Bad Kids Harper Collins

You're Never Too Young to Fight Censorship! In *Ban This Book* by Alan Gratz, a fourth grader fights back when *From the Mixed-Up Files of Mrs. Basil E. Frankweiler* by E. L. Konigsburg is challenged by a well-meaning parent and taken off the shelves of her school library. Amy Anne is shy and soft-spoken, but don't mess with her when it comes to her favorite book in the whole world. Amy Anne and her lieutenants wage a battle for the books that will make you laugh and pump your fists as they start a secret banned books locker library, make up ridiculous reasons to ban every single book in the library to make a point, and take a stand against censorship. *Ban This Book* is a stirring defense against censorship that's perfect for middle grade readers. Let kids know that they can make a difference in their schools, communities, and lives! "Readers, librarians, and all those books that have drawn a challenge have a brand new hero.... Stand up and cheer, book lovers. This one's for you." —Kathi Appelt, author of the

Newbery Honor-winning *The Underneath* "Ban This Book is absolutely brilliant and belongs on the shelves of every library in the multiverse."—Lauren Myracle, author of the bestselling *Internet Girls* series, the most challenged books of 2009 and 2011 "Quick paced and with clear, easy-to-read prose, this is a book poised for wide readership and classroom use."—Booklist "A stout defense of the right to read." —Kirkus Reviews "Gratz delivers a book lover's book that speaks volumes about kids' power to effect change at a grassroots level." —Publishers Weekly At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

On This Day in History Macmillan

Enjoy delicious, affordable comfort meals with *Good Food for Bad Days*, a collection of easy dishes to make when you're in low spirits. From Jack Monroe, campaigner and bestselling author of *Tin Can Cook*. With a foreword by Matt Haig. 'Jack Monroe is a force for good in the world' - Nigella Lawson Eating properly is one of the biggest hurdles when you're feeling low, so these recipes (dubbed 'depressipes' by Jack) give you everything you need in a dish; they are inexpensive, simple and filling, so that cooking and eating a nutritious meal doesn't seem like an

impossible task. The seventy-five comforting recipes in this collection include Quick and Spicy Noodles, Recalibration Supper, Jaffa Cake Mug Pudding and Hot Apple Pies. In this handy little paperback cookbook, Jack shares friendly and creative tips for making a little go a long way and for using store-cupboard ingredients – perfect for when you're feeling overwhelmed by whatever is on your plate, but still want to take care of yourself. 'This book will be a friend to you when life is hard' – Matt Haig, author of *Reasons to Stay Alive*

More Bad Days in History Disney Electronic Content

On which day was history's shortest war waged and won (in roughly 40 minutes)? How was Napoleon bested by a group of rabbits in 1807? Why did a dispute about beer in an Oxford pub lead to over 100 deaths and 470 years of penance? Why in 1752 did Britain go to bed on 2nd September and wake up on the 14th? How did a women's march in 1917 set off the Russian Revolution? On *This Day in History* brings to life a key event that happened on each day of the year. From the most important British battle that you've never heard of (20 May 685) to the first meeting of Lennon and McCartney (6 July 1957), and from why Julius Caesar should have been wary of the Ides of March (15 March 44BC) to the day Jeanne de Clisson became a pirate and single-handedly declared war on the King of France (2 August 1343), history is full of unlikely heroes and fascinating turning points. In this book Dan Snow shows us how each day offers a different and unexpected insight into our past. And story by gripping story, this year grows into a vivid, very human history of the world.

A People's History of the United States Scholastic Inc.

The author of *Reading the OED* presents an eye-opening look at language "mistakes" and how they came to be accepted as correct—or not. English is a glorious mess of a language, cobbled together from a wide variety of sources and syntaxes, and changing over time with popular usage. Many of the words and usages we embrace as standard and correct today were at first considered slang, impolite, or just plain wrong. Whether you consider yourself a stickler, a nitpicker, or a rule-breaker in the know, *Bad English* is sure to enlighten, enrage, and perhaps even inspire. Filled with historic and contemporary examples, the book chronicles the long and entertaining history of language mistakes, and features some of our most common words and phrases, including: Decimate Hopefully Enormity That/which Enervate/energize Bemuse/amuse Literally/figuratively Ain't Irregardless Socialist OMG Stupider Lively, surprising, funny, and delightfully readable, this is a book that will settle arguments among word lovers—and it's sure to start a few, too.

A Tale of Two Cities Illustrated by (Hablot Knight Browne (Phiz)) Simon and Schuster

The "lucid, funny and darkly alive" (Daisy Lafarge) debut novel from the Booker-shortlisted, Giller Prize-winning author of *Study for Obedience*. A woman leaves the man she lives with and moves to a low stone cottage in a university town. She joins an academic department and, high up in her office on the thirteenth floor, begins a research project on the poet Paul Celan. She knows nothing of Celan, still less of her new neighbours or colleagues. She is in self-imposed exile, hoping to find dignity in her loneliness. Like everywhere, the abiding feeling in the city is one of paranoia. The weather is deteriorating, the ordinary lives of women are in peril, and an unexplained curfew has been imposed. But then she meets Clara, a woman who is her exact opposite: decisive, productive, and assured. As their friendship grows in intimacy Clara suggests another way of living—until an act of violence threatens to sever everything between them. A penetrating portrait of feminine vulnerability and cruelty, Sarah Bernstein's extraordinary debut is intelligent, brutal, sure, and

devastatingly funny.

Bad Gays Union Square Press

Former White House chief of staff recounts his bouts with non-Hodgkins lymphoma, melanoma, and prostate cancer.

A Good Book for a Bad Day Purdue University Press

It's the first day of school, and Camilla discovers that she is covered from head to toe in stripes, then polka-dots, and any other pattern spoken aloud! With a little help, she learns the secret of accepting her true self, in spite of her peculiar ailment.

A Bad Case of Stripes Penguin

A warming practical book full of advice, suggested activities and encouraging messages to help young children (5-9 years) express and cope with their emotions, to reassure them about handling situations and to raise their self-esteem. With a repetitive mantra that: The good thing about bad days is-that they come to an end. Space is provided for children to draw or jot down their thoughts and responses. Scattered throughout are verses from Psalms and other books of the Bible, and quotations from other sources.

There is a parent section providing additional advice by Dr Claire Parsons, a Christian GP, and a list of websites and contacts as resources and support for children and parents.

Alexander and the Terrible, Horrible, No Good, Very Bad Day Simon and Schuster

A foundational text in the Seventh Day Adventist church, The Great Controversy is a vision White had of the great battle between Christ and Satan throughout the ages of the early and modern church. Although the book is not held with as high esteem in Protestant circles, it still is able to outline a way of impactful theological thinking.

The Good Thing about Bad Days Scholastic Inc.

OH NO!!! You found The Worst Book in the Whole Entire World! Well, since you're already here I may as well tell you about it... Poor Nameless tries to explain to the reader why this book is simply the WORST book in the whole entire world. Will he succeed in his noble quest? Is he the reason this book is the worst?? Will it have a happy ending or the worst ending ever??? The Worst Book in the Whole Entire World is a humorous and witty tale for young and seasoned readers. Whatever you do though, don't read it out loud! You may catch wind of these words: toot, stinky, booger, and booty. You've been warned, but you'll still want to see what happens next!

Bad Girls Throughout History Spectra

For many, especially those on the political left, the 1950s are the "bad old days." The widely accepted list of what was allegedly wrong with that decade includes the Cold War, McCarthyism, racial segregation, self-satisfied prosperity, and empty materialism. The failings are coupled with ignoring poverty and other social problems, complacency, conformity, the suppression of women, and puritanical attitudes toward sex. In all, the conventional wisdom sees the decade as bland and boring, with commonly accepted people paralyzed with fear of war, Communism, or McCarthyism, or all three. Alan J. Levine, shows that the commonly accepted picture of the 1950s is flawed. It distorts a critical period of American history. That distortion seems to be dictated by an ideological agenda, including an emotional obsession with a sentimentalized version of the 1960s that in turn requires maintaining a particular, misleading view of the post-World War II era that preceded it. Levine argues that a critical view of the 1950s is embedded in an unwillingness to realistically evaluate the evolution of American society since the 1960s. Many--and not only liberals and those further to the left--desperately desire to avoid seeing, or admitting, just how badly many things have gone in the United States since the 1960s. *Bad Old Days* shows that the conventional view of the 1950s stands in opposition to the reality of the decade. Far from being the dismal

prelude to a glorious period of progress, the postwar period of the late 1940s and 1950s was an era of unprecedented progress and prosperity. This era was then derailed by catastrophic political and economic misjudgments and a drastic shift in the national ethos that contributed nothing, or less than nothing, to a better world.

No Such Thing as a Bad Day Rutgers University Press

A toe curling, laugh out loud collection of worst day disasters. I'd always rolled my eyes when people describe things as 'happening in slow motion'. Surely everything happens in regular time and it's only when you replay it in your head that it seems to slow down? But as the car lurched forward and I found myself sailing through the back of the garage, I finally understood what they meant. When a trip to meet his new girlfriend's grandparents ends in disaster (think a crashed ute, an angry wasp and a cranky farmer with a shotgun), Thomas Mitchell knows one thing for sure: bad days make for great stories. While we might not like to admit it, we can't help but find a sneaky pleasure in other people's misfortune. It's the reason fail compilations rack up millions of views on YouTube or television shows like Funniest Home Videos exist at all. Deep down we're addicted to the downfall of our fellow humans, and if there was ever a point in history when we needed a laugh, it's now. Today I F***D Up is a collection of tall tales but true that are equal parts hilarious and horrifying; a timely reminder that no matter how terrible things get, they could always be worse. So much worse. Praise for Today I F***D Up 'Today I F***d Up turns disaster, catastrophes, abject humiliation and pure mortification into gold. Essential reading for anyone who's been there as many times as I have. Read the book, and you'll laugh for sure, and you just might also cry.' Markus Zusak 'You know those days where everything goes wrong? We've all had them and now Thomas Mitchell has written a book about them. It's very funny. You can do what we love to do the most... laugh at other people's expense.' Larry Emdur 'If you're in need of a good laugh do yourself a favour and give it a read.' Francesca Hung 'Thomas Mitchell has written a book. He says it's hilarious and I concur!' Samantha Armytage 'I'm reading this - it's so good. Thomas Mitchell is very funny. And talented. If you want a laugh and a great read - can't recommend it enough.' Sally Obermeder 'He's hilarious!' Kylie Gillies 'Ever had a bad day? It's nothing compared to the hilarious stories in this book. Filled to the brim with stories about dating, sex, losing your job, capitulating in a job interview and accidentally throwing a house party (we've all been there), Mitchell has compiled the best of the best for your enjoyment.' Pop Sugar 'Bad day? This book will help you feel 100 per cent better about your life choices.' TV WEEK

The Coming Bad Days HarperChristian + ORM

National Geographic author Michael Farquhar uncovers an instance of bad luck, epic misfortune, and unadulterated mayhem tied to every day of the year. From Caligula's blood-soaked end to hotelier Steve Wynn's unfortunate run-in with a priceless Picasso, these 365 tales of misery include lost fortunes (like the would-be Apple investor who pulled out in 1977 and missed out on a \$30 billion-dollar windfall), romance gone wrong (like the 16th-century Shah who experimented with an early form of Viagra with empire-changing results), and truly bizarre moments (like the Great Molasses Flood of 1919). Think you're having a bad day? Trust us, it gets worse.

Mad, Bad & Dangerous to Know Soho Press

Recounts the events of a day when everything goes wrong for Alexander. Suggested level: junior, primary.

Bad Days in History Lulu.com

Bad Girls Throughout History: 100 Remarkable Women Who Changed the World delivers an empowering book for women and girls of all ages, featuring 100 women who made history and

made their mark on the world, it's a best-selling book you can be proud to display in your home. The 100 revolutionary women highlighted in this gorgeously illustrated book were bad in the best sense of the word: they challenged the status quo and changed the rules for all who followed. Explored in this history book, include: • Aphra Behn, first female professional writer. • Sojourner Truth, women's rights activist and abolitionist. • Ada Lovelace, first computer programmer. • Marie Curie, first woman to win the Nobel Prize. • Joan Jett, godmother of punk. From pirates to artists, warriors, daredevils, women in science, activists, and spies, the accomplishments of these incredible women who dared to push boundaries vary as much as the eras and places in which they effected change. Featuring bold watercolor portraits and illuminating essays by Ann Shen, *Bad Girls Throughout History* is a distinctive, gift-worthy tribute to rebel girls everywhere. A lovely gift for teen girls, stories to share with a young girl at bedtime, or a book to display on a coffee table, everyone will enjoy learning about and celebrating the accomplishments of these phenomenal women.

The Years of Rice and Salt Simon and Schuster

Bad Guys in American History recounts the events related to our country's most compelling outlaws, from colonial times to the 1930s. Complete with photographs of the outlaws and their haunts, this book investigates some of American history's most infamous acts and informs readers where they happened and how to visit those sites today. Both a history book and a travel guide, *Bad Guys in American History* shines a revealing light on the dark side of America's past.

The Encyclopaedia Britannica National Geographic Books

A Tale of Two Cities (1859) is the second historical novel by Charles Dickens, set in London and Paris before and during the French Revolution. It depicts the plight of the French proletariat under the brutal oppression of the French aristocracy in the years leading up to the revolution, and the corresponding savage brutality demonstrated by the revolutionaries toward the former aristocrats in the early years of the revolution. It follows the lives of several protagonists through these events, most notably Charles Darnay, a French once-aristocrat who falls victim to the indiscriminate wrath of the revolution despite his virtuous nature, and Sydney Carton, a dissipated English barrister who endeavours to redeem his ill-spent life out of love for Darnay's wife, Lucie Manette.

Bad Old Days Knopf Canada

With the same unique vision that brought his now classic *Mars Trilogy* to vivid life, bestselling author Kim Stanley Robinson boldly imagines an alternate history of the last seven hundred years. In his grandest work yet, the acclaimed storyteller constructs a world vastly different from the one we know. . . . "A thoughtful, magisterial alternate history from one of science fiction's most important writers."—The New York Times Book Review It is the fourteenth century and one of the most apocalyptic events in human history is set to occur—the coming of the Black Death. History teaches us that a third of Europe's population was destroyed. But what if the plague had killed 99 percent of the population instead? How would the world have changed? This is a look at the history that could have been—one that stretches across centuries, sees dynasties and nations rise and crumble, and spans horrible famine and magnificent innovation. Through the eyes of soldiers and kings, explorers and philosophers, slaves and scholars, Robinson navigates a world where Buddhism and Islam are the most influential and practiced religions, while Christianity is merely a historical footnote. Probing the most profound questions as only he can, Robinson shines his extraordinary light on the place of religion, culture, power—and even love—in this bold New World. "Exceptional and

engrossing.”—New York Post “Ambitious . . . ingenious.”—Newsday

The Bad Old Days of Colorado Penguin

Entertaining but authoritative, *Bad History* debunks a wealth of historical errors. In doing so, it exposes many falsehoods that have wrongly - and sometimes dangerously - influenced our understanding of the world's history.

You Never Forget Your First Chronicle Books

These “very funny-deep dives into the lives of the most dastardly queer people in history” offer a passionate argument for rethinking gay politics beyond identity (Vogue). What can we learn from the homosexual villains, failures, and baddies of our past? We all remember Oscar Wilde, but who speaks for Bosie? What about those ‘bad gays’ whose unexemplary lives reveal more than we might expect? Many popular histories seek to establish homosexual heroes, pioneers, and martyrs but, as Huw Lemmey and Ben Miller argue, the past is filled with queer people

whose sexualities and dastardly deeds have been overlooked despite their being informative and instructive. Based on the hugely popular podcast series of the same name, *Bad Gays* asks what we can learn about LGBTQ+ history, sexuality and identity through its villains, failures, and baddies. With characters such as the Emperor Hadrian, anthropologist Margaret Mead and notorious gangster Ronnie Kray, the authors tell the story of how the figure of the white gay man was born, and how he failed. They examine a cast of kings, fascist thugs, artists and debauched bon viveurs. Imperial-era figures Lawrence of Arabia and Roger Casement get a look-in, as do FBI boss J. Edgar Hoover, lawyer Roy Cohn, and architect Philip Johnson. Together these amazing life stories expand and challenge mainstream assumptions about sexual identity: showing that homosexuality itself was an idea that emerged in the 19th century, one central to major historical events. *Bad Gays* is a passionate argument for rethinking gay politics beyond questions of identity, compelling readers to search for solidarity across boundaries.
