DEANDRE NASH

Dear Theo Taschen

The classic and provocative account of how art changed irrevocably with pop art and why traditional aesthetics can't make sense of contemporary art. A classic of art criticism and philosophy, *After the End of Art* continues to generate heated debate for its radical and famous assertion that art ended in the 1960s. Arthur Danto, a philosopher who was also one of the leading art critics of his time, argues that traditional notions of aesthetics no longer apply to contemporary art and that we need a philosophy of art criticism that can deal with perhaps the most perplexing feature of current art: that everything is possible. An insightful and entertaining exploration of art's most important aesthetic and philosophical issues conducted by an acute observer of contemporary art, *After the End of Art* argues that, with the eclipse of abstract expressionism, art deviated irrevocably from the narrative course that Vasari helped define for it in the Renaissance. Moreover, Danto makes the case for a new type of criticism that can help us understand art in a posthistorical age where, for example, an artist can produce a work in the style of Rembrandt to create a visual pun, and where traditional theories cannot explain the difference between Andy Warhol's Brillo Box and the product found in the grocery store. *After the End of Art* addresses art history, pop art, "people's art," the future role of museums, and the critical contributions of Clement Greenberg, whose aesthetics-based criticism helped a previous generation make sense of modernism. Tracing art history from a mimetic tradition (the idea that art was a progressively more adequate representation of reality) through the modern era of manifestos (when art was defined by the artist's philosophy), Danto shows that it wasn't until the invention of pop art that the historical understanding of the means and ends of art was nullified. Even modernist art, which tried to break with the past by questioning the ways in which art was produced, hinged on a narrative.

Egon Schiele Taschen

La desaparición de Rembrandt por Russ Ramsey invita a descubrir a algunos de los artistas y obras más celebrados mundialmente y al mismo tiempo presenta el evangelio de Cristo de una manera que habla a las dificultades y anhelos comunes en la experiencia humana. El libro es en parte historia del arte, estudio bíblico, filosofía y análisis de la experiencia humana, pero es completamente historia. La vida de los artistas en este libro ilustran la lucha de vivir en este mundo y apuntan a la belleza de la redención disponible para nosotros en Cristo. Cada historia es diferente. Algunas terminan en un rotundo triunfo y otras terminan en conflicto, pero todas suscitan preguntas importantes sobre la sed de gloria de la humanidad y nos enseñan a amar y ver la belleza.

Rembrandt Is in the Wind by Russ Ramsey is an invitation to discover some of the world's most celebrated artists and works, while presenting the gospel of Christ in a way that speaks to the struggles and longings common to the human experience. The book is part art history, part biblical study, part philosophy, and part analysis of the human experience; but it's all story. The lives of the artists in this book illustrate the struggle of living in this world and point to the beauty of the

redemption available to us in Christ. Each story is different. Some conclude with resounding triumph while others end in struggle. But all of them raise important questions about humanity's hunger and capacity for glory, and all of them teach us to love and see beauty.

Spain, a Global History University of Toronto Press

Notorious bad boy of Italian painting, Caravaggio is now considered one of the greatest influences in all art history. This neat catalogue raisonné reproduces all of Caravaggio's paintings as well as a number of dramatic details of his boundary-breaking realism. Five accompanying chapters trace Caravaggio's artistic daring and his equally...

Obra Completa University of Ottawa Press

El autor vuelve a reflexionar sobre el estatus de la Historia del arte: las certezas pretendidamente científicas, que suponen un patrón de lectura de las imágenes artísticas con el fin de identificarlas rápidamente, plantean un problema en la medida en que no se tiene en cuenta la parte de no-saber que las caracteriza. Didi-Huberman apuesta por pensar la imagen considerando su parte de no-saber, sacándola fuera del perímetro protector que la encierra, para abrir la mirada a su parte de "figurabilidad" en sentido freudiano, es decir, a su parte inconsciente. Su propuesta es "no apropiarse de la imagen", sino más bien "dejarse captar por ella", despojándonos de lo que sabemos sobre ella.

Girl with a Pearl Earring Taschen

"This volume--the new standard Vermeer monograph--reproduces all 34 paintings, augmenting each with close-ups that lay bare the loving care Vermeer lavished upon each painstaking work." from publisher's website

Caravaggio Vintage

Just 35 works make up the complete known oeuvre of Johannes Vermeer but in their combination of mimesis and mystery they have secured his place as one of the most admired artists in history. This monograph presents his astonishing catalogue with numerous spreads, ravishing details, and an essay exploring his outstanding ability to transform oil paint into life.

ESENCIAL, Narciso Casas - Muestra sus obras y secretos en las artes plásticas (Edición Color) Penguin

A century after his death, Egon Schiele continues to stun with his contorted lines, distorted bodies, and eroticism. This XXL-sized book features the complete catalogue of his paintings from 1909-1918. Nearly 600 illustrations are presented, many of them newly photographed, alongside expert insights and Schiele's personal writings in this...

Vermeer's Hat Princeton University Press

Through intricate detail and captivating compositions, Jan van Eyck was one of the most innovative Renaissance artists of the 15th century. Though only 25 surviving works are confidently attributed to him, his extraordinary recreation of reality highly influenced later generations of Early Netherlandish painters. Examine his masterful oil works...

Obra completa III Bloomsbury Publishing USA

30th ANNIVERSARY EDITION • NATIONAL BESTSELLER • In 1967, after a session with a psychiatrist

she'd never seen before, eighteen-year-old Susanna Kaysen was put in a taxi and sent to McLean Hospital. Her memoir of the next two years is a "poignant, honest ... triumphantly funny ... and heartbreaking story" (The New York Times Book Review). WITH A NEW INTRODUCTION BY THE AUTHOR The ward for teenage girls in the McLean psychiatric hospital was as renowned for its famous clientele—Sylvia Plath, Robert Lowell, James Taylor, and Ray Charles—as for its progressive methods of treating those who could afford its sanctuary. Kaysen's memoir encompasses horror and razor-edged perception while providing vivid portraits of her fellow patients and their keepers. It is a brilliant evocation of a "parallel universe" set within the kaleidoscopically shifting landscape of the late sixties. *Girl, Interrupted* is a clear-sighted, unflinching document that gives lasting and specific dimension to our definitions of sane and insane, mental illness and recovery.

Secret Knowledge Taschen

Este libro es un manual completo y como tal tiene carácter divulgativo y de síntesis. Está dirigido especialmente para estudiantes, académicos, aficionados, y amantes del arte por igual. En él se podrá acceder a toda su información relevante sobre el arte y técnicas diversas con actividades que pongan a prueba los conocimientos sobre cualquier aspecto que resulte interesante, desde el origen primitivo de la humanidad hasta los movimientos renovadores más importantes. El texto e ilustraciones proporcionan al lector la información necesaria para comprender y diferenciar los estilos, las obras o los artistas para percibir la belleza, del lenguaje artístico. El contenido de ésta obra es de explicar todo lo relacionado con las artes plásticas y lo he plasmado en diversas secciones: Historia del Arte, Historia de la pintura, Dibujo, Pintura, Restauración y conservación en obras de arte, Escultura, Arquitectura y Museos de España.

Frida Kahlo. The Complete Paintings CENDEAC

Vermeer's record of the tasks and duties of women The 35 paintings that have come down to us from the hand of Jan Vermeer (1632-1675) place him beside Rembrandt and Frans Hals as one of the great masters of the golden age of Dutch art. Most of his pictures (all of which are reproduced in this book) show women about their daily business. Vermeer records the tasks and duties of women, the imperatives of virtue under which their lives were lived, and the dreams that provided the substance of their contrasting counter-world. About the Series: Each book in TASCHEN's Basic Art series features: a detailed chronological summary of the life and oeuvre of the artist, covering his or her cultural and historical importance a concise biography approximately 100 illustrations with explanatory captions

Caravaggio Taschen

The New York Times bestselling novel by the author of Remarkable Creatures and The Last Runaway Translated into thirty-nine languages and made into an Oscar-nominated film, starring Scarlett Johanson and Colin Firth Tracy Chevalier transports readers to a bygone time and place in this richly-imagined portrait of the young woman who inspired one of Vermeer's most celebrated paintings. History and fiction merge seamlessly in this luminous novel about artistic vision and sensual awakening. *Girl with a Pearl Earring* tells the story of sixteen-year-old Griet, whose life is transformed by her brief encounter with genius . . . even as she herself is immortalized in canvas and oil.

Constructive Anatomy Silvana Editoriale

While many professional translators believe the ability to translate is a gift that one either has or does not have, Allison Beeby Lonsdale questions this view. In her innovative book, Beeby Lonsdale demonstrates how teachers can guide their students by showing them how insights from communication theory, discourse analysis, pragmatics, and semiotics can illuminate the translation process. Using Spanish to English translation as her example, she presents the basic principles of translation through 29 teaching units, which are prefaced by objectives, tasks, and commentaries for the teacher, and through 48 task sheets, which show how to present the material to students. Published in English.

Obra completa Bloomsbury Academic

The Flemish baroque painter Peter Paul Rubens, born on June 28, 1577, died May 30, 1640 was the most renowned northern European artist of his day, and is now widely recognised as one of the foremost painters in Western art history. This title looks at his work.

Wassily Kandinsky, 1866-1944 Taschen

Through more than 450 masterpieces, the author unfolds the story of 800 years of Western painting from Giotto, the Renaissance and Impressionism, to Pop Art and the present day.

Los respectivos alientos Fundación Jorge Guillén

Havana, 1957. On the same day that the Mafia capo Umberto Anastasia is assassinated in a barber's chair in New York, a hippopotamus escapes from the Havana zoo and is shot and killed by its pursuers. Assigned to cover the zoo story, Joaquín Porrata, a young Cuban journalist, instead finds himself embroiled in the mysterious connections between the hippo's death and the mobster's when a secretive zookeeper whispers to him that he "knows too much." In exchange for a promise to introduce the keeper to his idol, the film star George Raft, now the host of the Capri Casino, Joaquín gets information that ensnares him in an ever-thickening plot of murder, mobsters, and, finally, love. The love story is, of course, another mystery. Told by Yolanda, a beautiful ex-circus performer now working for the famed cabaret San Souci, it interleaves through Joaquín's underworld investigations, eventually revealing a family secret deeper even than Havana's brilliantly evoked enigmas. In *Dancing to "Almendra,"* Mayra Montero has created an ardent and thrilling tale of innocence lost, of Havana's secret world that is "the basis for the clamor of the city," and of the end of a violent era of fantastic characters and extravagant crimes. Based on the true history of a bewitching city and its denizens, *Almendra* is the latest "triumph" (Library Journal) from one of Latin America's most impassioned and intoxicating voices.

Vermeer. the Complete Works UNAM

The founder of abstract art The Russian painter Wassily Kandinsky (1866-1944), who later lived in Germany and France, is one of the pioneers of twentieth-century art. Nowadays he is regarded as

the founder of abstract art and is, moreover, the chief theoretician of this type of painting. Together with Franz Marc and others he founded the group of artists known as the "Blauer Reiter" in Munich. His art then freed itself more and more from the object, eventually culminating in the "First Abstract Watercolour" of 1910. In his theoretical writings Kandinsky repeatedly sought the proximity of music; and just as in music, where the individual notes constitute the medium whose effect stems from harmony and euphony, Kandinsky was aiming for a pure concord of colour through the interplay of various shades. Gauguin had demanded that everything "must be sacrificed to pure

colours". Kandinsky was the first to realise this and thus to influence a whole range of artists. About the Series: Each book in TASCHEN's Basic Art series features: a detailed chronological summary of the life and oeuvre of the artist, covering his or her cultural and historical importance a concise biography approximately 100 illustrations with explanatory captions
