Every Little Secret Open Road Media

There's nothing a mother wouldn't do for her children - even if it means telling a lie... Sisters Georgie and Kate have always been close. Brought up by their mum Jan after the death of their father, this family of women have always been able to rely on each other. Jan loves her daughters with all her heart. She knows some people think she's an over-protective mother, but they didn't know what she knows. She has always kept her girls close but now she can feel them slipping away. Secrets have a nasty habit of refusing to stay hidden, and now Georgie and Kate are about to discover that while lies can cause pain, the truth could destroy them all. Two beloved girls. The mother who adores them. The secret that could tear them apart. Bestselling novelist Clare Swatman returns with a heart-breaking, devastating, but ultimately uplifting story about mothers, daughters and the bonds of love. Praise for Clare Swatman: 'Before We Grow Old is an unashamedly big, life-affirming, tear-jerking love story. Beautifully told, characters Fran and Will had me from the first page, and crying buckets by the last ! Just gorgeous.' Katy Regan 'Before We Grow Old took me on an intense emotional journey, and I cried at the end (and I rarely cry when I'm reading!) The portrayal of the mother and son bond - with its peaks and troughs of intensity and frustration - felt incredibly real, and the dialogue in particular was brilliantly done.' Victoria Scott 'A beautifully written tale of enduring love' - Rowan Coleman 'Irresistible . . . A delightfully bittersweet story that will appeal to fans of One Day' - Sunday Mirror 'Wonderful' - Sun

Problem: People are tired of feeling powerless and uninformed when dealing with insurance. Solution: At last, here you'll find the inside tips that will enable you to save money, time, and avoid frustration when buying or renewing your insurance. Dear Friend: If you're like most people, you're paying too much on your insurance premiums and should know that there are "untold" ways to save money and prevent aggravation. But unless you

were privy to the "inside tips" that most insurance professionals know about, you wouldn't have a clue as to how you could save as much as possible. Well, here's your chance to get the secrets that some don't volunteer to share. Listed below are just some of the things you'll learn in "Insurance Secrets Revealed," to start putting cash back into YOUR pocket, take better control, and protect yourself & family...right away:

- Learn the one simple "secret" that could save hundreds or thousands of dollars off of a homeowners or auto insurance premium immediately!
- Discover the one thing that's overlooked by most people and causes them to overpay month after month
- Learn the "special questions" to ask an insurance company or agent that can save you money off of your quote or premium
- Discover how and when an insurance company can fix your car, even if you only have liability coverage
- Learn "Secrets" to saving money when insuring younger drivers
- How to prevent paying "out of pocket" (despite having insurance) to your finance or leasing company after a major accident
- Discover 12 important insurance products you must know about NOW!
- How to inexpensively cover yourself against major lawsuits
- How to really buy auto insurance and what you should be asking for
- How to choose a good insurance company before it's too late
- Learn what to include in your policy, to get more money for your home or auto claim
- How to get life insurance death benefits WHILE YOU'RE STILL LIVING (most people are absolutely shocked by this, and no, it's not the accumulated cash value of the policy.)
- Find out these important tips to keep from being "penalized" or cancelled by your insurance company
- Learn the difference between buying insurance through agents, brokers, and buying direct (there is a difference)
- Find out things you should know about the claims process, that perhaps no one ever told you!
- Discover what every homeowner should know about mold, where to go for help, and much more!

DON'T RELY SOLELY ON AGENTS OR SALES REPS TO TELL YOU HOW TO SAVE ON, OR BUY INSURANCE! Insurance is a serious topic and the truth of the matter is that most people don't have a clue as to what they're getting or what they should be asking for when talking to an insurance agent. Not knowing what to buy or what type of policy is best for your situation can

cost you and your family BIG TIME by leaving you at the mercy of an insurance salesperson's lack of experience, knowledge and/or concern. To be honest, you have a right to know all you can without being an insurance agent yourself. This is why this information is now being revealed, so consumers like yourself can be put on a level playing field, compared to people that just blindly buy insurance everyday, pay more than they have to, and walk away with inadequate protection. Friend, don't let a lack of knowledge keep you from empowering yourself! This is the type of straight-up information that you need, "real world" info that will tell you like it really is, (something rarely found elsewhere). Now is the time to stop being vulnerable and seize control by becoming an informed buyer! Get your copy today! "Insurance Secrets Revealed by award-winning insurance agent and expert, Rodger Nelson, is a highly practical guide filled from cover to cover with money-saving advice that the insurance companies themselves will never voluntarily reveal to prospective policyholders. Individual chapters cogently address pertinent issues ranging from untold "secrets" of life insurance; solid tips for protecting a business through insurance; insuring against threats to personal finances; and much, much more. Insurance Secrets Revealed is strongly recommended supplementary reading for insurance buyers everywhere." - Midwest Book Review

There are 15 million women drivers in the UK, yet so often they can feel at a disadvantage when it comes to dealing with the male-dominated motor industry. The solution has generally been seen as to call upon a male partner or family member for help. However, many women don't have a car-savvy bloke easily to hand - and would prefer to be more independent anyway. This is where The Girls' Car Handbook comes in. A vital reference book, it

is packed with useful information designed to give women greater confidence when tackling every aspect of motoring from getting a good deal when buying a car, personal safety when driving, handling accidents and breakdowns, tips for greener motoring and much, much more.

NATIONAL BESTSELLER • The gripping story of Elizabeth Holmes and Theranos—one of the biggest corporate frauds in history—a tale of ambition and hubris set amid the bold promises of Silicon Valley, rigorously reported by the prize-winning journalist. With a new Afterword covering her trial and sentencing, bringing the story to a close. “Chilling ... Reads like a thriller ... Carreyrou tells [the Theranos story] virtually to perfection.” —The New York Times Book Review In 2014, Theranos founder and CEO Elizabeth Holmes was widely seen as the next Steve Jobs: a brilliant Stanford dropout whose startup “unicorn” promised to revolutionize the medical industry with its breakthrough device, which performed the whole range of laboratory tests from a single drop of blood. Backed by investors such as Larry Ellison and Tim Draper, Theranos sold shares in a fundraising round that valued the company at more than \$9 billion, putting Holmes’s worth at an estimated \$4.5 billion. There was just one problem: The technology didn’t work. Erroneous results put patients in danger, leading to misdiagnoses and unnecessary treatments. All the while, Holmes and her partner, Sunny Balwani, worked to silence anyone who voiced misgivings—from journalists to their own employees.

'If you look at the murders - I wanted it and Hazel facilitated it. So we were both waltzing in time.' - Colin Howell at the trial of Hazel Stewart May 1991. The location - a quiet picturesque seaside town. The scene - two bodies in a car filled with carbon monoxide. Police officer Trevor Buchanan and nurse Lesley Howell have apparently taken their own lives, unable to lives with the pain of their spouses' affair with each other. The adulterous pair - Sunday school teacher Hazel Buchanan and dentist Colin Howell - had met in the local Baptist Church. Following the apparent double-suicide, they continue their affair secretly before both later remarrying. A series of disasters in Howell's life - the death of his eldest son, massive losses in an investment scam, and the revelation that he has been sexually assaulting sedated female patients - lead to him declaring that he is a fraud and a godless man. He tells the elders of his church that he and Hazel Stewart conspired together to murder their spouses nearly two decades earlier. What follows the dramatic confession are two of the most sensational murder trials ever seen in the United Kingdom, Howell's conviction for murder in December 2010 and Stewart's in March 2011, despite her protestations of innocence. 'If I was

controlling in one area, Hazel was controlling in another area. It was a dance between control and manipulation.' - Colin Howell at the trial of Hazel Stewart In *Let This Be Our Secret* distinguished journalist Deric Henderson has produced the definitive account of one of the most extraordinary murder cases to hit these islands for decades.

Burley found that the books on money either went one of two ways. They were either too technical that once you were done

reading them, you had to do a bunch of research in order to even begin, or they were very motivational but didn't tell you what to actually do. *Money Secrets Of The Rich* strives to be a book that does both.

Following a major loss, five sisters pledge to keep it real but one is hiding a big secret in the first of this series from the author of *A Sister's Power*. Savvy and decisive, Burgundy Reeves feels blessed with a good husband and a successful career. She is the sister everyone envies. Since her beloved mother's death, she's given troubled youngest sister, Elyse, a stable home when she needs it most. And she's taken it on herself to keep her contentious siblings together. Under her guidance, they all meet bi-monthly on "Sister Day," a time when they get together to bond, to receive a challenging "assignment", and to cope with a range of things—including their many differences . . . Among the sisters' most challenging assignments: tell the truth. But truthfulness leads to an unveiling of secrets that may destroy lives. Burgundy is struggling to show Coco the real deal about her unreliable baby daddy. If she and level-headed Drucilla can also convince hard-headed eldest sister Alita to give Coco more love than tough talk, that might heal a longtime rift. But it's teenage Elyse's truth that will shatter Burgundy's perfect world beyond repair. And putting the pieces back together could make the sisters stronger together than ever—or pull them apart for good. One Secret Night Henry Holt and Company

The Bhagavad Gita, often referred to simply as the Gita, is a 700-verse Hindu scripture that is part of the ancient Indian epic, the

Mahabharata. It is written in the form of a dialogue between Prince Arjuna and Lord Krishna, who serves as his charioteer. The Gita is considered one of the most important texts in the history of literature and philosophy and is revered as a sacred scripture in Hinduism. The Bhagavad Gita takes place on the battlefield of Kurukshetra, just before the start of a great war between two factions of a royal family, the Pandavas, and the Kauravas. Arjuna, a warrior prince and leader of the Pandavas, is filled with doubt and moral dilemmas about fighting in the war.

Every president has had a unique and complicated relationship with the intelligence community. While some have been coolly distant, even adversarial, others have found their intelligence agencies to be among the most valuable instruments of policy and power. Since John F. Kennedy's presidency, this relationship has been distilled into a personalized daily report: a short summary of what the intelligence apparatus considers the most crucial information for the president to know that day about global threats and opportunities. This top-secret document is known as the President's Daily Brief, or, within national security circles, simply "the Book." Presidents have spent anywhere from a few moments (Richard Nixon) to a healthy part of their day (George W. Bush) consumed by its contents; some (Bill Clinton and George H. W. Bush) consider it far and away the most important document they saw on a regular basis while commander in chief. The details of most PDBs are highly classified, and will remain so for many years. But the process by which the intelligence community develops and presents the Book is a fascinating look into the operation of power at the highest levels. David Priess, a former intelligence officer and daily briefer, has interviewed every living president and vice president as well as more than one hundred others intimately involved with the production and delivery of the president's book of secrets. He offers an unprecedented window into the decision making of every president from Kennedy to Obama, with many character-rich stories revealed here for the first time.

"When you're done binge-watching *The Crown*, pick up this multifaceted wartime thriller." —Kirkus Reviews As London endures nightly German bombings, Britain's secret service whisks the princesses Elizabeth and Margaret from England, seeking

safety for the young royals on an old estate in Ireland. Ahead of the German Blitz during World War II, English parents from every social class sent their children to the countryside for safety, displacing more than three million young offspring. In *The Secret Guests*, the British royal family takes this evacuation a step further, secretly moving the princesses to the estate of the Duke of Edenmore in "neutral" Ireland. A female English secret agent, Miss Celia Nashe, and a young Irish detective, Garda Strafford, are assigned to watch over "Ellen" and "Mary" at Clonmillis Hall. But the Irish stable hand, the housemaid, the formidable housekeeper, the Duke himself, and other Irish townspeople, some of whom lost family to English gunshots during the War of Independence, go freely about their business in and around the great house. Soon suspicions about the guests' true identities percolate, a dangerous boredom sets in for the princesses, and, within and without Clonmillis acreage, passions as well as stakes rise. Benjamin Black, who has good information that the princesses were indeed in Ireland for a time during the Blitz, draws readers into a novel as fascinating as the nascent career of Miss Nashe, as tender as the homesickness of the sisters, as intriguing as Irish-English relations during WWII, and as suspenseful and ultimately action-packed as war itself.

This is the best book you can own on the strategies YOU need to use to get the insurance companies to pay you ALL the money you are entitled to collect when you have a claim. Wouldn't you agree that nothing else matters about insurance other than

getting the claim PAID IN FULL? In this book, you will learn:
 – The games and scams insurance companies use to cut costs and keep claim payments at the lowest amounts possible
 – When it's the right time to use an attorney – How you can take control of your claim, and not allow the insurance company or claims adjuster to control YOU
 – What a Public Adjuster is, and the valuable help you can get from Public Adjusters
 – That the insurance adjuster is NOT there to help you – and much more
 You will learn: – What to do when you have a car accident...BEFORE you open the car door or talk to anyone
 – How much MORE money I collected (thousands!) in the two little claims I had while writing this book
 – About Diminished Value on automobiles, and how it can cost you THOUSANDS if you don't fight
 – About cheap aftermarket auto parts that insurance companies LOVE, but leave you less safe
 – And so much more
 Ask yourself these questions: Do you carry a spare tire and jumper cables in the trunk of your car? Do you have a toolbox at home? Have you ever bought a book or read an article that showed you how to fix something? Do you own a first aid kit? Do you have a fire extinguisher or smoke alarms in your home? Why would you do ANY of those things? Answer: So you are prepared BEFORE something bad happens. READ THIS BOOK BEFORE SOMETHING BAD HAPPENS TO YOU!!! READ THIS BOOK AFTER SOMETHING BAD HAPPENS TO YOU, TO KEEP IT FROM GETTING WORSE! This book should be on the shelf in EVERY HOME. This book should be in EVERY automobile glove box.

Car Sharks and Closers is a complete automobile sales training manual with only one goal - To train salespeople, Sales Managers,

and Finance Managers to close sales at maximum gross profit, with the highest customer satisfaction ratings! That's it - Closing sales! Period! It's a shame to see a dealer invest a fortune on a magnificent facility, allocate enormous advertising budgets, and then struggle with outdated, unprofessional, and crude sales techniques! This book will rejuvenate and professionalize your sales team. It begins with helping new people through their training, and puts them on a fast track to success! It virtually eliminates the high turnover by preparing them for the frustrations, and helps to overcome the "mind games," and misdirection from their peers, and the "wait and see if they make it" attitude from their trainers. This manual contains "exact" closing scripts, along with the body language so critical to their success! It also explores the psychology of why these closes work so well. The secrets of making "multiple passes" to achieve the maximum profit, while maintaining guaranteed customer satisfaction are revealed in detail. The author is a Master Closer with 30 years of perfecting these techniques with some of the largest dealerships and auto groups in the country. He has personally closed over 17,000 sales of cars, trucks and motorhomes. Having held every dealership position, from salesman to Sales Manager, Finance Manager, Closer, and owner of a multi-line dealership. He has perfected the art of closing car deals! Consider Car Sharks and Closers as a complete course for achieving your "Master's Degree" in closing car deals! Every dealership sales team must be using the same song sheet for maximum success. Even sharks hunt better when "schooled!" This book will absolutely raise your closing ratio and bottom line profit!
