From a Southern storyteller and National Book Award-winning author, essays on her childhood, influences, and thoughts on writing and life. Now, with this collection of essays, readers can explore the author of *Victory Over Japan* throughout her career. From the Mississippi plantation of her childhood to pieces featured in *Vogue*, *Outside*, *New Woman*, and *The Washington Post Sunday Magazine*, Gilchrist comes alive. With more than forty pictures, essays about Gilchrist's thoughts on writing, and a peek into the books, teachers, and artists that influenced her work, this is required

reading for any fan. "This book of "journals" is actually a carefully patterned quilt sewn of the author's NPR "entries" and a few assorted essays and speeches. Underlaid with a warm, subtle (sometimes precious) humor, these homey reflections on things near and far . . . manage, in their spare manner, to pare down to the deceptively simple truth of things. . . . This volume should provide welcome fare for Gilchrist fans."

Snapping Turtles: An Amazing Animal Picture Book about Snapping Turtles for Kids

Snappy the Snapping Turtle
Bantam Classics

A Mom's Choice Awards (R) Honoree. When Fred takes stepsons Max and Charles to Elliott Island for a day of crabbing, none of them are expecting to encounter anything out of the ordinary. But all bets are off when you drive out that long narrow road to the End of the World. An old woman gives them a giant snapping turtle to sell, and their day gets weird. And when they stumble across the same woman's gravestone--with her death date inscribed, but hidden in the ground--their trip becomes stranger still. As every answer leads to more questions, what starts as a "Boys' Day Out" becomes an adventure that will not soon be forgotten. "The Great

Snapping Turtle Adventure's title doesn't adequately reveal the wonderful read in store for young teens. Though billed as a mystery, it's actually a powerful ghost story - and young teens with affection for ghosts will find this a compelling story indeed." It begins when Fred takes his stepsons Max and Charles to an island for a day of crabbing. While this doesn't seem to portend much of an adventure, it turns into one when a strange old woman gives them a giant snapping turtle to sell, and when they stumble over her hidden grave and realize they may have just interacted with a ghost. "Every little town may have its own ghost and haunting story, but Max and Charles didn't

expect their own encounter or the mystery it brings up, which leads them on a chase through a small Eastern Shore water community and into the heart of both local environmental issues and a problem that tests two young detectives."Middle school readers will find the Maryland seaside setting, the challenges the two boys face, and both the mystery and the ramifications of the changing world around them to be thoroughly engrossing; a fine early introduction to the genres of mystery and environmental fiction."- D. Donovan, Midwest Book Review

Snapping Turtles

AuthorHouse

Most turtles are shy, peaceful water animals. Not the snapping turtle!

Snapping turtles are known for their bad attitudes and painful bite. They are protected by big, hard shells and beak-like jaws. These grumpy reptiles can live to be almost 50 years old. Readers will not only learn to stay away from these belligerent animals, but they will also gain insight into basic life science concepts.

The Eventful First Day of Five Brothers Snapping

Booklocker.com

This work of children's fiction is inspired by actual events. Author Gillian Bice creates an imaginative "what if" tale that depicts the travels and travails of five snapping turtle hatchlings as they embark upon a quest to find a body of water suitable to call home.

Snapping Turtles

First Snow

Snapsy the alligator is having a normal day when a pesky narrator steps in to spice up the story. Is Snapsy reading a book ... or is he making CRAFTY plans? Is Snapsy on his way to the grocery store ... or is he PROWLING the forest for defenseless birds and fuzzy bunnies? Is Snapsy innocently shopping for a party ... or is he OBSESSED with snack foods that start with the letter P?

What's the truth?

Snapsy the Alligator

Snow Reptile World

This a story that was

traditionally told to the

children by the Lakxota

grandmothers. It is a

story about Snapping

Turtle (Pxatkasha). Snapping Turtle leaves to go hunting and when he returns, he finds that an enemy tribe has come and stolen his wife. He goes to war and leaves on a journey to find his wife. He meets some characters along the way that join him to help rescue his wife. This is a story about what happens to Snapping Turtle and his friends as they journey to find Snapping Turtle's wife. You will get a chuckle at some of the characters he meets and you will feel bad about what happens to them. This is a story that includes both the English and Lakxota language version so you can learn the Lakxota language as you enjoy the story. It includes a language

test and answer key at the end of the book so you can test your knowledge or use it in a classroom to teach the lakxota language. If you are looking for teaching materials for the Lakxota language, please check out our other book "A Giant Teepee In The Sky". We will have Snapping Turtle Book II out later this year. Thank you for your interest in our books, happy reading.

Boys' Life Diversion Books

This volume synthesizes all that is known about the common snapping turtle to provide an up-to-date and comprehensive resource on the species' evolution, physiology, behavior, and life history.

Anthony C. Steyermark, Michael S.

Finkler, Ronald J. Brooks, and a team of experts detail the systematics, energetics, growth patterns, sex determination, and population genetics of snapping turtles and devote special attention to the fossil record of the snapping turtle family Chelydridae.

Press

"Simple text and photographs present Snapping Turtles, how they look, where they live, and what they do"--

Snapping Turtles

Simon and Schuster
In *Snapping Turtles*, beginning readers will follow a hungry snapper as it lures in prey with its worm-like tongue. Vibrant, full-color photos and carefully leveled text

will engage young readers as they discover the fascinating world of snapping turtles. A labeled diagram helps readers identify a snapping turtle's body parts, while a picture glossary reinforces new vocabulary. Children can learn more about snapping turtles online using our safe search engine that provides relevant, age-appropriate websites. *Snapping Turtles* also features reading tips for teachers and parents, a table of contents, and an index. *Snapping Turtles* is part of Jump! s Reptile World series.

Falling Through Space
Erin Go Bragh
Publishing
This book gives an engaging overview of snapping turtles, from their diet and habitat

to their powerful jaws for catching prey. Short paragraphs of easy-to-read text are paired with plenty of colorful photos to make reading engaging and accessible.

Snapping Turtles: Fun

Facts Book for Kids

Snapping Turtle

Penguin

Snapping Turtle knew Makisa would be his wife the first time he saw her. His only problem was, how could he make the daughter of a Shaman fall in love with a willing captive amongst her people? Although promised to another, Makisa felt the pull of her heartstrings when she first saw Snapping Turtle. It didn't matter if he was a captive, or

a free man, he made her feel differently than she had ever felt before. When her promised husband is banished because of his treatment of her, she turns to Snapping Turtle for love and security. With their marriage, and the child that is coming with the changing color of the leaves, one more obstacle stands in the way of their happiness. With the return of the buffalo, so will Makisa's brother, Atiko, and Snapping Turtle's brother, Hawk, return. Can their love stand the test of family loyalty?

The Great Snapping Turtle Adventure

Capstone

Snap! A young girl named Sally discovers an egg at Sole Tarry pond. She brings it home and out hatches

a snapping turtle that bites at everyone. Can Sally save her pet turtle from his anger and most importantly their relationship?
