The story of Texas is the story of struggle and triumph in a land of extremes. It is a story of drought and flood, invasion and war, boom and bust, and of the myriad peoples who, over centuries of conflict, gave rise to a place that has helped shape

the identity of the United States and the destiny of the world. "I couldn't believe Texas was real," the painter Georgia O'Keeffe remembered of her first encounter with the Lone Star State. It was, for her, "the same big wonderful thing that oceans and the highest mountains are." Big Wonderful Thing invites us to walk in the footsteps of ancient as well as modern people along

the path of Texas's evolution. Blending action and atmosphere with impeccable research, New York Times best-selling author Stephen Harrigan brings to life with novelistic immediacy the generations of driven men and women who shaped Texas, including Spanish explorers, American filibusters, Comanche warriors, wildcatters, Tejano activists, and spellbinding artists—all of them taking their part in the creation of a place that became not just a nation, not just a state, but an indelible idea. Written in fast-paced prose, rich with personal observation and a passionate sense of place, *Big Wonderful Thing* calls to mind the literary spirit of Robert Hughes writing about

Australia or Shelby Foote about the Civil War. Like those volumes it is a big book about a big subject, a book that dares to tell the whole glorious, gruesome, epically sprawling story of Texas.

Amazing Texas

University of Texas Press

In this updated 2nd edition of *Texas Fruit & Vegetable Gardening*, you'll find much-needed advice and practical tips on growing an edible garden, no matter which part of The Lone Star State you call home. Growing in Texas isn't easy. It's either too hot, too cold, too wet, or too dry. The state ranges from a cold winter climate in the north to an almost tropical one in the south. And it goes from

very alkaline limestone soils in the Hill Country to extremely acidic soils in East Texas. That's why this region-specific garden guide is a must-have for every Texas gardener! Seasoned horticulturist, conservationist, garden writer, and seventh-generation Texan Greg Grant simplifies the ins and outs of Texas gardening and serves as your guide to success. Regardless of whether you're tending an in-ground plot, a small container garden, or a series of raised beds, *Texas Fruits & Vegetable Gardening* is an invaluable resource. From soil preparation and starting seeds to fertilizer tips and techniques for safely managing Texas's most troublesome

vegetable garden pests, you'll find all the answers you're looking for. Inside, you'll find detailed profiles of over 60 edible plants that thrive in Texas's distinctive growing conditions, including favorites like cantaloupe, tomatoes, collards, summer squash, okra, and pomegranates. In addition to vegetables and fruits, also featured are popular herbs and even edible nuts. Helpful charts and planting graphs keep you on track, while the garden maintenance tips found throughout ensure a lush, productive, and high-yielding garden. Regardless of whether you're a first-time grower or an experienced Master Gardener, the modern varieties and well-

researched gardening information found here will have you going from seed to harvest with confidence and know-how. *Texas Fruit & Vegetable Gardening* is part of the regional Fruit & Vegetable Gardening series from Cool Springs Press. Other books in the series include *California Fruit & Vegetable Gardening*, *Mid-Atlantic Fruit & Vegetable Gardening*, *Carolinas Fruit & Vegetable Gardening*, and many others.

The Amazing Faith of Texas University of Texas Press
A Good Morning America Book Club Pick! • A bighearted novel with technicolor characters, plenty of Texas swagger, and a powder keg of a plot in which marriages struggle, rivalries flare,

and secrets explode, all with a clever wink toward classical mythology. For fans of Madeline Miller's *Circe*: "The Iliad meets Friday Night Lights in this muscular, captivating debut" (Oprah Daily). The Briscoe family is once again the talk of their small town when March returns to East Texas two years after he was caught having an affair with his brother's wife. His mother, June, hardly welcomes him back with open arms. Her husband's own past affairs have made her tired of being the long-suffering spouse. Is it, perhaps, time for a change? Within days of March's arrival, someone is dead, marriages are upended, and even the strongest of alliances are shattered. In the

end, the ties that hold them together might be exactly what drag them all down. An expansive tour de force, *Olympus*, Texas cleverly weaves elements of classical mythology into a thoroughly modern family saga, rich in drama and psychological complexity. After all, at some point, don't we all wonder: What good is this destructive force we call love?

Texas on the Table

Harlequin

State birds, flowers, trees, and animals brought to board book form for the youngest book lovers. Toddlers will delight in these books filled with rhyming riddles framed by brightly painted clues, introducing elements that make each state so special.

Art Martínez de Vara's
Tejano Patriot: The Revolutionary Life of

José Francisco Ruiz, 1783–1840 is the first full-length biography of this important figure in Texas history. Best known as one of two Texas-born signers of the Texas Declaration of Independence, Ruiz’s significance extends far beyond that single event. Born in San Antonio de Béxar into an upwardly mobile family, during the war for Mexican independence Ruiz underwent a dramatic transformation from a conservative royalist to one of the staunchest liberals of his era. Steeped in the Spanish American liberal tradition, his revolutionary activity included participating in three uprisings, suppressing two others, and enduring extreme personal sacrifice for the liberal

republican cause. He was widely respected as an intermediary between Tejanos and American Indians, especially the Comanches. As a diplomat, he negotiated nearly a dozen peace treaties for Spain, Mexico, and the Republic of Texas, and he traveled to the Imperial Court of Mexico as an agent of the Comanches to secure peace on the northern frontier. When Anglo settlers came by the thousands to Texas after 1820, he continued to be a cultural intermediary, forging a friendship with Stephen F. Austin, but he always put the interests of Béxar and his fellow Tejanos first. Ruiz had a notable career as a military leader, diplomat, revolutionary,

educator, attorney, arms dealer, author, ethnographer, politician, Indian agent, Texas ranger, city attorney, and Texas senator. He was a central figure in the saga that shaped Texas from a remote borderland on New Spain's northern frontier to an independent republic.

 Recipes from eighty of the most popular cookbooks in Texas are included in this comprehensive volume of superb Texas cooking. Catalog section provides descriptions for each of the eighty contributing cookbooks.

Tejano Patriot
 University of Texas Press
 Most armadillos are happy scratching sand

and eating, but Bo longs for adventure. And adventure Bo gets, the day Harmony Jean breaks in her brand-new chili-pepper-red cowboy boots by the banks of Can Creek. Peering out across the creek bed, Bo is sure he's spotted a rip-roarin', rootin'-tootin', shiny red armadillo! Bo's off and running after his new friend--right down to the Curly H Rodeo. There Bo gets to do all the things he's dreamed of doing: he rides a bronc, eats red-hot chili peppers, and even tries the two-step. Bo is ready to follow his pal off into the sunset, but he is about to discover his new friend is no ordinary armadillo. Jan Brett turns her considerable storytelling talents toward the Texas

countryside in this warm and funny story of an armadillo on his own. Luckily, Ma Armadillo and her boys are searching for Bo in the borders to bring him back home.

The Great Texas Wedding Bargain

University of Texas Press

Girls on the Western Frontier were expected to care for younger children, cook and clean, wash clothes, milk cows, tend gardens, and round up wandering herds in a harsh and unfamiliar landscape. Their stories, often taken from their first-hand accounts of trips on Western trails and journals kept during their few free hours, have been inspiring generations of young women and entertaining readers of

all ages. Amazing Texas Girls tells the stories of notable girls who spent most or all of their childhood in Texas And shaped the history of the Lone Star State. Although from different cultures, economic status, education, and notoriety, all displayed an indomitable Texas spirit. Each chapter tells the story of a girl's life (17 years old or younger), offering complete biographical information, but focusing on the girl's remarkable childhood. Readers will never forget these stories of real girls who conquered the West in their own style.

“When Barbara Jordan talked, we listened.”

—Former President of

the United States, Bill Clinton
Congresswoman
Barbara Jordan had a big, bold, confident voice—and she knew how to use it! Learn all about her amazing career in this illuminating and inspiring picture book biography of the lawyer, educator, politician, and civil rights leader. Even as a child growing up in the Fifth Ward of Houston, Texas, Barbara Jordan stood out for her big, bold, booming, crisp, clear, confident voice. It was a voice that made people sit up, stand up, and take notice. So what do you do with a voice like that? Barbara took her voice to places few African American women had been in the 1960s: first law school, then the Texas state

senate, then up to the United States congress. Throughout her career, she persevered through adversity to give voice to the voiceless and to fight for civil rights, equality, and justice. New York Times bestselling author Chris Barton and Caldecott Honoree Ekua Holmes deliver a remarkable picture book biography about a woman whose struggles and mission continue to inspire today.

All things Texas
Texas Through Time
Scott & Nix Incorporated
A New York Times bestselling novel, modern historical classic, and winner of the TCU Texas Book Award, The Spur Award

and the Wrangler Award for Outstanding Western Novel It's 1836, and the Mexican province of Texas is in revolt. As General Santa Anna's forces move closer to the small fort that will soon be legend, three people's fates will become intrinsically tied to the coming battle: Edmund McGowan, a proud and gifted naturalist; the widowed innkeeper Mary Mott; and her sixteen-year-old son, Terrell, whose first shattering experience with love has led him into the line of fire. Filled with dramatic scenes, and abounding in fictional and historical personalities—among them James Bowie, David Crockett, William Travis, and Stephen Austin—The Gates of

the Alamo is a faithful and compelling look at a riveting chapter in American history.

Little Texas Schiffer Publishing Presents information and facts about Florida, including famous people, places, and events associated with the state.

The Great Texas Stamp Collection

Penguin
The larger-than-life story of the Lone Star State Encapsulating the 500-year saga of the one-of-a-kind state of Texas, this interactive book takes readers from the founding of the Spanish Missions and the victory at San Jacinto to the Great Storm that destroyed Galveston and the establishment of NASA's Mission Control in Houston while

covering everything in between. Texas History for Kids includes 21 informative and fun activities to help readers better understand the state's culture, politics, and geography. Kids will recreate one of the six national flags that have flown over the state, make castings of local wildlife tracks, design a ranch's branding iron, celebrate Juneteenth by reciting General Order Number 3, build a miniature Battle of Flowers float, and more. This valuable resource also includes a timeline of significant events, a list of historic sites to visit or explore online, and web resources for further study.

Big Wonderful Thing

Rowman & Littlefield

In the late 1990s, West

Texas was full of rundown towns and pumpjacks, aging reminders of the oil rush of an earlier era. Today, the towns are thriving as 300-foot-tall wind turbines tower above those pumpjacks. Wind energy has become Texas's latest boom, with the Lone Star State now leading the nation. How did this dramatic transformation happen in a place that fights federal environmental policies at every turn? In *The Great Texas Wind Rush*, environmental reporters Kate Galbraith and Asher Price tell the compelling story of a group of unlikely dreamers and innovators, politicians and profiteers. The tale spans a generation and

more, and it begins with the early wind pioneers, precocious idealists who saw opportunity after the 1970s oil crisis. Operating in an economy accustomed to exploiting natural resources and always looking for the next big thing, their ideas eventually led to surprising partnerships between entrepreneurs and environmentalists, as everyone from Enron executives to T. Boone Pickens, as well as Ann Richards, George W. Bush and Rick Perry, ended up backing the new technology. In this down-to-earth account, the authors explain the policies and science that propelled the “windcatters” to reap the great harvest of Texas wind. They also explore what the future

holds for this relentless resource that is changing the face of Texas energy. Marfa for the Perplexed Sleeping Bear Press She needed a husband-fast. He just wanted a few home-cooked meals. Let the great Texas wedding bargain begin! It was desperation that had Megan Ford proposing to solitary rancher Rick Astin. She promised to pay handsomely for an in-name-only marriage and swore their understanding would end in mere months, while secretly wishing it would last forever. As flattered as he was by the loveless offer, it was the thought of a spick-and-span home that had Rick agreeing to the charade. He told himself he had no interest in his new bride becoming a

permanent part of his quiet life. And despite his body's cravings to make Megan truly his, Rick intended to honorably uphold his end of the deal. Until they sealed their bargain with a kiss...

Texas Whiskey

University of Texas Press

Arriving in 1978, hitched to the back of the Sex Pistols tour bus, punk soon became as mythic in Texas as the state's devotion to football, cattle, and prayer. Confrontational renegades like the Huns, the Big Boys, and the Dicks led a defiant new era of blood, sweat, and cross-dressing cowboys. Austin son Pat Blashill grabbed a camera and began shooting local punk bands, uncovering a

story of desperation and creative deliverance, set in trailer parks, low-rent shared housing, and wild, Texas bucket-of-beer bars. Along the trail Blashill befriended and photographed the Big Boys, the Dicks, Butthole Surfers. Poison 13, the Hickoids, the Offenders, Scratch Acid, Daniel Johnston, Doctors' Mob, Glass Eye, and others. As Austin became a mecca for live music, he captured equally iconic images of touring bands including Sonic Youth, Devo, Samhain, Soul Asylum, the Replacements, and the Dead Kennedys. More than two hundred of Blashill's deep black and white photos are joined here by essays from director Richard Linklater

(Slacker/School of Rock); singer David Yow (Scratch Acid/Jesus Lizard); drummer Teresa Taylor (Butthole Surfers); and local luminaries Adriane "Ash" Shown and Donna Rich. True mavericks banded together to make a stand, and?Texas Is the Reason.

Perfectly Aged

University of Texas Press

Germany takes the reader on a tour of 25 Texas houses dating from the mid-19th century to today--some lavish and monumental, others more diminutive and intimate--that relay the story of residential architecture in the Lone Star State.

The Great Texas Social Studies Textbook War of 1961-1962 Harry N. Abrams

It is best to travel slowly along the roads and highways of Texas. Not because of speed traps, though they are there. But because if you travel slowly, you are less likely to miss the turns that will take you to the heart of this great state. Take these turns, and they will lead you to stories and places of faith. The Amazing Faith of Texas is an exploration in words and pictures of people and places that represent the strong, abiding belief that sustains faith-filled Texans. A belief that transcends the boundaries of religion. Transcends the dogma. Transcends the differences. We have heard all we need to hear about what divides us. The Amazing Faith of Texas is about what unites

us. From tiny churches on dusty back roads to the mega churches along our cities' highways, from temples, mosques, and synagogues--Amazing Faith is a look at our places of worship and a listen to the stories that bring Texans to their faith. From the desert of West Texas to the pines of East Texas, from the Panhandle to the border, The Amazing Faith of Texas is an exploration of common ground on higher ground.
