Berlitz Pocket Guide Irland (Travel Guide eBook) Cambridge University Press

Guide to walking the Camino Frances through northern Spain, the most popular version of the Camino de Santiago pilgrimage or Way of St James, covering the 784km from St-Jean-Pied-de-Port to Santiago de Compostela. The guidebook is everything you need to plan your camino. It describes the route in 36 stages and lists 500 pilgrim lodgings along the camino, including public and private albergues, with a

description of facilities available at each, allowing the route to be customised to suit your own itinerary. The accompanying map book is ideal for day-to-day use, with maps for the entire route showing the locations of accommodation and services, as well as over 100 useful town and village maps. Divided into 6 sections, the guidebook includes an additional section from Santiago de Compostela to Finisterre and Muxia on the Galician coast. Each section is broken down into detailed stages with easily customisable start and finish points due to the amount of accommodation available en route. This two-part guidebook and map book provide an abundance of

advice on planning and preparation, sample itineraries and detailed information that allows complete customisation of the Camino, making this an ideal guidebook for all pilgrims walking the Camino Frances.
