conjoins the sacred and the violent into a poisonous brew all these preoccupations speak with incomparable urgency to us today ... Roy Pascal's translation, twice produced on BBC radio but never published until now, is a matchless example of German poetry rendered into English by a master.'

MARTIN SWALES in.

Dramatic Works Hassell Street Press
Iphigenia in Tauris (German: Iphigenie auf Tauris) is a reworking by Johann Wolfgang von Goethe of the ancient Greek tragedy (Iphigeneia en Taurois) by Euripides. Euripides' title means "Iphigenia among the Taurians," whereas Goethe's title means "Iphigenia in Taurica," the country of the Tauri. Goethe wrote the first version of his play in six weeks, and it was first performed on April 6, 1779, in prose form. He rewrote it in 1781, again in prose, and finally in 1786 in verse form. He took the manuscript of Iphigenia in Tauris with him on his famous Italian Journey. Beloved by the gods for his wisdom, the demigod Tantalus was once invited to their fellowship. Becoming boisterous whilst celebrating with them, he began to boast, and he stole the gods' nectar and ambrosia, their food of immortality. When the gods came to see Tantalus in turn, he tested their omniscience by offering his own son Pelops to them as their meal. Offended by the deception, the gods banished Tantalus from their community to Tartarus and cursed him and his family, the House of Atreus. This became known as the curse on the Tantalids, in which descendants from

Tantalus in every subsequent generation were driven by revenge and hatred to the killing of their own family members.
