Drums Etc - V22-N6 - Nov-Dec 2010 Alfred Music Publishing

At long last, the secrets of Tower of Power drummer David Garibaldi's groundbreaking funk/jazz fusion drumming techniques are presented in this innovative book. Whether you play rock, heavy metal, jazz or funk, you'll learn how to incorporate Garibaldi's contemporary "linear" styles and musical concepts into your playing as you develop your own unique drumset vocabulary. Funk/Jazz techniques are highlighted in chapters on development of the "Two Sound Level" concept, Four-Bar Patterns, Groove Playing and Funk Drumming, followed by a series of challenging exercises which include 15 Groove Studies and 17 Permutation Studies. These techniques are combined with modern musical ideas that will help you build a solid foundation and add finesse to your bag of tricks.

Block Rockin' Beats" has tons of cool grooves and fills for the intermediate to advanced drummer. This book reflects recent musical trends by focusing on funky rock, hip hop, jungle and drum 'n' bass influenced patterns for the drum kit. As time marches on, popular music continues to evolve and change. "Block Rockin' Beats" is designed to give the drummer more ideas and tools to help function in a musical environment that was not only influenced by jazz, blues, gospel, country, soul, latin and funk styles - but also shaped by D.J.s, samplers and electronic music. Drummers are often

called upon now to replace or ad to programmed drums in the recording studio. for live shows, live drumming might be melded together with electronic elements or D.J.s, or both Rock and popular music are incorporating so many different elements and styles at this point, it's hard to keep track! Update your rhythmic vocabulary with some "Block Rockin' Beats.

'The BeatTips Manual' (Amir Said) is the definitive study of the art of beatmaking (hip hop production). Brilliantly divided into five major parts - a riveting History part, an extensive Instruction (how-to) part, an insightful Interviews part, which features exclusive interviews with DJ Premier, DJ Toomp, Marley Marl, 9th Wonder and more, an explosive Music Theory part, and a Business part - 'The BeatTips Manual' is robust, detailed, and comprehensive. Containing a sharp analysis of the origins of beatmaking, as well as its key aesthetics, principles, priorities, and predilections. 'The BeatTips Manual' is an incisive look at the art of beatmaking - and an intense read. Not only the most complete examination of the hip hop/rap music process, it's also among the leading studies of hip hop culture itself. Destined to expand and transform traditional ideas about musicians, musicianship, and musical processes, 'The BeatTips Manual' is one of the most important and innovative music studies ever published.

Neil Peart Alfred Music Publishing

The Big Gig is much more than just an intriguing and comprehensive insider's guide to breaking into the music industry as an independent musician. Compelling and thought-provoking, it is an excellent resource for leadership training, networking techniques, and personal development. The Big Gig is the first book that describes the inner workings of the highly competitive music industry as seen through the eyes of a world-renowned and highly successful musician. The Big Gig provides a template for success by covering the vocational, personal, and spiritual aspects of a musician's life. The Big Gig is much more than educational. It is inspirational, motivational, and life-changing. "Whether you aspire to tour with a rock band, play jazz in nightclubs, work in the studios, or perform with a symphony orchestra, there is information in this book that will help prepare you to make a living as a musician." - Rick Mattingly, Percussive Notes "What a fabulous resource Zoro has compiled here! . . . This is a great book that is going to help many young musicians and drummers (amongst others) achieve their dreams with integrity. Five Stars!" - DRUMscene Magazine "A great book which genuinely can help people, not just drummers."- mikedolbear.com "Bottom Line: I highly recommend this book and I only wish that I had it when I started out in the music business! Whether you are a musician who specializes in drums or any instrument, you need this book. Without it, you'll waste years of your life figuring out all of the things that Z has already neatly laid out for you."- Tigerbill.com
