Have you ever wondered what you were created to do? You may think you have an idea, but aren't positive that you are

fulfilling the purpose for which God created you. First of all, you have to find the unique purpose that He created you for. In his new book, Andrew Wommack teaches you how to do just that. Once you find the will of God for... *A Better Way to Pray* Harrison House

If you're honest, you'll admit you want to be promoted in life. You want the benefits of success, influence, and prosperity,

and there's nothing wrong with that. It's what God wants for you too!

Promotion even comes from God, and though relative to what God has called each person to do, it is available to every born-again believer! But even though promotion comes from God, it isn't God who determines whether you are promoted or not. It's you. You choose to be promoted by choosing to develop an

excellent spirit, and in this book, Andrew Wommack will show you how. Using examples from the lives of Daniel and his friends, and from his own life, Andrew outlines the key characteristics of excellence including identity in Christ, true humility, full obedience, endurance, and an uncompromising stand on God's word. In contrast, Andrew also explains the dangers of

moral relativity and man-pleasing and how those characteristics often mire believers in a life of mediocrity and impotence. Personal talent, beauty, education, and intelligence are also not what produce promotion; it is a devoted relationship with God. No matter how much money you make or where you live; no matter who your connections are or the color of your skin; it's an

excellent spirit that will be the true determiner of your promotion. Let Andrew's book encourage you to pursue Excellence. **Called Out** Destiny Image Publishers Difficult situations have a way of revealing the heart. Extreme financial pressure, a broken family relationship, or the death of a loved one may be a crisis to one person, while to another, an opportunity to prove the power of

God's Word. What's the difference? That's the question Andrew will answer in this book. He speaks straight...

 Everyone views life through a filter. The Bible calls that your philosophy. It's the way you think and it controls the outcome of your life. Ask yourself, do you believe the bible is

the infallible and inspired word of God? Do you believe there is only one way to God? Is God good or judgmental? Does He control your destiny or is that up to...

 Probably one of the most well-known characters in the Bible is David. He grew up a shepherd boy and defeated a giant named Goliath and then went on to be King of Israel. While king, David

made some serious mistakes. However, David didn't try to place the blame on other people. He took responsibility and shouldered the blame himself. By...

 After nearly four decades of ministry, Andrew Wommack has discovered some important truths about prayer. His prayer life is much different than it was thirty years ago and the

results have dramatically improved! You may be asking many of the same questions Andrew once did. Is prayer my Christian duty? Is prayer primarily about asking God to meet my needs and the needs of others? Is God's answer to my prayer based on the degree of my humility and sincerity? Is answered prayer a sovereign decision of God or do I have the ability to influence Him?

Clear, scriptural answers to these questions and more could significantly change the way you pray. These principles may not be the only way to pray, but if you're not getting the results you desire, consider changing directions; maybe there is A Better Way to Pray. Are You Satisfied with Jesus? Christian Fellowship Publishers The chapters in this volume

on the nature of Spiritual Authority are drawn from a series of messages delivered by the great Chinese preacher-teacher, Watchman Nee, during a training period for Christian workers in China in 1948. Hardness of Heart Destiny Image Publishers Have you ever wondered what you were created to do? You may think you have an idea but aren't positive that you are fulfilling the purpose for

which God created you. First of all, you have to find the unique purpose that He created you for. In his new book, Andrew Wommack teaches you how to do just that. Once you find the will of God for your life, then you will have the assurance and joy that comes from knowing exactly where God wants you to be. As you follow the will of God for your life allows you to set goals and purposely seek after what God has

created you to do. Andrew teaches you that the number one way that we learn to follow Gods will is to simply put God first. When you put Him first then the desire of your heart changes to match up with His. Lastly, Andrew teaches how to fulfill the will of God in your life. Its one thing to find Gods will and start moving in the right direction, but its something else to stay at it over the long haul.

Anybody can start, but its the people who finish that really make a difference. Finishing is more important than starting, and it is only through faith and patience that you inherit Gods promises.
