### *The Heirs* Penguin

The astonishing true story of a girl who survived the Holocaust thanks to Oskar Schindler, of Schindler's List fame. Rena FINDER was only eleven when the Nazis forced her and her family -- along with all the other Jewish families -- into the ghetto in Krakow, Poland. Rena worked as a slave laborer with scarcely any food and

watched as friends and family were sent away. Then Rena and her mother ended up working for Oskar Schindler, a German businessman who employed Jewish prisoners in his factory and kept them fed and healthy. But Rena's nightmares were not over. She and her mother were deported to the concentration camp Auschwitz. With great cunning, it was Schindler who set out to help them escape. Here in her own words is Rena's gripping story of survival, perseverance, tragedy, and hope. Including pictures from Rena's personal collection and from the time period, this unforgettable memoir introduces young readers to an astounding and necessary piece of history.

*No Pretty Pictures* Penguin

A Dickensian ghost story from the bestselling author of *The Heart's Invisible Furies* and *A Ladder to the Sky* "A wonderfully creepy novel...magnificently eerie." —The Observer *This House Is Haunted* is a striking homage to the classic nineteenth-century ghost story. Set in Norfolk in 1867, Eliza Caine responds to an ad for a governess position at Gaudlin Hall. When she arrives at the hall, shaken by an unsettling disturbance that occurred

during her travels, she is greeted by the two children now in her care, Isabella and Eustace. There is no adult present to represent her mysterious employer, and the children offer no explanation. Later that night in her room, another terrifying experience further reinforces the sense that something is very wrong. From the moment Eliza rises the following morning, her every step seems dogged by a malign presence that lives within Gaudlin's walls. Eliza realizes that if she and the children are to survive its violent attentions, she must first uncover the hall's long-buried secrets and confront the demons of its past. Clever, captivating, and witty, *This House Is Haunted* is pure entertainment with a catch.

*Penguin Readers Level 4: The Boy in Striped Pyjamas (ELT Graded Reader)*  
Scholastic Inc.

*The Thief of Time* Crown

A thoughtful and age-appropriate introduction to an unimaginable event—the Holocaust. The Holocaust was a genocide on a scale never before seen, with as many as twelve million people killed in Nazi death camps—six million of them Jews. Gail Herman traces the rise of Hitler and the Nazis, whose rabid anti-Semitism led first to humiliating anti-Jewish laws, then to ghettos all over Eastern Europe, and ultimately to the Final Solution. She presents just enough information for an elementary-school audience in a readable, well-researched book that covers one of the most horrible times in history. This entry in the New York Times best-selling series contains eighty carefully chosen illustrations and sixteen pages of black and white photographs suitable for young readers.

*Bud, Not Buddy* Anchor Canada

years. They will meet again and again at different times and in different places. Imaginative, unique, heart-breaking, this is John Boyne at his most creative and compelling.

**A Train Near Magdeburg** Blackstone Publishing

Gretel Fernsby is a quiet woman leading a quiet life. She doesn't talk about her escape from Germany seventy years ago or the dark post-war years in France with her mother. Most of all, she doesn't talk about her father, the commandant of one of the most notorious Nazi concentration camps. But when a young family moves into the apartment below her, Gretel can't help but befriend their little boy, Henry, though his presence brings back painful memories. One night, she witnesses a violent argument between his parents, which threatens to disturb her hard-won

peace. For the second time in her life, Gretel is given the chance to save a young boy. To do so would allay her guilt, grief and remorse, but it will also force her to reveal her true identity. Will she make a different choice this time, whatever the cost to herself?

*In Hope, Not Fear* Benjamin Blech helps readers approach the end of life with calm. More than six years ago Blech was diagnosed with a fatal illness and given six months to live. Over the course of his career Rabbi Blech had counseled hundreds of people through the losses of loved ones and their own end of life, but when confronted with his own unexpected diagnosis he struggled with mortality in a new way. This personal and heartfelt book shares the answers people grappling with the end of life want to know--from what happens when we die to how we can live fully in the meantime. Drawing insights from many religious traditions as well as near death experiences, *Hope, Not Fear* shares the wisdom and comfort we all need to view death in an entirely new light.

*My Brother Sam Is Dead* Ember  
 'His relish is infectious' Times 'The funniest book I've read in ages. Savage but compelling' Ian Rankin 'Funny, rumbustious, unstinting and wonderfully Hogarthian' The Observer 'Sharp, funny, and beautifully written... a brilliant reflection on the landscape we now live in' Joanna Cannon \_\_\_\_\_ What a thing of wonder a mobile phone is. Six ounces of metal, glass and plastic, fashioned into a sleek, shiny, precious object. At once, a gateway to other worlds - and a treacherous weapon in the hands of the unwary, the unwitting, the inept. The Cleverley family live a gilded life, little realising how precarious their privilege is, just one tweet away from disaster. George, the patriarch, is a stalwart of television interviewing, a 'national treasure' (his words), his wife Beverley, a celebrated novelist (although not as celebrated as she would like), and their children, Nelson, Elizabeth, Achilles, various degrees of catastrophe waiting to happen. Together they will go on a journey of discovery through the Hogarthian jungle of the modern living where past presumptions count for nothing and

carefully curated reputations can be destroyed in an instant. Along the way they will learn how volatile, how outraged, how unforgiving the world can be when you step from the proscribed path. Powered by John Boyne's characteristic humour and razor-sharp observation, *The Echo Chamber* is a satiric helter skelter, a dizzying downward spiral of action and consequence, poised somewhere between farce, absurdity and oblivion. To err is maybe to be human but to really foul things up you only need a phone. The new novel by John Boyne, *WATER*, is available for pre-order now.
