The Girl Who Wrote in Silk Penguin

The year is 1915 and sixteen-year-old Eliza Williams has just arrived at the Billings School for Girls, the sister school of Easton Academy, founded to turn girls into dutiful wives. Eliza's parents expect her to learn the qualities needed to be a graceful and obedient wife, but Eliza has a dangerous secret... she's a witch! After finding a dusty, leather-bound spell book, Eliza forms a secret coven with eleven other Billings girls, disguising their gatherings as a literary society to keep their teachers from discovering the truth. Bonded in sisterhood, they cast spells - cursing the headmistress, giving blisters to boys with wandering hands and conjuring beautiful dresses out of rags. The girls taste

freedom and power for the first time, but what starts out as innocent fun turns into something more sinister when one of the spells has an unexpected - and deadly - consequence. Eliza realises that magic could bring her everything she's ever wanted... but it could also destroy everything she holds dear. But is it too late to stop what she's started?

Vanished Grand Central Publishing

Rory Miller thought her life was over when a serial killer set his sights on her and forced her into witness protection. But a fresh start on Juniper Landing Island was exactly what she and her family needed. For the first time in years she and her sister hang out at the beach, gossip about boys, and party together. She's also made friends with a local clique-including a magnetic and mysterious boy named Tristan. But Rory's world is about to change again. Picturesque Juniper Landing isn't what it seems.

The truth about the swirling fog that rolls in each morning, the bridge that leads to nowhere, and those beautiful locals who seem to watch Rory's every move is more terrifying than being hunted by Steven Nell. And all Rory ever wanted was the truth. Even if it means learning that she can never go home again. From the best-selling author of the Private and Privilege series comes the second novel in a heart-stopping trilogy about a girl who must pick up the pieces after the only life she's ever known ends.

The Princess & the Pauper Macmillan

Now streaming on Netflix and BBC iPlayer! The Breakfast Club meets Pretty Little Liars in Gretchen McNeil's sharp and thrilling sequel to Get Even. Perfect for fans of E. Lockhart, Karen M. McManus, and Maureen Johnson. The members of Don't Get Mad aren't just mad anymore . . . they're afraid. And with Margot in a coma and Bree under house arrest, it's up to Olivia and Kitty to try to catch their deadly tormentor. But just as the girls are about to go on the offensive, Ed the Head reveals a shocking secret that turns all their theories upside down. The killer could be anyone, and this time he—or she—is out for more than just revenge. The girls desperately try to discover the killer's identity as their own lives are falling apart: Donté is pulling away from Kitty and seems to be hiding a secret of his own, Bree is sequestered under the watchful eye of her mom's bodyguard, and Olivia's mother is on an emotional downward spiral. The killer is closing in, the threats are becoming more personal, and when the police refuse to listen, the girls have no choice but to confront their anonymous "friend" . . . or die trying.

Crab Moon Little, Brown Books for Young Readers

When she was nine, Megan Meade met a group of terrible, mean, Popsicle-goo-covered boys, the sons of her father's friend -- the McGowan boys. Now, seven years later, Megan's army doctor parents are shipping off to Korea and Megan is being sent to live with the little monsters, who are older now and quite different than she remembered them. Living in a house with seven boys will give Megan, who has never even been kissed, the perfect opportunity to learn everything there is to know about boys. And she'll send all her notes to her best friend, Tracy, in... Megan Meade's Guide to the McGowan Boys Observation #1: Being an army brat sucks. Except that this is definitely a better alternative to moving to Korea. Observation #2: Forget evil, laughing, little monsters. These guys have been touched by the Abercrombie gods. They are a blur of toned, suntanned perfection. Observation #3: I need a lock on my door. STAT. Observation #4: Three words: six-pack abs. Observation #5: Do not even get me started on the state of the bathroom. I'm thinking of calling in a hazmat team. Seriously. Observation #6: These boys know how to make enemies. Big time. Megan Meade will have to juggle a new school, a new family, a new crush -- on the boy next door, as in next bedroom door -- and a new life. Will she survive the McGowan boys?

Like a perfect day at the beach, Crab Moon leaves an indelible memory of a special adventure, and a quiet message about doing our part to preserve earth's oldest creatures. One June night, under the full moon, Daniel's mother wakes him up to see the extraordinary sight of horseshoe crabs spawning on the beach, just as they have every spring for an awesome 350 million years.

But when Daniel returns in the morning, he finds only one lonely crab, marooned upside down in the sand. Can he possibly save it? Like a perfect day at the beach, *Crab Moon* leaves an indelible memory of a special adventure between parent and child, and a quiet message about doing our part to preserve even earth's oldest creatures. Back matter includes a note about horseshoe crabs.

For every athlete or sports fanatic who knows she's just as good as the guys. This is for fans of *The Running Dream* by Wendelin Van Draanen, *Grace, Gold, and Glory* by Gabrielle Douglass and *Breakaway: Beyond the Goal* by Alex Morgan. The summer before Caleb and Tessa enter high school, friendship has blossomed into a relationship . . . and their playful sports days are coming to an end. Caleb is getting ready to try out for the football team, and Tessa is training for cross-country. But all their structured plans derail in the final flag game when they lose. Tessa doesn't want to end her career as a loser. She really enjoys playing, and if she's being honest, she likes it even more than running cross-country. So what if she decided to play football instead? What would happen between her and Caleb? Or between her two best friends, who are counting on her to try out for cross-country with them? And will her parents be upset that she's decided to take her hobby to the next level? This summer Caleb and Tessa figure out just what it means to be a boyfriend, girlfriend, teammate, best friend, and someone worth cheering for. 'A storyteller who could teach Scheherazade a thing or two about pace, suspense and imaginative invention'New York Times THE REAL MACBETH . . . It is the eleventh century and in the isles of Orkney a young boy is born. He is named Thorfinn, baptized as Macbeth. To the north are the warring Vikings and south lies Alba - the Scottish mainland. Orkney is the prize in between, and an unlikely place from which a young man might launch a bid as ruler of a united Scotland. Yet Thorfinn is unlike other men. He has a warrior's courage and the wiliness of the underdog. By his side stands his wife Groa, as shrewd and valiant as her husband. Together they will navigate the treacherous waters of the new millennium, uniting a divided nation and birthing a legend that will survive a thousand years. Thorfinn Macbeth will be King Hereafter . . . 'Stunning' Washington Post

The Mystery of a Hansom Cab Simon and Schuster

In order to finally claim her title of Chosen and lead the Shadow People out of the Land of Mist, Shanti must make it through a century's old system to test her battle awareness, her fighting skill, and her ability to stay alive. She's about to enter The Trials, and she must do it alone. Separated from Shanti on a dangerous

island, Cayan must learn to use his mental skill while keeping his men safe from the people set out to kill them. But as more Inkna and Graygual flood the island, Cayan hears of a sinister force deep in the woods, rigging The Trials and killing any who venture too close. It is now a race against time. The battle to become the Chosen has begun, and the victor is anything but decided.

Lief, Barda and Jasmine have two parts of the fabled Pirran Pipe. Now they must seek the final part on the emerald isle of Keras. The Pipe is their only chance of saving the thousands of Deltorans enslaved in the Shadowlands, for it is said to be the only thing the Shadow Lord fears in his own domain. But can the Pipe be made whole? And if it can, will its ancient magic still prevail against the enemy's sorcery? Or are the companions walking into a trap? Filled with doubts they move on, knowing that, whatever happens, their quest will end in the darkness and horror of the Shadowlands itself.

Deathwatch WaterBrook

In Book 3 in the Shadowlands trilogy, will Rory go to hell and back to save her family? Rory Miller didn't just fall in love with Tristan Parrish. She fell in love with the idea of forever. He was the one who told her the truth about her existence in Juniper Landing: that her mortal life is over, and she will now spend eternity on the island, helping others in limbo move on. But like Juniper Landing, a bright island with dark secrets, Tristan is too good to be true. The mysterious, heartbreakingly beautiful boy Rory thought she knew is responsible for unthinkable evil--sending good souls to the Shadowlands in order to get himself a second chance at life on Earth. He has already claimed Rory's friend Aaron and her own

father, but when Tristan sends her sister, Darcy, to the Shadowlands, too, Rory decides to take matters into her own hands. She will do anything to save her family, even if it means going to hell and back.

I Was a Non-Blonde Cheerleader Sky Pony

Now that Cheyenne's murderer has been revealed and Reed knows the truth about who's been stalking her, she's ready for a break. What better way to relax than on a five-star Caribbean vacation with the Billings Girls? New Jersey transplant and sassy brunette Annisa Gobrowski has a problem--literally everyone at her Florida high school is blonde. No lack of golden highlights is going to stop Annisa from making the cheerleading squad. But after accidentally breaking the most popular girl in school's nose, and discovering the cheerleaders all hate her, she starts having second thoughts. Is it too much to ask to land a spot on the team, win the heart of her dreamy crush and make tons of new friends? Annisa is on the verge of giving

up, but the cheerleader in her just won't let her quit. She may be a little different, but Sand Dune High had better watch out—this non-blonde is here to stay in this hilariously funny novel from Private author Kieran Scott.

Privilege Harper Collins

What if when you died, no one would ever know you were all that stood between man and the enemy? When Jonathan Tibbs awakes in a puddle of his own blood, there isn't a scratch on him to explain it. In the weeks to follow, he comes to find he's been drafted for a war with a violent otherworldly species. A war that only he can remember. Now, the man Jonathan imagined himself becoming is no longer the man who can endure his future. The first installment in this science fiction action adventure series, *The Never Hero* is a gritty and honest look at the psychological journey of a man forced to forge himself into a weapon.

Abandoned with little guidance, and at the mercy of a bargain struck far outside his reach, Jonathan races to unlock the means to surmount the odds, and understand the mystery behind a conflict raging outside of time and memory. In the end, the real question is what Jonathan is willing to become to save a planet that will never see his sacrifice.

The #1 New York Times bestselling (mostly true) memoir from the hilarious author of *Furiously Happy*. "Gaspingly funny and wonderfully inappropriate."—O, The Oprah Magazine When Jenny Lawson was little, all she ever wanted was to fit in. That dream was cut short by her fantastically unbalanced father and a morbidly eccentric childhood. It did, however, open up an opportunity for Lawson to find the humor in the strange shame-spiral that is her life, and we are all the better for it. In the irreverent *Let's Pretend This Never Happened*, Lawson's long-suffering husband and sweet daughter help her uncover the surprising discovery that the most terribly human moments—the ones we want to pretend never happened—are the very same moments that make us the people we are today. For every intellectual misfit who thought they were the only ones to think the things that Lawson dares to say out loud, this is a poignant and hysterical look at the dark, disturbing, yet wonderful moments of our lives. A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling

friend or loved one without the fear that depression and suicidal thoughts will be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church
What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J.

Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.
