## **HOLLAND JOURNEY**

---

**The Lauren Oliver Collection** Penguin  
Evocative of Alice in Wonderland, this novel from New York Times bestselling author Lauren Oliver is a bewitching story about the reaches of loyalty and the enduring power of hope. Perfect for fans of the author's other middle grade novels: Liesl & Po and the Curiosity House series. Looking across the breakfast table one morning, twelve-year-old Liza feels dread wash over her. Although her younger

brother, Patrick, appears the same, Liza knows that he is actually quite different. She is certain that the spindlers—evil, spiderlike beings—came during the night and stole his soul. And Liza is also certain that she is the only one who can rescue him. Armed with little more than her wits and a huge talking rat for a guide, Liza descends into the dark and ominous underground to save Patrick's soul. Her quest is far from easy: she must brave tree-snakes, the Court of Stones, and shape-shifting scawgs before facing her greatest challenge in the spindlers' lair, where more than just Patrick's soul is at

stake.

**Before I Fall** Harper Collins

Like Adam Silvera's *They Both Die at the End* and Colleen Hoover's *It Ends with Us*, *Before I Fall* raises thought-provoking questions about love, death, and how one person's life can affect so many others. With this stunning debut novel, New York Times bestselling author Lauren Oliver emerged as one of today's foremost authors of young adult fiction. For popular high school senior Samantha Kingston, February 12—"Cupid Day"—should be one big party, a day of valentines and roses and the privileges that come with being at

the top of the social pyramid. And it is...until she dies in a terrible accident that night. However, she still wakes up the next morning. In fact, Sam lives the last day of her life seven times, until she realizes that by making even the slightest changes, she may hold more power than she ever imagined. Before I Fall is now a major motion picture Zoey Deutch, Halston Sage, and Kian Lawley. Named to numerous state reading lists, the novel was also recognized as a Best Book of the Year by Amazon, Barnes & Noble, The Daily Beast, NPR, and Publishers Weekly.

**Even If I Fall** HarperCollins

A brilliant, authoritative, and fascinating history of America's most puzzling era, the years 1920 to 1933, when the U.S. Constitution was amended to restrict one of America's favorite pastimes: drinking alcoholic beverages. From its start,

America has been awash in drink. The sailing vessel that brought John Winthrop to the shores of the New World in 1630 carried more beer than water. By the 1820s, liquor flowed so plentifully it was cheaper than tea. That Americans would ever agree to relinquish their booze was as improbable as it was astonishing. Yet we did, and *Last Call* is Daniel Okrent's dazzling explanation of why we did it, what life under Prohibition was like, and how such an unprecedented degree of government interference in the private lives of Americans changed the country forever. Writing with both wit and historical acuity, Okrent reveals how Prohibition marked a confluence of diverse forces: the growing political power of the women's suffrage movement, which allied itself with the antiliquor campaign; the fear of small-town, native-stock Protestants that they were losing control of their country to the immigrants of the large cities; the anti-German sentiment stoked by World War I; and a variety of other unlikely factors, ranging from the rise of the automobile to the advent of the income tax. Through it all, Americans kept drinking, going to remarkably creative

lengths to smuggle, sell, conceal, and convivially (and sometimes fatally) imbibe their favorite intoxicants. *Last Call* is peopled with vivid characters of an astonishing variety: Susan B. Anthony and Billy Sunday, William Jennings Bryan and bootlegger Sam Bronfman, Pierre S. du Pont and H. L. Mencken, Meyer Lansky and the incredible—if long-forgotten—federal official Mabel Walker Willebrandt, who throughout the twenties was the most powerful woman in the country. (Perhaps most surprising of all is Okrent's account of Joseph P. Kennedy's legendary, and long-misunderstood, role in the liquor business.) It's a book rich with stories from nearly all parts of the country. Okrent's narrative runs through smoky Manhattan speakeasies, where relations between the sexes were changed forever; California vineyards busily producing "sacramental" wine; New England fishing communities that gave up fishing for the more lucrative rum-running business; and in Washington, the halls of Congress itself, where politicians who had voted for Prohibition drank openly and without apology. *Last Call* is capacious, meticulous, and thrillingly told. It stands as the most

complete history of Prohibition ever written and confirms Daniel Okrent's rank as a major American writer.

"A moving, captivating story about the bonds of family and the restorative power of love." —Tamara Ireland Stone, New York Times Bestselling author of *Little Do We Know* Brooke and Heath should never have become friends, let alone fallen in love. A year ago, Brooke Covington lost everything when her beloved older brother, Jason, confessed to the murder of his best friend, Calvin. Brooke and her family became social pariahs, broken and unable to console one another. Brooke's only solace remains the ice-skating rink where she works, but she no longer lets herself dream about a future skating professionally. When Brooke encounters Calvin's younger brother, Heath, on the side of the road and offers him a ride, everything changes. She needs someone to talk to...and so does Heath. No one else understands what it's like. Her brother, alive but gone; his brother, dead but everywhere. Soon, they're meeting in secret, despite knowing that both families

would be horrified if they found out. In the place of his anger and her guilt, something frighteningly tender begins to develop, drawing them ever closer together. But when a new secret comes out about the murder, Brooke has to choose whose pain she's willing to live with—her family's or Heath's. Because she can't heal one without hurting the other. Also by Abigail Johnson: *Every Other Weekend The First to Know If I Fix You*

Top Five Regrets of the Dying Catapult A heartfelt and wondrous debut about family, fear, and skateboarding, that Karen Russell calls "A bruiser of a tale . . . a death-defying coming-of-age story." Will has never been outside, at least not since he can remember. And he has certainly never gotten to know anyone other than his mother, a fiercely loving yet wildly eccentric agoraphobe who panics at the thought of opening the front door. Their world is rich and fun-loving—full of art, science experiments, and music—and all confined to their small house. But Will's thirst for adventure can't be contained. Clad in a protective helmet and unsure of how to talk to other kids, he finally ventures outside. At his new school he

meets Jonah, an artsy loner who introduces Will to the high-flying freedoms of skateboarding. Together, they search for a missing local boy, help a bedraggled vagabond, and evade a dangerous bootlegger. The adventure is more than Will ever expected, pulling him far from the confines of his closed-off world and into the throes of early adulthood, and all the risks that everyday life offers. In buoyant, kinetic prose, Michael Christie has written an emotionally resonant and keenly observed novel about mothers and sons, fears and uncertainties, and the lengths we'll go for those we love.

*Free to Fall* Speak

The New York Times bestselling author of *Before I Fall* and the *Delirium* trilogy makes her brilliant adult debut with this mesmerizing story in the tradition of *The Lovely Bones*, *Her Fearful Symmetry*, and *The Ocean at the End of the Lane*—a tale of family, ghosts, secrets, and mystery, in which the lives of the living and the dead intersect in shocking, surprising, and moving ways. Wealthy Richard Walker has just died, leaving behind his country house full of rooms packed with the detritus of a lifetime. His estranged family—bitter ex-wife Caroline, troubled teenage son Trenton, and unforgiving daughter Minna—have arrived for their inheritance. But the Walkers are not alone. Prim Alice and the cynical Sandra, long dead former residents bound to the house, linger within its claustrophobic walls. Jostling for space, memory, and supremacy, they observe the family, trading barbs and reminiscences about their past lives. Though their voices cannot be heard, Alice

and Sandra speak through the house itself—in the hiss of the radiator, a creak in the stairs, the dimming of a light bulb. The living and dead are each haunted by painful truths that will soon surface with explosive force. When a new ghost appears, and Trenton begins to communicate with her, the spirit and human worlds collide—with cataclysmic results. Elegantly constructed and brilliantly paced, *Rooms* is an enticing and imaginative ghost story and a searing family drama that is as haunting as it is resonant.

*Lean Fall Stand* Hachette UK

A thrilling and propulsive novel of an Antarctica expedition gone wrong and its far-reaching consequences for the explorers and their families "leaves the reader moved and subtly changed, as if she had become part of the story" (Hilary Mantel). Remember the training: find shelter or make shelter, remain in place, establish contact with other members of the party, keep moving, keep calm. Robert 'Doc' Wright, a veteran of Antarctic surveying, was there on the ice when the worst happened. He holds within him the complete story of that night—but depleted

by the disaster, Wright is no longer able to communicate the truth. Instead, in the wake of the catastrophic expedition, he faces the most daunting adventure of his life: learning a whole new way to be in the world.
