## BOOKER KAISER

[Tea Time with Sophia Grace and Rosie](#) Disney Press  
 BOOKER PRIZE WINNER • NATIONAL BESTSELLER • A novel that follows a middle-aged man as he contends with a past he never much thought about—until his closest childhood friends return with a vengeance: one of them from the grave, another maddeningly present. A novel so compelling that it begs to be read in a single setting, *The Sense of an Ending* has the psychological and emotional depth and sophistication of Henry James at his best, and is a stunning achievement in Julian Barnes's oeuvre. Tony Webster thought he left his past behind as he built a life for himself, and his career has provided him with a secure retirement and an amicable relationship with his ex-wife and daughter, who now has a family of her own. But when he is presented with a mysterious legacy, he is forced to revise his estimation of his own nature and place in the world.

**The Sense of an Ending** Open Road Media  
 Today's raucous revolt against Washington and Wall Street is a classic populist uprising. In *Mad as Hell*, political pollsters Scott Rasmussen and Doug Schoen discuss how the Tea Party movement is fundamentally remaking our two-party system and what it means for the future of American politics. For political junkies of every stripe—from both the left and the right side of the aisle—*Mad as Hell* is mandatory reading.

[Three Cups of Tea](#) Harper Collins  
 The definitive biography of the Revolutionary War doctor and hero. An American doctor, Bostonian, and patriot, Joseph Warren played a central role in the events leading to the American Revolution. This detailed biography of Warren rescues the figure from obscurity and reveals a remarkable revolutionary who dispatched Paul Revere on his famous ride and was the hero of the battle of Bunker Hill, where he was killed in action. Physician to the history makers of early America, political virtuoso, and military luminary, Warren comes to life in this comprehensive biography meticulously grounded in original scholarship.

"A warm tale of 'princess dyke' life in L.A... A welcome contribution to Chicana letters from the new generation." --Ana Castillo Leticia Marisol Estrella Torrez, a university honors graduate, moves north to Los Angeles in an attempt to break from the traditional grandmother who raised her and from Weeping Woman, the Mexican folkloric siren who is said to fly through the skies at night to steal troublesome children and who has courted Leticia since her adolescence. In Los Angeles, Leticia is quickly immersed in the post-punk, post-Queer hipster scene, and after a

short-lived affair with the devastating Edith, Leticia meets K, a tall, dark and handsome Old Spice-wearing lovely from Philadelphia. K and Leticia tumble into "candy heaven" bliss, with, to Leticia's amazement, her nana's blessing. As her confidence in herself and her own sexuality grows, Leticia moves toward an identity that K refers to as "shy bookworm sweater femme boy"--only to have her newfound happiness brutally shattered by Nana's sudden illness and by the disturbing discovery that K is not as trustworthy as she seems. Vividly wrought, heart-breaking and compelling, *Trace Elements of Random Tea Parties* is a wonderful debut from Felicia Luna Lemus.

*E. Phillips Oppenheim: 72 Novels & 100+ Short Stories (Illustrated Edition)* Trace Elements of Random Tea Parties

This comprehensive broadly-based collection gives the student a wide variety of selections in five major forms of literature. In addition, it offers a survey of the historical development of each genre; brief biographies of each author; a clear, concise editorial apparatus; lively introductions and critical remarks, as well as glossary and an index.

*Dark Skies* Simon and Schuster  
 Focus on CHARACTER with this leveled text set featuring five beloved tales from a variety of fiction genres! Texts are written at four levels to differentiate instruction. Provided comprehension questions complement the texts.

*The Tea Girl of Hummingbird Lane* Scarecrow Press  
 The Boston Tea Party is a famous event in U.S. history. Many myths have been told about it. In this interactive book, readers are challenged to separate the myths from the facts.

**HISTORICAL FICTION** Farrar, Straus and Giroux  
 "Poison Tea shines a spotlight on the shadowy Koch brother network and reveals hidden connections between the tobacco industry, the reclusive billionaire brothers, and the Tea Party movement. It's a major story that for too long has been underreported and poorly understood."—REP. HENRY WAXMAN, a former chairman of the House Energy and Commerce Committee How did today's Tea Party movement really come to be? Did it suddenly appear in 2009 as a spontaneous response to Barack Obama and health-care reform? Or was its true purpose and history something far different. Was it in fact a careful, strategic effort by two of the planet's wealthiest individuals, the tobacco industry, and other corporate interests to remake the government and seize control of one of our two national parties, ultimately gaining both the White House and Congress? Jeff Nesbit was in the room at the beginning of the unholy alliance between representatives of the world's largest private oil company and the planet's largest public tobacco company. There, they planned for a grassroots national political movement—one that would later be known as the Tea Party—that would promote their own corporate interests and political goals. Drawing from his own experience as

well as from troves of recently released internal tobacco industry documents, Nesbit reveals the long game that these corporate giants have played to become a dominant force in American politics.

 Kikko sets out after her father with a forgotten pie for Grandma. When she arrives at a strange house in the wintry woods, a peek in the window reveals that the footprints Kikko had been following did not belong to her father at all, but to a bear in a long coat and hat! Alice in Wonderland meets Little Red Riding Hood in this charmed tale.

*A Tempest of Tea* Farrar, Straus and Giroux (BYR)  
 Mr. Pumpkin invites friends to share a ghoulishly delightful tea. [Tombstone Tea](#) CHANGDER OUTLINE  
 Alice in Wonderland (also known as Alice's Adventures in Wonderland), from 1865, is the peculiar and imaginative tale of a girl who falls down a rabbit-hole into a bizarre world of eccentric and unusual creatures. Lewis Carroll's prominent example of the genre of "literary nonsense" has endured in popularity with its clever way of playing with logic and a narrative structure that has influence generations of fiction writing.

E. Phillips Oppenheim, the Prince of Storytellers (1866-1946) was an internationally renowned author of mystery and espionage thrillers. His novels and short stories have all the elements of blood-racing adventure and intrigue and are precursors of modern-day spy fictions.

*Dr. Joseph Warren* Harper

In order to be accepted by the "in crowd" at her new high school, Jamie accepts a dare to spend one night in a local cemetery collecting rubbings from ten gravestones. Once inside the gate of the dark and frightening burial ground, Jamie meets Paul, a handsome boy who works as a caretaker at the cemetery. Paul explains to Jamie about Tombstone Tea: a fund-raising performance in which actors impersonate the people buried in the cemetery. The actors are supposedly rehearsing on this particular

evening, but Jamie quickly discovers that they aren't actors at all but the ghosts of men and women buried in the cemetery. When one woman decides to adopt Jamie to replace her lost daughter, our heroine fears she may never escape the cemetery. Full of rich history and filled with a cast of ghostly characters, the third eerily descriptive novel from Joanne Dahme is just as creepy as her first novel *Creepers*.

Cousins Sophia Grace and Rosie plan a princess tea party, with invitations and costumes.

*Mr. Pumpkin's Tea Party* Oxford University Press, USA

"The aim of this little book is to discuss the outlines of the art of fiction." -- Preface.

ReadHowYouWant.com

"This is an action-packed, expertly plotted story, drenched in double crosses and intrigue, with an irresistible heroine and a sweet and sexy romance. A late-breaking twist gives way to a final act that will leave readers eager for subsequent books in this planned trilogy." —Publishers Weekly , starred review An obstinate girl who will not be married. A soldier desperate to prove himself. A kingdom on the brink of war. With a sharp tongue and an unruly temper, Sage Fowler is not what they'd call a proper lady—which is perfectly fine with her. Deemed unfit for a suitable marriage, Sage is apprenticed to a matchmaker and tasked with wrangling other young ladies to be married off for political alliances. She spies on the girls—and on the soldiers escorting them. As the girls' military escort senses a political uprising, Sage is recruited by a handsome soldier to infiltrate the enemy ranks. The more she discovers as a spy, the less certain she becomes about whom to trust—and Sage becomes caught in a dangerous balancing act that will determine the fate of her kingdom. With secret identities and a tempestuous romance, Erin

Beaty's *The Traitor's Kiss* is full of intrigue, espionage, and lies. An Imprint Book "Marital and martial matters collide when brides and spies become ensnared in a treasonous plot. . . . Sage is a clever, contrary female protagonist who remains realistic and likable, while her fellow protagonist Ash is enigmatic enough to require a second read. . . . Both epic and intimate, a semi-old-fashioned alternative to the wave of inexplicably lethal heroines and their smoldering love triangles." —Kirkus Reviews "Complex characterization, deftly layered adventure story, and [a] balanced blend of political maneuvering, romantic interludes, and action scenes." —Kirkus Reviews "Beaty balances a taut web of deceit...readers will be carried away by the mystery." —The Bulletin of the Center for Children's Books (BCCB) "A debut novel that blends fantasy, romance, and battlefield action. . . . A slow burn YA fantasy with clever genre mixing." —School Library Journal

*DIY MFA* Tor Teen

The garish neon lights of New York City's Times Square can be very seductive. And so can the promises of dark pleasures on the seedier side streets. To Davey Owen, the lure of a glowing sign advertising "Live Girls" was too hard to resist. He was looking for a little entertainment. He found instead a nightmare in the form of a beautiful but strangely pale woman. A woman who offers him passion, ecstasy— and eternal life—but takes in exchange his lifeblood and his very soul. It's scary, it's involving, and it's also mature and thoughtful." — Stephen King on Dark Channel "The most nightmarish vampire story I have ever read." — Ramsey Campbell "Garton never fails to go for the throat!" — Richard Laymon "Garton has a flair for taking veteran horror theiries and twisting them to evocative or entertaining effect." — Publishers Weekly "Ray Garton has consistently created some of the best horror ever set to print." — Cemetery Dance
