### CHAPMAN SLADE

*Electric Railway Service* Simon and Schuster  
 This volume emerged from an international research colloquium jointly organised by National Museums Scotland and the Scottish Centre for Diaspora Studies, University of Edinburgh, funded by the Scottish Government and administered by the Royal Society of Edinburgh. Historians and museum curators from Australia, Canada, New Zealand and South Africa were invited to join with their Scottish counterparts to consider the functioning, and the meaning, of 'military Scottishness' in different Commonwealth countries and in Britain from the late Victorian period to the present day, with a particular focus on the impact of the First World War. Another key objective was to throw light on the 'hidden' culture of social networking which potentially operated behind local regiments and military units amongst Scotland's global diaspora. This edited collection provides a comparative overview of the nineteenth century emergence of military Scottishness and explores how the construction and performance of Scottish military identity has evolved in different

Commonwealth countries over the late nineteenth and twentieth centuries. In particular, it looks at the ways in which Scottish volunteer regiments in Commonwealth countries variously sought to draw upon, align themselves with or, at certain key moments, redefine the assertions of martial identity which Highland regiments represented.

However, the essays in this volume also suggest that there is something ironic and unsettling about the immense popularity of a holiday whose main images are of death, evil, and the grotesque. Halloween and Other Festivals of Death and Life is a unique contribution that questions our concepts of religiosity and spirituality while contributing to our understanding of Halloween as a rich and diverse reflection of our society's past, present, and future identity.

[Folk dances of the British Isles](#) Litres

Say goodbye to squashed feet, sore toes and dizzy heads with Scottish Ceilidh Dancing. Guiding you through intricate dance steps and various hand holds in simple, straightforward language, this book introduces you to the exuberant world of the Dashing White Sergeant, the Gay Gordons, the Gypsy Tap and the Lucky Seven, to name but a few. All your old favourites are here and, with over fifty dances, there's something for everyone, from the simple routines of the Dinkie One-Step, to the more adventurous Southern Rose Waltz and the Posties Jig.

[Global Force](#) Univ. of Tennessee Press

At the darkest time of the year, when the nights seem endless and the days are short, comes the most joyful of festivals, the celebration of the birth of Christ. This touching Pitkin Guide looks at Christmas, that truly magical season that brings families and friends together to share the much-loved customs and traditions that over the years have come to surround this heart-warming and deeply symbolic occasion. The CD has 23 much loved carols. Look out for more Pitkin Guides on the very best of British history, heritage and travel.

[Tam O'Shanter](#) The History Press

Examines how Christmas and Hanukkah are celebrated around the world; discussing the holidays' origins, histories, and common practices; and describing how geography, culture, and history influence how they are observed.

[Christmas and the British: A Modern History](#) Edinburgh University Press

An introduction to culturally determined aspects of communicating in British, Australian, Canadian, New Zealand and American societies, especially those that may influence effective communication with members of these societies or be the source of false perceptions/stereotypes of their behaviour.

Jean Balneaves, born in poverty on a Scottish Croft in the nineteenth century sees for the first time, as bairns, in a chance meeting, young Robert Loudon, son of the soon to be laird of Dollar Glen Castle, and owner of the croft holding. In young adulthood they secretly meet and fall in love. But Robert is persuaded to enter Sandhurst the English Army Officer's School. Because of a mysterious fire, the croft cottage burns and Jean's father dies. Jean, now a dark eyed beauty takes charge of her siblings and young widowed mother All eventually are invited to the Castle by a compassionate (now Viscount) Benjamin Loudon, Robert's papa. But his wife, the Lady Katrine sternly objects. Finally after five years Jean and Robert find each other in Auchenblae where Jean and her brother are helping a linen mill entrepreneur. It is there where Jean and Robert's love is consummated and a child results. However, Jean refuses to wed Robert in view of his mama's strong objections. Jean, a sensitive person and a loving Robert find their lives forever changed. A

rare cameo is a symbol of the eternal love they share.

Учебное пособие содержит оригинальные тексты, посвященные праздникам Великобритании и США, и методические разработки к ним. Каждая глава пособия рассказывает о конкретном празднике или знаменательной дате и о связанных с ними традициях. Пособие делится на две части: Книга для ученика и Книга для учителя. В Книге для ученика представлены тексты с заданиями, направленными на развитие навыков чтения, говорения, письма и расширение словарного запаса. В Книгу для учителя входят ключи к заданиям, дополнительная информация, методические рекомендации. Пособие рассчитано в основном на старшие классы общеобразовательных учреждений, но может быть выборочно использовано на более ранних этапах обучения, а также на первых курсах университетов.

[The Book of Christmas; Descriptive of the Customs, Ceremonies, Traditions, Superstitions, Fun, Feeling, and Festivities of the Christmas Season](#) HarperCollins

Did You Know? No one knows the origin of the word Hogmanay. Until late in the twentieth century, Hogmanay was celebrated on two distinct dates, twelve days apart. On the island of Islay, it was a Hogmanay custom to predict who you would marry by throwing fish at the wall. There is more to Hogmanay than fireworks – firstfooting, Guisers, thiggers, mass ball games, clavies and the Dingwall Crate all feature within. Oh, and don't forget to look out for the Trows! The Little Book of Hogmanay is a feast of information exploring the history, folklore, tales, food, drink and traditions of Hogmanay, from its pagan roots to its celebratory present. Whether you need a user's guide or an anthology of entertainment, The Little Book of Hogmanay will tell you all you ever wanted to know about Scotland's most widely and wildly celebrated festival.

[The Silver Bough: A calendar of Scottish national festivals: Hallow'en to yule](#) Directmedia

The Silver Bough is an indispensable treasury of Scottish culture, universally acknowledged as a classic of literature. The author, F Marian McNeill, succeeded in capturing and bringing to life many traditions and customs of old before they died out or were influenced by the modern era. The Silver Branch of the sacred apple tree, laden with crystal blossoms of golden fruit, is in Celtic mythology the equivalent of the Golden Bough of classical mythology - the symbolic bond between the world we know and the Otherworld. In the first volume of the Silver Bough, the author deals generally with Scottish folk-lore and folk belief, with chapters on ethnic origins, the Druids, the Celtic gods, the slow transition to Christianity, magic, the fairy faith, second sight, selkies, changelings and the witch cult. In volume two she began her more in-depth exploration of the foundations of many of these beliefs and rituals through the Calendar of Scottish national festivals, in which we find enshrined many of the fascinating folk customs of our ancestors. This third volume continues that study by looking at the Festivals from Hallow'en to Yule tide. As man makes greater and greater advances in the understanding and control of his physical environment, the river between the known and the unknown gradually changes its course, and the subjects of the simpler beliefs of former times become part of the new territory of knowledge. The Silver Bough maps out the old course of the waterway that in Celtic belief winds between here and beyond, and reveals the very roots of the Scottish people's distinctive customs and way of life. The Silver Bough is a large and important work which involved many years of research into both living and recorded lore. Its genesis lies, perhaps, in the author's subconscious need to reconcile the old primitive world she had glimpsed in childhood with the sophisticated modern world she later entered. "e;l do not believe that you can exaggerate the importance of the preservation of old ways and customs,

and all those little things which bind a man to his native place. Today we live in difficult times. The steam-roller of progress is flattening out many of our old institutions, and there is a danger of a general decline in idiom and distinctive quality in our Scottish life. The only way to counteract this peril is to preserve jealously all these elder things which are bone of our bone and flesh of our flesh. For, remember, no man can face the future with courage and confidence unless it is solidly founded upon the past. And conversely, no problem will be too hard, no situation too strange, if we can link it with what we know and love"; F Marian McNeill

[English: One Language, Different Cultures](#) New York Review of Books

How many times have you wondered about the origins of New Year's Eve, or Hogmanay as the Scots term it? This book reveals all as Hugh Douglas takes the reader from the remotest beginnings of this festival through the more recent developments in the 18th and 19th centuries right up to the millennium. There are many surprises in store for the unwary reader. Why a tall dark stranger at midnight, why carrying a lump of coal and why can the first-foot never be a fair person no matter how firm a friend? How was the name derived? Is it from the French, Greek, Scandinavian, German or Flemish? What does Hogmanay mean? Is it pagan, Christian, neither or both? On the lighter side, there are songs to be sung, drams to be drunk and food aplenty as Hugh includes music, recipe and anecdote in this essential companion. There is even a Hangover Helpline for those who have over-indulged

It's party time in Europe! Bestselling author Rick Steves explores the best festivals in Europe, from the Running of the Bulls in Spain to Carnival in Venice. There will be no museums! And no art galleries! Just Europeans having lots of fun. Across Europe, festival traditions go back centuries and are filled with time honored pageantry and ritual. Entire communities hurl themselves with abandon into the craziness. We'll careen all over Europe: the Palio horse races in Siena, the Highland games near Edinburgh, the colorful masquerade of Carnival in Venice, Slovenia, and Luzern, Easter festivities in Andalucía, Tuscany, and Greece, the springtime April Fair in Sevilla, Bastille Day in Paris, the Running of the Bulls in Pamplona, Oktoberfest in Munich, and Christmas markets and traditions in Nurnberg and Switzerland. With fascinating insights, rich history, and vivid photos, this great gift book captures the spirit of Europe's rich and fun-loving heritage. Hang on to your party hats!
