Michael O'Mara

Ever wondered how Justin Timberlake and Justin Bieber rose to stardom? Justin Timberlake has always seemed comfortable entertaining. From an early career as part of Disney television’s Mickey Mouse Club to a role in one of the most successful boy band groups of all-time, Timberlake’s winning smile and magnetic personality has charmed audiences across the world. After a negatively publicized breakup and a career lull, Timberlake emerged from the ashes of ‘N Sync stronger than ever to

launch a successful solo music career. With a string of appearances in popular movies and energetic hosting gigs on television shows, Justin Timberlake has demonstrated that he is one of the most likeable and genuine personalities in show business. By recording and uploading videos of himself to popular social media site YouTube, a perfectly-coiffed preteen from Ontario, Canada stumbled into the biggest musical opportunity of his lifetime. Plucked from the pages of the internet, Justin Bieber became an overnight success when he was developed from an awkward, but angel-voiced adolescent into a swaggering pop music icon. Spawning a rabid following of preteen fans that rivaled the waves of hysteria that followed the Beatles, Bieber's meteoric

The Justin Bieber Album ABDO

"It's a big, big world It's easy to get lost in it..." —Justin Bieber, "Up" I love those lines in the lyrics. Sometimes I feel like that's what everyone's expecting. My world got very big, very fast, and a lot of people expect me to get lost in it. I grew up in a small town in Canada. I taught myself to sing in front of my bedroom

mirror and to play guitar on a hand-me-down. My mom posted my first videos on YouTube. Never in my wildest dreams did I think that I'd sell millions of records, sing for the president of the United States and sell out a massive arena tour. So no, I'm not lost. Not at all. If anything, onstage in front of my fans, I'm home. I'm found. And that's what this book is about: my journey, from singing and busking on the sidewalk in Stratford, Ontario, to performing and showing my appreciation to millions of fans all over the world for making this dream a

reality. My music and lyrics give a glimpse of what's in my heart, but I think this book is a window into my world. In here are hundreds of pictures of me that no one's ever seen before, and I'll tell you about who I was before I joined forces with Scooter Braun and Usher and got a record deal, and who I've become since I've been blessed with the opportunity to share my music with the world. This is my gift to you, the fans who've supported and been with me on this amazing journey every step of the way.
