Shaping History Through Prayer and Fasting FaithWords Fully revised and expanded, this new work is the first major revision of the liturgical calendar of the Episcopal Church in more than 40 years! It is the official revision of Lesser Feasts and Fasts and authorized by the 2009 General Convention. All commemorations in Lesser Feasts and Fasts have been retained, and many new ones added. Three scripture readings (instead of current two) are provided for all minor holy days. Additional new material includes a

votive mass of the Blessed Virgin Mary, many more ecumenical commemorations, plus a proper for space exploration. For years the oft revised volume, Lesser Feasts and Fasts (LFF), has served parishes and individuals mark part of the holiness of each day by providing Scripture readings, a collect, a Eucharistic preface, and a narrative about those remembered on the church's calendar that day whose lives have witnessed to the grace of God. Holy Women, Holy Men (HWHM) is a major effort to revise, but also to expand and enrich LFF. Where LFF provided two readings (gospel and other New Testament) plus a psalm, HWHM adds an Old Testament citation. Where LFF was limited

to few non-Anglicans in the post-reformation period (and few non-Episcopalians after 1789), HWHM dramatically broadens appreciation for other Christians and their traditions. Over-emphasis on clergy is redressed by additional laity, males by females, and "in-church" activities by contributions well beyond the workings of institutional agendas. These almost daily commemorations occupy over 600 of the book's 785 pages, by far the lion's share of its content. Remaining sections address: principles of revision and guides for future revision; liturgical propers for seasons (Advent/Christmas, Lent, and Easter); and new propers for a miscellany of propers

usable with individuals (or events) not officially listed in the formal calendar. Two cycles of propers for daily Eucharist are also included, one covering a six week period, the other a two year cycle.

Unmerited Favor
FaithWords

I have prayed for others and seen instant healing miracles and received supernatural words of knowledge about them. I have also received miracles through prayer and others praying for me. I believe in a living God who has shown me through personal experience that He is real. The Bible clearly reveals God's will for

every believer to walk in the miraculous. If you're tired of a Christian walk that has no evidence of God's manifested power, all it takes is to replace some wrong beliefs so that unbelief can be cast out. This is what I believe the Holy Spirit wants to do through this book "Messiah's Miracles-The Power of Having Faith in Jesus Christ". Under the New Covenant of Grace, every blessing is received by faith. If you have been trying to earn your miracles by showing your devotion to God by your works, it's no wonder you don't see any miracles. Faith comes by hearing about Jesus and this book is all about Jesus and designed to impart faith to the reader. During Jesus' ministry on earth, He didn't

work any miracles by His own authority as God. He relied completely on faith in His Father and the power of the Holy Spirit. The Holy Spirit purposefully chose 37 of Jesus' miracles to be recorded in the four gospels. This is no coincidence. Each miracle reveals something powerful about our Lord Jesus. I believe that as you read about the 37 miracles of Jesus in the four gospels, faith will arise in your heart to receive miracles in your own life. As you behold Jesus in His love, goodness and grace, you will see transformation in yourself and in your circumstances. No self-help book can do that. Only the preached Gospel has God's power to save in all

ways. As you set aside time to read about Jesus in all His majesty and beauty, I'm trusting that God will honor your faith and command a chain of long-awaited breakthroughs in your life.

An in-depth look at the powerful story and symbolism behind God's unique design of our universe.

Thousands of words have been written about the first ten words in the Bible: "In the beginning, God created the heavens and the earth," a simple and profound statement that has ignited a firestorm of debate and controversy. People often only focus on the "how" and "when" of creation, but *Story in the Stars* explores the "why." Why did God

create such a vast universe? Why did He choose the sun and moon to light our paths? Why did He design images with stars in the night sky? The Bible is very clear when it states that God created, named, and positioned all of the stars of the universe in their place in a very specific way—a way that tells us the greatest story ever to be told. In Luke 21:25 Jesus says, "There will be signs in the sun, moon and stars." Signs are meant to point us towards something: Jesus. *Story in the Stars* takes an in-depth look at the Bible and all the signs God mapped out through constellations, planets, and even the way the Earth is tilted. We are uniquely designed by God, and He loves us so much

that He ensured a way for all inhabitants of the earth, through all of time, to see the messages of salvation and redemption that He painted in the stars.
