RODNEY MORA

Comfort Knitting & Crochet: Babies & Toddlers Anne Schwartz Books

A picture paints a thousand emotions in these eight tales of colorful romance. Don't miss a stroke of these wonderful stories of inspiration and passion. Heath's Hope: Ambitious Hope MacKenzie left Heath Beckett with a bleeding heart, but now she's back in town to aid her family's struggling bank. When she gives a personal loan to the women who own the local knitting shop without consulting Heath, who has helped them with their finances for years, the two must work together to ensure the ladies' business plan is in tip-top shape. But will sharing their time reawaken deeper feelings? Sweet Tooth: Artist Micah Taylor has returned home to Fiesta, Florida, after the death of the father who disowned him. When he decides to buy his father's favorite candy to lay on his grave, it leads to a scorching-hot reunion with Sweet Tooth store owner Cash Callahan. Micah wants to publicly celebrate their rekindled feelings, but Cash fears the backlash from small-town minds intolerant of both gay and interracial romance. It's up to Micah to convince him that life is

sweeter when you're true to yourself. Sparked by Love: If artist Leo Wilson can get the okay to install his glass fireworks at Fort Vancouver on the Fourth of July, it could be his big career break. But some crabby bureaucrat stands between him and the permits he needs. He's surprised to discover the culprit is actually beautiful, young Shannon Morgan, and even more shocked when fireworks ignite between them. Delicious Deception: Artist Emily Kate Boudreaux spends her days running a restaurant on a Texas bayou because it's what her family expects. Then sexy chef Connor Rikeland walks into her life and turns her business—and her bed—into one hot adventure. But his story is a sham, and Cajun cooking isn't his ticket to fame after all. Emily Kate must decide what's real, what's a lie, and what's worth risking her heart over. The Bull Rider's Keeper: Rodeo star Jesse Sullivan isn't afraid of anything...except maybe following his secret dream of being an artist. When he decides to take a chance and make an offer on an art gallery, owner Taylor DeMarco teaches him what it means to be truly fearless. Ruby's Reward: When Ruby Rendell's vindictive ex accuses her of illegally trading stolen artwork, she makes just one mistake in her defense: she lets her body outwit her brain. Her affair with her ex's sidekick, Raphael Gianetti, is definitely a bad idea...but it feels so good. Art of Affection: Holly Hartland has spent the last year in

Los Angeles finalizing her divorce and getting her career as an art gallery curator back on track. The platonic co-parenting role she shares with LAPD detective Gary Sumner is perfect for two people who've sworn off romance, but the burgeoning sexual chemistry they share proves hard to ignore. Montana Christmas Magic: Former tennis pro Logan Collins inherits a cabin in rural Phillipsburg, Montana, that he's not allowed to sell for six months. It's just enough time to start a sweet relationship with artist and temporary chocolatier Julie Thompson. But despite the trappings of permanence—a dog, a horse, and a woman who brings light into his dark days—his life is still in New York. Can he persuade Julie that Christmas in Manhattan is just as inspiring? Or will the holidays put the final wrap on their relationship? Sensuality Level: Sensual

The simplest stitch—the most spectacular results! Featuring a foreword from knitwear designer Holli Yeoh! Garter stitch is the first stitch pattern we learn as knitters—and now, we celebrate the beauty and sophistication of this simple stitch with Garter Stitch Revival. In this gorgeous collection, each project highlights garter stitch in its detail work, as a supporting role for other stitches, or as the star of the show. In projects such as *Be True Fingerless Mitts* and the *Flapper Cloche*, the beauty is in the details created with the use of the garter stitch. In the *Beachcomber Braided Poncho*, the *Santa Monica Cardigan*, and more, you’ll discover how perfect the garter stitch can be for offsetting other stitch patterns. And when used as the main stitch in designs such as the *Festival Halter Top* and the *Autumn Evening Shrug*, the texture and lovely repetition result in stunning finished pieces. Whether you’ve always loved the garter stitch or you’re returning to an old friend, the twenty gorgeous projects in *Garter Stitch Revival* certainly show that it’s a classic for a million beautiful reasons.

Meet the four sexy brothers of Beauford Bend in this enchanting new Southern series by USA Today best-selling author Alicia Hunter Pace! Nearly thirty miles from Nashville sits the boutique town of Beauford, known for its artisan craft shops and colorful personalities—especially the renowned Beauford brothers. Haunted by the tragic fire that orphaned them years ago, the boys left town to find fame and success. Now they’re coming home. But surprising revelations about that fateful night—and the love of a few good Southern women—will heal their hearts and change their lives forever. Forgiving Jackson: When a devastating fire at one of his concerts reopens old wounds for country superstar Jackson Beauford, he heads home for some peace and quiet—only to discover that stubborn Southern magnolia Emory Lowell has planted herself at his family estate, bringing chaos in her wake. Nickolai’s Noel: An ice storm traps hockey pro Nickolai Glazov with quilt shop owner Noel Verden one fateful Christmas. As these two strong-willed folks fall in love then fall apart, they’ll learn that home is the place you hang your heart (not just your quilt or your hockey stick). Reforming Gabe: Once the NFL’s best wide receiver, Gabe Beauford’s been dropping the ball this season—literally. After his team loses the Super Bowl, he heads back to Beauford to hide and brood, but crossing paths with independent and talented jewelry maker Neyland MacKenzie puts a new gleam in his eye. She needs saving, and he needs a project... But will his not-so-deft touch ruin her dreams and their chance at real love? Redeeming Rafe: Bull riding, cliff diving, plane jumping—if it makes most men quake in their boots, Rafe Beauford does it eagerly. But his wild lifestyle comes to a halt when he discovers he’s the father of toddlers. Taking his twin girls back to Beauford, he plans to leave them there to grow up with a nanny, but the woman he hires, widowed mom Abigail Whitman, is determined to show him the importance of family—and love. Heath’s Hope: Ambitious and career-minded Hope MacKenzie left Heath Beckett with a bleeding heart years ago. Now she’s back in town because her family’s bank needs her

desperately. When she gives a personal loan to the women who own the local knitting shop without consulting Heath, who has helped them with their finances for years, the two must work together to ensure the ladies’ business plan is in tip-top shape. But will sharing their time lead to deeper feelings being re-awakened? Healing Beau: Sick of being babied his whole life, youngest brother Beau joined the army as soon as he could. He thought he’d be a lifer, but an injury sends him back to Beauford without peace or a purpose. Knowing he can’t heal until some truths come to light, his old friend Christian Hambrick, who always held a torch for him, wages a full-scale war on the past—and emerges with the secrets about what really happened the night of the fire.

“Thiessen has done her research, and talked to people who truly have insight into the process of making both yarn and clothing.” —Modern Daily Knitting Like the “slow food” movement, Slow Knitting encourages knitters to step back, pare down, and celebrate the craftsmanship of their work. In five chapters centered around the tenets of slow knitting—sourcing carefully, making thoughtfully, thinking environmentally, experimenting fearlessly, and exploring openly—Hannah Thiessen challenges knitters of all skill levels to view their practice in a new way. Each chapter contains explorations of fiber types; profiles of well-known yarn types, makers, and yarn suppliers; and garment patterns inspired by the featured fibers. With contributions from knitting superstars Norah Gaughan, Bristol Ivy, and many others, *Slow Knitting* proposes an approach to knitting that is both minimalist and all-encompassing, and emphasizes what makes knitting a meditation, a passion, and a unique necessity. “Promotes the concept of ‘slow knitting’ which discards the pressure to produce prolifically and instead, revolves around the idea that thoughtfully produced yarn will result in better projects for you—the crafter.” —MarthaStewart.com
