This heartbreaking, hilarious, and brutally honest memoir shares the deeply personal life story of a girl next door and her transformation into a household name. For more than forty years, Katie Couric has been an iconic presence in the media world. In her brutally honest, hilarious, heartbreaking memoir, she reveals what was going on behind the scenes of her sometimes tumultuous personal and professional life - a story she's never shared, until now. Of the medium she loves, the one that made her a household name, she says, "Television can put you in a box; the flat-screen can flatten. On TV, you are larger than life but smaller, too. It is not the whole story, and it is not the whole me. This book is." Beginning in early childhood, Couric was inspired by her journalist father to pursue the career he loved but couldn't afford to stay in. Balancing her vivacious, outgoing personality with her desire to be taken seriously, she overcame every obstacle in her way: insecurity, an eating disorder, being typecast, sexism . . . challenges, and how she dealt with them, setting the tone for the rest of her career. Couric talks candidly about adjusting to sudden fame after her astonishing rise to co-anchor of the TODAY show, and guides us through the most momentous events and news stories of the era, to which she had a front-row seat: Rodney King, Anita Hill, Columbine, the death of Princess Diana, 9/11, the Iraq War . . . In every instance, she relentlessly

pursued the facts, ruffling more than a few feathers along the way. She also recalls in vivid and sometimes lurid detail the intense pressure on female anchors to snag the latest "get"—often sensational tabloid stories like Jon Benet Ramsey, Tonya Harding, and OJ Simpson. Couric's position as one of the leading lights of her profession was shadowed by the shock and trauma of losing her husband to stage 4 colon cancer when he was just 42, leaving her a widow and single mom to two daughters, 6 and 2. The death of her sister Emily, just three years later, brought yet more trauma—and an unwavering commitment to cancer awareness and research, one of her proudest accomplishments. Couric is unsparing in the details of her historic move to the anchor chair at the CBS Evening News—a world rife with sexism and misogyny. Her "welcome" was even more hostile at 60 Minutes, an unrepentant boys club that engaged in outright hazing of even the most established women. In the wake of the MeToo movement, Couric shares her clear-eyed reckoning with gender inequality and predatory behavior in the workplace, and downfall of Matt Lauer—a colleague she had trusted and respected for more than a decade. Couric also talks about the challenge of finding love again, with all the hilarity, false-starts, and drama that search entailed, before finding her midlife Mr. Right. Something she has never discussed publicly—why her second marriage almost didn't happen. If you thought you knew Katie Couric, think again. Going There is the fast-paced, emotional, riveting story of a thoroughly modern woman, whose journey took her from humble origins to superstardom. In these pages, you will find a friend, a confidante, a role model, a survivor whose lessons about life will enrich your own.

Going There InterVarsity Press

Katie was a normal American teenager when she decided to explore the possibility of voluntary work overseas. She temporarily 'quit life' to serve in Uganda for a year before going to college. However, returning to 'normal' became impossible and Katie 'quit life' - college, designer clothes, her little yellow convertible and her boyfriend - for good, remaining in Uganda. In the early days she felt as though she were trying to empty the ocean with an eyedropper, but has learnt that she is not called to change the world in itself, but to change the world for one person at a time. By the age of 22 Katie had adopted 14 girls and founded Amizima Ministries which currently has sponsors for over 600 children and a feeding program for Uganda's poorest citizens - so it is no wonder she feels Jesus wrecked her life, shattered it to pieces, and put it back together making it more beautiful than it was before.

A visit to the Natural History Museum turns into an adventure for Katie when she steps back in time to the world of the dinosaurs! Katie helps a baby dinosaur find his family, rides on the back of a Brontosaurus, and has a picnic with a Triceratops! But just what will she feed a very hungry and fearsome Tyrannosaurus Rex? James has been delighting children with his Katie stories for a quarter of a century. As part of the 25th birthday celebrations, we will be reissuing the whole series with an exciting new cover look.

"A deeply moving and inspiring memoir about fathers and daughters, grief and renewal, adventure and obsession, and the power of running to change your life." -- From book jacket.

Katie and the Starry Night Henry Holt and Company (BYR)

Ali had been content keeping to herself and staying hidden from her abusive ex. But when she meets two seemingly ordinary guys, Cam and Kace, the three of them develop an unexpected friendship that makes Ali feel like herself for the first time in years. Cam and Kace aren't just ordinary guys, though. They're superstars in the Atlanta sports world, with their names and faces plastered all over town. But Ali didn't know that, and they didn't tell her the truth. A lie that was never intended to hurt anyone. But their little game ends up bringing danger back into Ali's life, putting her at risk and causing her to push them away. For Cam and Kace, walking away from Ali isn't an option. They both want her. They both want to protect her. And despite being unable to choose between them, she can't seem to say no to their game plan. "You don't have to choose, baby." With her ex lurking and her feelings for Cam and Kace growing more intense, Ali has to navigate the danger as well as the societal expectations of her new relationship. A balancing act that proves to be harder than she anticipated. Will they succumb to the pressure? Or is this a game they can win together? This fast-paced romance has laughs, swoony moments, and MAJOR spice. But beware, there is also assault, attempted sexual abuse, and kidnapping, keeping you on the edge of your seat. Written in 1st person, triple POV, with an HEA

"Exquisite and delicious. . . Katie Cotugno has outdone herself." —Taylor Jenkins Reid, author of *Daisy Jones & The Six* and *Malibu Rising* Sparks fly and things get real in this sharply sexy and whip-smart romantic comedy set against the backdrop of a post #metoo Hollywood from New York Times bestselling author Katie Cotugno Former child actor Fiona St. James dropped out of the spotlight after a spectacularly public crash and burn. The tabloids called her crazy and self-destructive and said she'd lost her mind. Now in her late twenties, Fiona believes her humiliating past is firmly behind her. She's finally regained a modicum of privacy, and she won't let anything—or anyone—mess it up. Unlike Fiona, Sam Fox, who played her older brother on the popular television show *Birds of California*, loves the perks that come with being a successful Hollywood actor: fame, women, parties, money. When his current show gets cancelled and his agent starts to avoid his calls, the desperate actor enthusiastically signs on for a *Birds of California* revival. But to make it happen, he needs Fiona St. James. Against her better judgment, Fiona agrees to have lunch with Sam. What happens next takes them both by surprise. Sam is enthralled by Fiona's take-no-prisoners attitude, and Fiona discovers a lovable goofball behind Sam's close-up-ready face. Long drives to the beach, late nights at dive bars . . . theirs is the kind of kitschy romance Hollywood sells. But just like in the rom-coms Fiona despises, there's a twist that threatens her new love. Sam doesn't know the full story behind her breakdown. What happens when she reveals the truth?

You want to change the world. You want your work to have meaning. Maybe you're even audacious enough to want saving the world to be fun. What if saving the Earth were a game? Not just any game, but the greatest game we've ever played. This workbook helps social and environmental change professionals learn how to implement powerful techniques from the fields of game design, behavioral psychology, design, data science, and storytelling, that are not only proven to have impact, but also can make your project fun. In a 10-step framework of exercises, tutorials, and case studies, *How to Save the World* will teach you the art of changing the world - and it's often not what you think. Did you know that just by putting a sign above a recycling bin that showed people the number of cans inside increased the recycling rate by 67 percent? Or when people standing in line at a cafe were told that other customers before them had ordered a vegetarian meal, that this simple intervention doubled the total rate of vegetarian meal orders? As you implement these academically researched and measurement-driven techniques, *How to Save the World* will drive you to dig into your creativity and unearth your greatest ideas that shift the numbers on the causes you most care about, so you can experience the joy and satisfaction of seeing your work really, actually change the world every single day.

In Classroom Six, second left down the hall, Henry has been on the lookout for a friend. A friend who shares. A friend who listens. Maybe even a friend who likes things to stay the same and all in order, as Henry does. But on a day full of too close and too loud, when nothing seems to go right, will Henry ever find a friend—or will a friend find him? With insight and warmth, this heartfelt story from the perspective of a boy on the autism spectrum celebrates the everyday magic of friendship.

Based on a true incident that happened to one of the author's ancestors, Katie's Trunk gives an unusual and arresting glimpse of the beginnings of the American Revolution. Katie could feel it in the air—something was wrong. Neighbors didn't speak to each other anymore, and someone even hissed "Tory!" at her. All around Katie, men were arming themselves for war. Then one day it happened—the rebels came! Katie's father told the family to hide in the woods. At first Katie obeyed, but as she crouched in the underbrush she got mad and ran back to defend her home. It wasn't right for people to treat one another this way. But what could one little girl do about it?
