WALNECK'S CLASSIC CYCLE TRADER, JUNE 2001 Causey Enterprises, LLC

This landmark presentation at last makes heard the centuries of Zen's female voices. Through exploring the teachings and history of Zen's female ancestors, from the time of the Buddha to ancient and modern female masters in China, Korea, and Japan, Grace Schireson offers us a view of a more balanced Dharma practice, one that is especially applicable to our complex lives, embedded as they are in webs of family relations and responsibilities, and the challenges of love and work. Part I of this book describes female practitioners as they are portrayed in the classic literature of "Patriarchs' Zen"--often as "tea-ladies," bit players in the drama of male students' enlightenments; as "iron maidens," tough-as-nails women always jousting with their male counterparts; or women who themselves become "macho masters," teaching the same Patriarchs' Zen as the men do. Part II of this book presents a different view--a view of how women Zen masters entered Zen practice and how they embodied and taught Zen uniquely as women. This section examines many urgent and illuminating questions about our Zen grandmothers: How did it affect them to be taught by men? What did they feel as they trying to fit into this male practice environment, and how did their Zen training help them with their feelings? How did their lives and relationships differ from that of their male teachers? How did they express the Dharma in their own way for other female students? How was their teaching consistently different from that of male ancestors? And then part III explores how

women's practice provides flexible and pragmatic solutions to issues arising in contemporary Western Zen centers.

The Way of the Mysterial Woman is for every woman who feels the call into greatness, authenticity, and meaningful living. This is The Way for women who are stepping into their lives with mind, body, heart, and soul fully engaged, ready to awaken to their true potential. We hear the clarion call, but how will we meet it? It's almost like we need a completely new internal operating system. The Mysterial Way is the upgrade we've been searching for. Women's leadership development pioneers and co-authors Suzanne Anderson and Susan Cannon know that we're not alone in our yearning to meet this call. In fact, they assure us that this is a naturally occurring global imperative for women. The Way of the Mysterial Woman reveals a Feminine source code, helping us once and for all break

through our old limitations, and effectively take our lives to the next level so we can meet the unique callings and urgent challenges of these dynamic times. This is not a passive book for armchair travelers. Drawing upon real life success stories, based on their 12 years of running University certificate women's leadership programs, readers are guided through a step-by-step, transformative "Mysterial Sequence." Each interactive chapter offers practical and fun insights and practices that compel us toward genuine shifts and solid growth. The Way of the Mysterial Woman is a blend of cutting edge transformational psychology, ancient Mystery school secrets, and visionary evolutionary thinking delivered in a warm, down-to-earth style. Here is the elegant code we've been searching for that finally unlocks our greatest potential.

WALNECK'S CLASSIC CYCLE TRADER, JANUARY 2001 Haynes Manuals N. America, Incorporated
 A faithful reproduction of the Floyd Clymer publication of the seventh edition (1947) of the W.C. Haycraft - Book Of The Ariel - covering all models of Ariel motorcycles built between 1932 and 1939. Includes complete technical data, service and maintenance information and comprehensive detailed instructions for the repair and overhaul of all major and minor mechanical and electrical components, making it an invaluable resource for collectors and restorers of these classic motorcycles. This is a - must have - reference for any Ariel enthusiast and would certainly assist in helping any potential purchaser better understand the inner workings prior purchasing of one of these classic motorcycles. Applicable to the following models: Four cylinder: 4/F/G/H 600cc & 1,000cc OHC & OHV (Cast Iron & Light Alloy). Single cylinder: LB/LF/LG/LH/MB/MF/MH/NF/NG/NH/OG/OH/SB/SG/VA/VB/VF/VG/VH 600cc SV, 500cc OHV, 350cc OHV, 250cc OHV. Much of the data is also applicable to later models that utilize these same engines. Out-of-print and unavailable for many years, this book is becoming increasingly more difficult to find on the secondary market and we are pleased to be able to offer this reproduction as a service to all Ariel enthusiasts worldwide.

The Legend of Harley-Davidson Causey Enterprises, LLC

For Harley-Davidson aficionados, the very name Sportster conjures an image of a fire-breathing mechanical beast scorching the world's tarmac image the Sportster itself often does not live up to. Straight from the factory, in its standard form, the Sportster routinely proves an entry-level motorcycle providing a relatively tame ride. This book aims to change all that and to show every Sportster rider how to free the beast in his or her bike. With expert, detailed advice on the proper

mechanical massaging and plenty of helpful diagrams and photos this updated, third edition of Buzz Buzzelli's best-selling handbook shows how the Sportster can be transformed into the superbike of old. Including a history of the Sportster from its birth in 1957 to the recent introduction of a new engine (only the third in its long life), this book has everything it takes to open up the gates of hell and give the Sportster its head.
