The Girls of Firefly Cabin e-arnow

A vivid, evocative YA lesbian romance about how the universe is full of second chances Ryann Bird dreams of traveling across the stars. But a career in space isn't an option for a girl who lives in a trailer park on the "wrong" side of town. So Ryann becomes her circumstances and settles for acting out and skipping school to hang out with her delinquent friends. One day she meets Alexandria: a furious loner who spurns Ryann's offer of friendship. After a horrific accident leaves Alexandria with a broken arm, the girls are brought together despite themselves—and Ryann learns her secret: Alexandria's mother is an astronaut who volunteered for a one-way trip to the edge of the solar

system. Every night without fail, Alexandria waits to catch radio signals from her mother. And now it's up to Ryann to lift her onto the roof day after day until the silence between them grows into friendship, and eventually something more. *The Weight of the Stars* is the new LGBT young adult romance from K. Ancrum, written with the same style of short, micro-fiction chapters and immediacy that garnered acclaim for her debut, *The Wicker King*. An Imprint Book "The Weight of the Stars is one of the most gentle, gracious, and, overall, kind books that I've read all year ... It's a YA romance about girls and stars and friendship and mercy and loss and regret and what we owe each other and what we give away to lift each other up ... This book is starlight on broken concrete, it's flowers on a broken rooftop, and it's a masterpiece." —Seanan McGuire, New

York Times bestselling author of *Every Heart a Doorway* "As bright as it is stellar ... a story with a lush, dark atmosphere; heartbreaking circumstances; bright, new love that blossoms from ugliness; and vividly real, magnetic characters." —Booklist (starred review) "Touches on sexual identity, friendship, nontraditional families, and the price of human space exploration. The characters' resilience and vulnerability are deftly handled ... For readers who are drawn to the unconventional, this will be a satisfying read." —Kirkus Reviews "Their slow-burn romance ... is sweetly, devastatingly understated." - BCCB PRAISE FOR THE WICKER KING: "Ancrum delves into the blurry space between reality and madness. A haunting and provocative read that will keep teens riveted." —School Library Journal "Teen fans of moody psychological horror will be entranced."

—Booklist “Give this to readers who like complex, experimental fictions about intense relationships that acquire mythic resonance.” —The Bulletin of the Center for Children's Books “An eerie piece of realistic fiction whose characters revel in intense emotions.” —Kirkus Reviews “An eerie and mesmerizing thriller that questions the space where reality and perception overlap, *The Wicker King* is a spine-tingling read that will have you riveted.” —Caleb Roerhig, author of *Last Seen Leaving* and *White Rabbit*

Night of Cake & Puppets W. W. Norton & Company

A funny and heartwarming middle-grade graphic novel adventure about friendship, defying expectations, and finding your place. Manu and her best friend, Josefina, live at a magical school for girls, and Manu is always getting into trouble. The headmistress believes that Manu has the potential to help people with her magic, but Manu would rather have fun than fall in line. One day, a prank goes seriously wrong, and Josefina gets angry and wishes for Manu's magic to disappear... and it does. Manu uses a dangerous spell to restore it, but it makes her magic too powerful and nearly impossible to control. Great power comes at a cost, and it may be a price that Manu isn't able to pay!

Hunting Fiends for the Ill-Equipped Berkley Ann Smith loves her handsome, dynamic boss, Jasha Wilder, but her daring plan to seduce him goes awry when she encounters a powerful wolf who-before her horrified eyes-changes into the man she adores. She soon discovers she can't escape her destiny, for she is the woman fated to break the curse that binds his soul.

The Forest of Vanishing Stars

I thought I'd seen evil, but with each step closer to my parents' murderer, I'm uncovering a different sort of villainy, piece by hidden piece. I've stumbled into an insidious web that silently, secretly ensnares everything it touches. My demon and I came as the hunters... but I think we might be the prey.

The Whole Package HarperCollins UK Introduces the world of Roshar through the experiences of a war-weary royal compelled by visions, a highborn youth condemned to military slavery, and a woman who is desperate to save her impoverished house.

The Lost Letters of Aisling Bookouture

As two estranged sisters spend the summer renovating the beach house they inherited from their grandmother, they learn the bonds of sisterhood never fade and confront secrets thought long buried.

Jayne hasn't seen her sister Charlotte since that last childhood holiday at their grandmother's North Carolina beach house. Separated after that summer by their parents in a bitter divorce, Charlotte has never forgiven Jayne for not fighting to stay together. So when Jayne discovers that they have both inherited the beach house, and that their grandmother's last wish was for them to renovate it together, it feels like a miracle: one last chance to win her sister back. At first the task at hands feels very business-like and professional. But slowly the memories of swimming races and storytelling in their attic bedroom looking over the sea start to break down the wall between them--as they're breaking down real walls. Jayne and Charlotte start to open up to each other about their shared past and realize how different it was for each of them. But the question is, can they each let go of their resentments to move forward together as sisters once again?

Angels of Elysium: the Complete

Series Simon & Schuster

In the summer of 1987 in Venice, California, ten-year-old Bug and her new friend Frankie learn important lessons about life, family, being your true self, and how to navigate in a world that is not always just or fair.

Marriage Matters Puffin

"The New York Times bestselling author of the "heart-stopping tale of survival and heroism" (People) *The Book of Lost Names* returns with an evocative coming-of-age World War II story about a young woman who uses her knowledge of the wilderness to help Jewish refugees escape the Nazis--until a secret from her past threatens everything"--

The Choice I Made Albert Whitman & Company

A poignant, charming middle grade novel, perfect for fans of *The Thing About Jellyfish* and *Fish in a Tree*. A beautifully layered story about navigating the often shifting bonds of family and friendship, and learning how to put the pieces back together when things fall apart. Emily Murphy is about to enter middle school. She's sort of excited...though not nearly as much as her best friend Hazel, who is ready for everything to be new. Emily wishes she and Hazel could just continue on as they always have, being the biggest fans ever of the Unicorn Chronicles, making up dance moves, and getting their regular order at The Slice. But things are changing. At home, Emily and her mom are learning to move on after her parents' divorce. Hardest of all, her beloved sister Mina has been in a treatment facility to deal with her anorexia. Emily is eager to

have her back, but anxious about her sister getting sick again. Hazel is changing too. She has new friends from the field hockey team, is starting to wear makeup, and have crushes on boys. Emily is trying to keep up, but she keeps doing and saying the wrong thing. She wants to be the perfect new Emily. But who is that really?

With a Little Help Imprint

For 17-year-old Elena Watkins, the world of Paegeia is not finished revealing all its secrets. During a summer break intended for relaxation, she discovers that her harrowing adventure to retrieve the King of Lion sword wasn't the destiny foretold by the cryptic Viden, a dragon with the ability to see a person's true fate. The words inked onto the page of the mysterious *Book of Shadows* remains black, and Elena must return to Dragonia Academy to discover their true meaning. Upon her return to the magnificent castle, she has to face a challenge of a different kind - keeping her boyfriend, Lucian McKenzie, the Prince of Tith and love of her life, away from the dangerous new student, Paul Sutton. As a Wyvern, Paul has made it his mission to claim Elena as his rider, but he is proving to be more perilous than at first glance. Everyone knew that Wyverns were bad news and just as evil as the darkness lurking inside Blake Leaf, the Rubicon, who is forced to fight against his inner nature every day. But Elena can see a small light in the darkness, a destiny still unfulfilled, to prove that Wyverns can be claimed.

Nevermore HarperCollins

With a Little Help is my first serious experiment in self-publishing. I've published many novels, short story collections, books of essays and so on with publishers, and it's all been very good and satisfying and educational and so on, but it seems like it's time to try something new. *With a Little Help* consists of 12 stories, all reprints except for "Epoch" (commissioned by Mark Shuttleworth). *Daughter of Smoke & Bone* St. Martin's Press

A National Book Award Finalist An Edgar Award Finalist A California Book Award Gold Medal Winner A dark, contemporary fairy tale in the tradition of Neil Gaiman. Jeremy Johnson Johnson hears voices. Or, specifically, one voice: the ghost of Jacob Grimm, one half of The Brothers Grimm. Jacob watches over Jeremy, protecting him from an unknown dark evil whispered about in the space between this world and the next. But Jacob can't protect Jeremy from everything. When coltish, copper-haired Ginger Boultinghouse takes a bite of a cake so delicious it's rumored to be

bewitched, she falls in love with the first person she sees: Jeremy. In any other place, this would be a turn for the better for Jeremy, but not in *Never Better*, where the Finder of Occasions—whose identity and evil intentions nobody knows—is watching and waiting, waiting and watching. . . . And as anyone familiar with the Brothers Grimm know, not all fairy tales have happy endings. Veteran writer Tom McNeal has crafted a young adult novel at once grim(m) and hopeful, full of twists, and perfect for fans of contemporary fairy tales like Neil Gaiman's *The Graveyard Book* and Holly Black's *Doll Bones*. The recipient of five starred reviews, *Publishers Weekly* called *Far Far Away* "inventive and deeply poignant."

Killing Time Mizan Fantasi

Lyra. Lucy. Percy. Once in a generation, a hero emerges whose story enralls readers worldwide. *Fireborn* is an epic quest, perfect for fans of the *His Dark Materials* and *The School for Good and Evil* series, that will spin readers into a magical world like no other—and introduce them to an unforgettable new heroine named Twelve. *Ember* is full of monsters. Twelve gave up her name and identity to train in the art of hunting them—so she says. The truth is much more deadly: she trains to take revenge on those who took her family from her. But when Twelve's new home is attacked, she'll find herself on an unexpected journey, where her hidden past is inescapably intertwined with her destiny—and the very fate of her world.

When We Were Sisters Fire Quill Publishers

Now a limited Netflix series starring Zoe Saldana! This Reese Witherspoon Book Club Pick and *New York Times* bestseller is "a captivating story of love lost and found" (*Kirkus Reviews*) set in the lush Sicilian countryside, where one woman discovers the healing powers of food, family, and unexpected grace in her darkest hours. It was love at first sight when actress Tembi met professional chef, Saro, on a street in Florence. There was just one problem: Saro's traditional Sicilian family did not approve of his marrying a black American woman. However, the couple, heartbroken but undeterred, forged on. They built a happy life in Los Angeles, with fulfilling careers, deep friendships, and the love of their lives: a baby girl they adopted at birth. Eventually, they reconciled with Saro's family just as he faced a formidable cancer that would consume all their dreams. *From Scratch* chronicles three

summers Tembi spends in Sicily with her daughter, Zoela, as she begins to piece together a life without her husband in his tiny hometown hamlet of farmers. Where once Tembi was estranged from Saro's family, now she finds solace and nourishment—literally and spiritually—at her mother-in-law's table. In the Sicilian countryside, she discovers the healing gifts of simple fresh food, the embrace of a close knit community, and timeless traditions and wisdom that light a path forward. All along the way she reflects on her and Saro's romance—an incredible love story that leaps off the pages. In Sicily, it is said that every story begins with a marriage or a death—in Tembi Locke's case, it is both. "Locke's raw and heartfelt memoir will uplift readers suffering from the loss of their own loved ones" (*Publishers Weekly*), but her story is also about love, finding a home, and chasing flavor as an act of remembrance. *From Scratch* is for anyone who has dared to reach for big love, fought for what mattered most, and those who needed a powerful reminder that life is...delicious. *Stories of Your Life and Others*

He called himself Stardust, but one of my friends told me his name was Jean. I met him during the summer I worked at the cotton candy stand when the circus came through town. He was made of big dreams, sunshine, and raw sense of being that I'd never known existed before him. His eyes were black as mud, his lips were the same color as the cotton candy I sold, and his smile could put a solar eclipse to shame. He was everything I wasn't. He was the first man I ever loved, and he left without me ever telling him that the way he looked at me broke my heart. I'm older now, and even if that circus never comes through town again, I'll still call him Stardust. Sweet coming-of-age story / gay romance set in the circus.

Color Outside the Lines brings together diverse, talented YA voices, including Samira Ahmed, Adam Silvera, Anna-Marie McLemore, Lori Lee, and Elsie Chapman, to reflect on interracial relationships. While focusing predominantly on POC voices, the anthology also includes LGBTQ+, religious, minority, and disability intersectionality, and its stories range in tone and genre, from light-hearted contemporary to darker fantasy.

Starlight Surprise Simon and Schuster

Newly-engaged graduate student Chloe must deal with her true feelings about her best friend after she becomes engaged to someone else while her own mother is tempted by an employee and her Grandma June meddles in everyone's business.

Manu: A Graphic Novel Macmillan

Amy Lennox doesn't know quite what to expect when she and her mother pick up and leave Germany for Scotland, heading to her mother's childhood home of Lennox House on the island of Stormsay. Amy's grandmother, Lady Mairead, insists that Amy must read while she resides at Lennox House—but not in the usual way. It turns out that Amy is a book jumper, able to leap into a story and interact with the world inside. As thrilling as Amy's new power is, it also brings danger: someone is stealing from the books she visits, and that person may be after her life. Teaming up with fellow book jumper Will, Amy vows to get to the bottom of the thefts—at whatever cost.
