Wipe-Clean Telling the Time 7-8 NewPath Learning

Telling time becomes clear and easy for young readers in this bright and lively introduction to measurements of time.

From seconds to minutes, hours to days, exploring what time is and discovering why we need to tell time, helps young readers understand more than 'the big hand is on the one and the little hand is on the two'. Megan Halsey's playful illustrations depict imaginative digital and analog clocks that range in design. With the help of a whole lot of clocks, a dash of humor, and a few familiar circumstances, learning to tell time is a lot of fun. It's about time. Time for School Activity Book Maths Activity Books A fun first guide to how to tell time, this bright and bold lift-the-flap activity book features a clock with moveable hands! Telling time is a key topic for early learners. This charming and colorful book helps kids understand the basics of telling time. Fully interactive, the book features lift-the-flap puzzles that help kids to relate telling the time to everyday life - posing questions such as "It's 8:15 - is it time for breakfast?," "Does it take 2 minutes to brush your teeth?." How to Tell Time introduces kids to how we measure time using seconds, minutes, hours, days, months, and years.

It gets kids learning to tell and write the time to the nearest five minutes. There is a flap attached to the front jacket that opens to reveal an amazing clock with moveable hands. Quiz questions that relate to the clock are found sprinkled throughout the book, encouraging kids to move the hands on the clock face and tell the correct time. Telling time is often a subject that children find hard to grapple with. This book is just what those children need, as it tackles the subject in a fully interactive and playful way.
