The SALRM 2011 provides a rich source of information on a range of language-related subjects. A prominent issue remains the changing of street and place names, including the Pretoria/Tshwane and Louis Trichardt/Makhado sagas.

Language in education remains a thorny issue; as medium of instruction at school and tertiary level, and the proposal that passing an African language should be a requirement in order to obtain a tertiary degree in South Africa. In terms of language legislation, the draft version of the National Language Act was proposed. The language of record in courts also received attention in the media.

Government Gazette Moedertaalonderrig en taalaktiwisme in Suid-Afrika: Analise van gedrukte mediadekking tussen 2006 en 2010

This is the ninth annual report on the situation pertaining to language rights and language matters in general in

South Africa. It cultivates an awareness of language rights and promotes a culture of taking proactive measures in order to oppose violations of language rights. Such awareness could lead, on the one hand, to the further democratisation of the community, and on the other, to increasing participation in public life.

**Papers R.P.** AFRICAN SUN MeDIA

Kaaps as Afrikaanse omgangsvarieteit word deur verskillende outeurs vanuit diverse invalshoeke betrag. Die boek beslaan nege hoofstukke in twee afdelings wat onderskeidelike die taalkundigheid en die kontekstuele gebruike van Kaaps bekyk. Dis gebaseer op referate wat gelewer is by die eerste simposium oor Kaaps in 2012. Kaaps word in die boek voorgehou as 'n waardige, talig genuanseerde en lewenskragtige vorm van Afrikaans. Die ekonomiese potensiaal van Kaaps en die benutting daarvan as onderwys- en joernalistieke medium word ook bespreek.

Annual Report Chris Jones

Ons almal weet Suid-Afrika het probleme; ons lees daarvan in die koerante, ons sien dit in die strate en 'n magdom mense ondervind dit in hulle daaglikse lewens. Gelukkig kan die gebruik van innovasie en wetenskap 'n groot hoeveelheid van hierdie probleme oplos. In Innovasie bekyk ons van dié uitvindings – deur Suid-Afrikaners in Suid-Afrika ontwikkel – as oplossing vir knelpunte in die gesondheids-, energie-, omgewings- en nywerheidsarenas. Sommige van hierdie uitvindings kan lewens red; ander, soos 'n unieke manier

om titaan te veredel, kan 'n nuwe era in die nywerheidsindustrie van Suid-Afrika beteken.

Moedertaalonderrig en taalaktivisme in Suid-Afrika: Analise van gedrukte mediadekking tussen 2006 en 2010 UJ Press

Uiters belangrike narratief oor skooltaalvoorkeur het hom tussen 2006 en 2010 in Suid-Afrika afgespeel. Hierdie gebeurtenisse het diep in die Suid-Afrikaanse onderwys- en taalwêreld ingesny, en ook in die buiteland belangstelling gelok. Die koerante het volledig daarvoor berig: oor die hofsake, die skoolhoofde, die skole, ouers en die leerders. Maar hoe gemaak as onderwyskundiges, sosiolinguïste, taalbeplanners, taalhistorici en vaklui van aansluitende dissiplines later die punte van hulle vingers op die besonderhede van daardie gebeurtenisse wil lê?

*Beroepsvoorligting en -leiding in die RSA* Penguin Random House South Africa

Over the past seven years, the author has written several articles for the media – often on request. This volume comprises the most important of these articles. The first 50 articles (Part 1) appear in English and the last 39 (Deel 2) in Afrikaans. The footnotes indicate who published the specific article and when. The latter is important because it puts each article in context. Sometimes the content in this volume differs slightly from that which has appeared in the

media. Some of the articles have also been published by other than the indicated media platform / daily newspaper, but they are not mentioned here. There are some themes that overlap in English and Afrikaans but are not direct translations of each other. More than one article has been written on certain themes and some articles were co-authored with colleagues as indicated in the footnotes.
