The Untold Story of the Talking Book W. W. Norton & Company
 A dynamic and exciting way to understand success and failure, through the life of Hannibal, one of history's greatest generals. The life of Hannibal, the Carthaginian general who crossed the Alps with his army in 218 B.C.E., is the stuff of legend. And the epic choices he and his opponents made on the battlefield and elsewhere in life offer lessons about responding to our victories and our defeats that are as relevant today as they were more than 2,000 years ago. A big new idea book inspired by ancient history, *Hannibal and Me* explores the truths behind triumph and disaster in our lives by examining the decisions made by Hannibal and others, including Albert Einstein, Eleanor Roosevelt, Steve Jobs, Ernest Shackleton, and Paul Cézanne—men and women who learned from their mistakes. By showing why some people overcome failure and others succumb to it, and why some fall victim to success while others thrive on it, *Hannibal and Me*

demonstrates how to recognize the seeds of success within our own failures and the threats of failure hidden in our successes. The result is a page-turning adventure tale, a compelling human drama, and an insightful guide to understanding behavior. This is essential reading for anyone who seeks to transform misfortune into success at work, at home, and in life.

"This guide contains an introduction to the new course, plus exam tips, comprehensive summary and discussion of each text in the Advanced English course, including Area of Study and Advanced English Modules, a list of key issues to consider in each chapter related to the relevant syllabus area, helpful advice on how to read different types of texts and plot outlines, character discussion and interpretations."--Publisher description.

Musical Theatre Histories CRC Press

The Anachronistic Turn: Historical Fiction, Drama, Film and Television is the first study to investigate the ways in which the creative use of anachronism in historical fictions can allow us to rethink the relationship between past and present. Through an examination of literary, cinematic, and popular texts and

practices, this book investigates how twenty-first century historical fictions use creative anachronisms as a way of understanding modern issues and anxieties. Drawing together a wide range of texts across all forms of historical fiction - novels, dramas, musicals, films and television - this book re-frames anachronism not as an error, but as a deliberate strategy that emphasises the fictionalising tendencies of all forms of historical writing. The book achieves this by exploring three core themes: the developing trends in the twenty-first century for creators of historical fiction to include deliberate anachronisms, such as contemporary references, music, and language; the ways in which the deliberate use of anachronism in historical fiction can allow us to rethink the relationship between past and present, and; the way that contemporary historical fiction uses anachronism to better understand modern issues and anxieties. This book will appeal to students and scholars of historical fiction, contemporary historical film and television studies, and historical theatre studies.

The Movie Business W. W. Norton & Company

In the last decade, a focus on memory in the human sciences has encouraged new approaches to the study of the past. As the humanities and social sciences have put into question their own claims to objectivity, authority, and universality, memory has appeared to offer a way of engaging with knowledge of the past as inevitably partial, subjective, and local. At the same time, memory and memorial practices have become sites of contestation, and the politics of memory are increasingly prominent. This inter-disciplinary volume demonstrates, from a range of perspectives, the complex cultural work and struggles over meaning that lie at the heart of what we call memory. The chapters in this volume offer a complex awareness of the workings of memory, and the ways in which different or changing histories may be explained. They explore the relation between individual and social memory, between real and imaginary, event and fantasy, history and myth. Contradictory accounts, or memories in direct contradiction to the historical record are not always the sign of a repressive authority attempting to cover something up. The tension between memory as a safeguard against attempts to silence dissenting voices, and memory's own implication in that silencing, runs throughout the book. Topics covered range from the Basque country to Cambodia, from Hungary to South Africa, from the Finnish Civil War to the cult Jim Jarmusch movie *Dead Man*, from the Rock and Roll Hall of Fame to Australia. Part I, "Transforming Memory" is concerned primarily with the social and personal transmission of memory across time and generations. Part II, "Remembering Suffering: Trauma and History," brings the after-effects of catastrophe to the fore. Part III, "Patterning the National Past," the relation between nation and memory is the central issue. Part IV, "And Then Silence," reflects on the complex and multiple meaning of silence and oblivion, wherein amnesia is often used as a figure for the denial of shamefu

The Haunting of Lin-Manuel Miranda Corwin Press

Telling History is a manual for creating well-researched and engaging historical presentations. As museums and other informal learning institutions work to create new and appealing programs, many are turning to dramatic impersonations accompanied by informed discussions to educate their audiences. This book guides the performer through selecting characters, researching and writing scripts, performing for various kinds of audiences, and turning performance into a business. For museums, historic sites, and community organizations, it offers advice on training and funding historical performers, as well as what to expect from professionals who perform at your site.

HSC Advanced English Teachers College Press

Presents a history of the ancient world, from 6000 B.C. to 400 A.D.

Dramatizing 17th Century Family History of Deacon Stephen Hart & Other Early New England Settlers Simon and Schuster

The book "A History of Story-telling studies in the development of narrative" examines the history of narrative and storytelling by focusing on the development of form and techniques in the narrative. The book is divided into two major sections. The first section begins with an examination of the origins of narrative and storytelling, then moves on to an analysis of the medieval poem 'The Romance of the Rose,' as well as works by Chaucer and Boccaccio. This section also looks at the Rogue Novel, the Elizabethans, and the Pastoral, as well as Cervantes and eighteenth-century authors like Fielding, Smollett, and the masculine novel. The second section examines Romanticism to various authors such as Chateaubriand and then moves on to a study of nineteenth-century literature before concluding with a note on Flaubert and De Maupassant and a general conclusion.

Liberating the Bible Rowman & Littlefield

"That's a lot of horse hockey, Hamilton." Described by the New York Times as "classic activist theater" and "a cross between 'A Christmas Carol' and a trial at The Hague's International Criminal Court." "In this, his latest work, the protean Ishmael Reed--the legendary artist and prolific writer--continues to burnish his already sterling reputation by dismantling the 'Creation Myth' of the founding of the U.S., as represented in the incredibly profitable play and musical, *Hamilton*. Reed, a verbal acrobat of global renown, demonstrates here why he is widely considered to be the leading intellectual in the U.S. today." -Gerald Horne, author of *The Counter-Revolution of 1776: Slave Resistance and the Origins of the USA* This powerful play, originally produced at the Nuyorican Poets Café, comprehensively dismantles the phenomenon of Lin-Manuel Miranda and *Hamilton*. Reed uses the musical's crimes against history to insist on a radical, clear-eyed way of looking at our past and our selves. Both durable and timely, this goes beyond mere corrective - it is a meticulously researched rebuttal, an absorbing drama, and brilliant rallying cry for justice. The perfect tie-in to both the success of and backlash to *Hamilton*, it is the major voice in contrast to the recent movie. It captures both the earnest engagement that fans of the musical desire, as well as the exhausted disbelief of those who can't stand it. Teachers, students and fans of drama, literature, and history will find much to love. It is written by one of America's most respected and original writers, who is eagerly promoting it, and who is long overdue for a renaissance.

Tell Your Story Harvard University Press

HOW DO YOU DEFINE YOURSELF? IN A VERY REAL SENSE, we define ourselves through our stories. If we can truly understand the stories that made us the women we are, including the motivations behind our actions and thoughts, we can take charge of how our future unfolds. WHAT IS AT THE HEART OF YOUR STORY? Follow the prompts, tools, questions, and advice through a labyrinth of self-discovery to reach the center of your voice, your power, your truth. And then learn how to share that story—and all of your Feminine Power—with a world that needs to hear it.

Telling Your Story HarperCollins

The volume is a collection of scholarly essays and personal responses that contextualizes *Hamilton: An American Musical* in various frameworks: hip-hop theatre and history, American history, musicals, contemporary politics, queer theory, feminism, and more. *Hamilton* is arguably the most important piece of American theatre in 25 years in terms of both national impact and shaping influence on American theatre. It is part of a larger history of American theatre that reframes the United States and

shows the nation its face in a manner not before seen but that is resolutely true. With essays from a number of scholars, artists, political scientists, and historians, the book engages with generational differences in response to the play, transformations of the perception of the musical between the Obama and Trump administrations, youth culture, color-conscious casting, feminist critiques, comparisons with *black-ish*, *The Mountaintop*, *Assassins*, and *In the Heights*, as well as *Hamilton's* place in hip hop theatre.

The Middle Ages World Scientific

From the winner of the 2014 Regional Emmy Award for *A Farm Winter* with Jerry Apps Jerry Apps, renowned author and veteran storyteller, believes that storytelling is the key to maintaining our humanity, fostering connection, and preserving our common history. In *Telling Your Story*, he offers tips for people who are interested in telling their own stories. Readers will learn how to choose stories from their memories, how to journal, and find tips for writing and oral storytelling as well as Jerry's seasoned tips on speaking to a live radio or TV audience. *Telling Your Story* reveals how Jerry weaves together his stories and teaches how to transform experiences into cherished tales. Along the way, readers will learn about the value of storytelling and how this skill ties generations together, preserves local history, and much more.

A straightforward business and legal guide for novice movie producers covers a wide range of topics, including intellectual property laws, financing, and production challenges, in a guide that also provides in-depth coverage of understanding and negotiating a movie contract.

Like a Love Story Hachette UK

In this volume, Bible Studies scholar Yitzhak (Itzik) Peleg offers an educational, values-based approach to the cycle of Jewish holidays—festivals and holy days—as found in the Jewish calendar. These special days play a dual role: they reflect a sense of identity with, and belonging to, the Jewish people, while simultaneously shaping that identity and sense of belonging. The biblical command “And you shall tell your son” (Exodus 13:8) is meant to ensure that children will become familiar with the history of their people via the experience of celebrating the holidays. It is the author's claim, however, that this command must be preceded by another educational command: “And you shall listen to your son and your daughter.” The book examines the various Jewish holidays and ways in which they are celebrated, while focusing on three general topics: identity, belonging, memory. Throughout the generations, observance of the holidays has developed and changed, from time to time and place to place. These changes have enabled generations of Jews, in their various communities, to define their own Jewish identity and sense of belonging.

The Greatest Love Story Ever Told Penguin

Liberating the Bible offers readers a handbook to help them make their way through a front-to-back exploration of the riches contained in the Bible. Thomas Calnan Sorenson blends scholarship with a down-to-earth presentation in a survey of the Bible that uncovers the basics of its many books and reveals the persuasive power of its messages to nurture faith, expand understanding, and deepen connections to God. *Liberating the Bible* organizes its guidance into three parts. In *Approaching the Bible*, eleven stops on the tour investigate the basics of the Bible, its status in the church, methods for reading and interpreting it, and the grounding of its claims. The second part, *The Old Testament*, groups the books of this testament and covers over sixteen stops. Each of the stops delves into a book or cluster of books, examining historical background, organization, key

passages, and distinctive themes and messages. The third part, *The New Testament*, provides similar guidance while making eleven stops along the way. If you are one of the millions who have a Bible—or several—on your nightstand, but find yourself confused or intimidated by its size and scope, then this guidebook offers its companionship. It promises to serve as a seasoned and knowledgeable resource to consult as you make your trip through the Bible. It will help you find a deeper faith and stronger ties to God through the Bible's powerful witness.

Stonewall Honor Book * A Time Magazine Best YA Book of All Time
“A book for warriors, divas, artists, queens, individuals, activists, trend setters, and anyone searching for the courage to be themselves.”—Mackenzi Lee, New York Times bestselling author of *The Gentleman's Guide to Vice and Virtue* It's 1989 in New York City, and for three teens, the world is changing. Reza is an Iranian boy who has just moved to the city with his mother to live with his stepfather and stepbrother. He's terrified that someone will guess the truth he can barely acknowledge about himself. Reza knows he's gay, but all he knows of gay life are the media's images of men dying of AIDS. Judy is an aspiring fashion designer who worships her uncle Stephen, a gay man with AIDS who devotes his time to activism as a member of ACT UP. Judy has never imagined finding romance...until she falls for Reza and they start dating. Art is Judy's best friend, their school's only out and proud teen. He'll never be who his conservative parents want him to be, so he rebels by documenting the AIDS crisis through his photographs. As Reza and Art grow closer, Reza struggles to find a way out of his deception that won't break Judy's heart—and destroy the most meaningful friendship he's ever known. This is a bighearted, sprawling epic about friendship and love and the revolutionary act of living life to the fullest in the face of impossible odds.

The Well-Trained Mind: A Guide to Classical Education at Home (Third Edition) Morgan James Publishing

Here is a step-by-step guide to writing historical skits, plays, or monologues for all ages from true life stories, genealogy records, oral history, DNA-driven anthropology, social issues, current events, and personal history of early colonial era settlers. Put direct experience in a small package and launch it worldwide. You could emphasize the early New England 17th century settlers and their diaries of family life, food, clothing, marriage, spirituality, customs, or significant life events, migrations, work, lifestyle, or turning points. Write your life story or your ancestor's or favorite historical person in short vignettes of 1,500 to 1,800 words. Write a longer novel or a short play for school audiences. Write a children's book with illustrations. Write a skit, a monologue, or a play based on genealogy, family history, or significant events. You can focus on relations between families, or early settlers and Native American tribes or on personal family history, marriages, and inter-family issues.

“And You Shall Tell Your Son” Simon and Schuster

Don't restrict your creative property to one media channel. Make the essential leap to transmedia! From film to television to games and beyond, *Storytelling Across Worlds* gives you the tools to weave a narrative universe across multiple platforms and meet the insatiable demand of today's audience for its favorite creative property. This, the first primer in the field for both producers and writers, teaches you how to: * Employ film, television, games, novels, comics, and the web to build rich and immersive transmedia narratives * Create writing and production bibles for transmedia property * Monetize your stories across separate media channels * Manage transmedia brands, marketing, and rights * Work effectively with writers and producers in different areas of production * Engage audiences with transmedia

storytelling Up-to-date examples of current transmedia and cross-media properties accompany each chapter and highlight this hot but sure-to-be enduring topic in modern media.

Telling History Harvard University Press

"If you're a parent who has decided to educate your children yourself, this book is the first you should buy."—*Washington Times* The Well-Trained Mind will instruct you, step by step, on how to give your child an academically rigorous, comprehensive education from preschool through high school—one that will train him or her to read, to think, to understand?, to be well-rounded and curious about learning. Veteran home educators Jessie Wise and Susan Wise Bauer outline the classical pattern of education called the trivium, which organizes learning around the maturing capacity of the child's mind and comprises three stages: the elementary school "grammar stage," the middle school "logic stage," and the high school "rhetoric stage." Using this theory as your model, you'll be able to instruct your child in all levels of reading, writing, history, geography, mathematics, science, foreign languages, rhetoric, logic, art, and music, regardless of your own aptitude in those subjects. This newly revised edition contains completely updated ordering information for all curricula and books, new and expanded curricula recommendations, new material on using computers and distance-learning resources, answers to common questions about home education, information about educational support groups, and advice on practical matters such as working with your local school board, preparing a high school transcript, and applying to colleges.

Writing History in the Global Era Wipf and Stock Publishers

2016 Word Guild Award - Academic category Honorable mention,

Grace Irwin Prize Renowned scholar Craig Bartholomew, coauthor of the bestselling textbook *The Drama of Scripture*, writes in his main area of expertise--hermeneutics--to help seminarians pursue a lifetime of biblical interpretation. Integrating the latest research in theology, philosophy, and biblical studies, this substantive hermeneutics textbook is robustly theological in its approach, takes philosophical hermeneutics seriously, keeps the focus throughout on the actual process of interpreting Scripture, and argues that biblical interpretation should be centered in the context and service of the church--an approach that helps us hear God's address today.

A History of Story-telling Workman Publishing Company

Musical theatre is often perceived as either a Broadway based art form, or as having separate histories in London and New York.

Musical Theatre Histories: Expanding the Narrative, however, depicts the musical as neither American nor British, but both and more, having grown out of frequent and substantial interactions between both centres (and beyond). Through multiple thematic 'histories', Millie Taylor and Adam Rush take readers on a series of journeys that include the art form's European and American origins, African American influences, negotiations around diversity, national identity, and the globalisation of the form, as well as revival culture, censorship and the place of social media in the 21st century. Each chapter includes case studies and key concept boxes to identify, explain and contextualise important discussions, offering an accessible study of a dynamic and ever evolving medium. Written and developed for undergraduate students, this introductory textbook provides a newly focused and alternative way of understanding musical theatre history.
