Snow Crash Macmillan

The true story of a man who spun a web of lies around his life ventures into the mind of a psychotic murderer who managed to convince thousands of people that he was a successful, credentialed physician. Reprint. 35,000 first printing.

City of the Beasts Independently Published

'Convincingly researched and thoroughly entertaining' - Wall Street Journal THE TIMES BEST BOOKS OF 2020 'This book shows that, despite rumours of demon dwarfs, piano-playing crocodiles and world domination, the real story of the Freemasons is one of male eccentricity.' 'The Craft is a superb book that often reads like an adventure novel. It's informative, fascinating and often very funny. The depth of research is awe-inspiring, but what really makes this book is the author's visceral understanding of what constitutes a good story.' - The Times Book of the Week '[John Dickie] takes on this sensational subject with a wry turn of

phrase and the cool judgment of a fine historian... I enjoyed this book enormously. Dickie's gaze is both wide and penetrating. He makes a persuasive case for masonry's historic importance.' - Dominic Sandbrook, Sunday Times 'The Craft is a shadow history of modernity. Though more sober than most lodge meetings, it is, like its subject, ingenious and frequently bizarre... The Craft is well-crafted and sensible, making good use of English archives which have only recently been opened.' - Spectator *** Insiders call it 'the Craft'. To the rest of us, Freemasonry is mysterious and suspect. Yet its story is peopled by some of the most distinguished men of the last three centuries: Winston Churchill and Walt Disney; Wolfgang Mozart and Shaquille O'Neal; Benjamin Franklin and Buzz Aldrin; Rudyard Kipling and 'Buffalo Bill' Cody; Duke Ellington and the Duke of Wellington. Founded in London in 1717 as a set of character-forming ideals and a way of binding men in fellowship, Freemasonry proved so addictive that within two decades it had spread across the globe. Masonic influence became pervasive. Under George Washington, the Craft became a creed for the new American nation. Masonic networks held the British empire together. Under Napoleon, the Craft became a tool of authoritarianism and then a cover for revolutionary conspiracy. Both the Mormon Church and the Sicilian mafia owe their origins to Freemasonry. The Masons were as feared as they were influential. In the eyes of the Catholic Church, Freemasonry has always been a den of devil-worshippers. For Hitler, Mussolini and Franco the Lodges spread the diseases of pacifism, socialism and Jewish influence, so had to be crushed. Professor Dickie's The Craft is a surprising and enthralling exploration of a movement that not only helped to

forge modern society, but still has substantial contemporary influence. With 400,000 members in Britain, over a million in the USA, and around six million across the world, understanding the role of Freemasonry is as important now as it has ever been. Yoga Self-Taught Hachette UK
#1 NEW YORK TIMES BESTSELLER If you want to build a better future, you must believe in secrets. The great secret of our time is that there are still uncharted frontiers to explore and new inventions to create. In Zero to One, legendary entrepreneur and investor Peter Thiel shows how we can find singular ways to create those new things. Thiel begins with the contrarian premise that we live in an age of technological stagnation, even if we're too distracted by shiny mobile devices to notice. Information technology has improved rapidly, but there is no reason why progress should be limited to computers or Silicon Valley. Progress can be achieved in any industry or area of business. It comes from the most important skill that every leader must master: learning to think for yourself. Doing what someone else already knows how to do takes the world from 1 to n, adding more of something familiar. But when you do something new, you go from 0 to 1. The next Bill Gates will not build an operating system. The next Larry Page or Sergey Brin won't make a search engine. Tomorrow's champions will not win by competing ruthlessly in today's marketplace. They will escape competition altogether, because their businesses will be unique. Zero to One presents at once an optimistic view of the future of progress in America and a new way of thinking about innovation: it starts by learning to ask the questions that lead you to find value in unexpected places.

What the Mafia Can Teach the Legitimate Businessman
Accidental Mafia Queen

In this mind-altering romp—where the term “Metaverse” was first coined—you’ll experience a future America so bizarre, so outrageous, you’ll recognize it immediately • One of Time’s 100 best English-language novels Only once in a great while does a writer come along who defies comparison—a writer so original he redefines the way we look at the world. Neal Stephenson is such a writer and Snow Crash is such a novel, weaving virtual reality, Sumerian myth, and just about everything in between with a cool, hip cybersensibility to bring us the gigathriller of the information age. In reality, Hiro Protagonist delivers pizza for Uncle Enzo’s CosoNostra Pizza Inc., but in the Metaverse he’s a warrior prince. Plunging headlong into the enigma of a new computer virus that’s striking down hackers everywhere, he races along the neon-lit streets on a search-and-destroy mission for the shadowy virtual villain threatening to bring about infocalypse. Praise for Snow Crash “[Snow Crash is] a cross between Neuromancer and Thomas Pynchon’s Vineland. This is no mere hyperbole.”—The San Francisco Bay Guardian “Fast-forward free-style mall mythology for the twenty-first century.”—William Gibson “Brilliantly realized . . . Stephenson turns out to be an engaging guide to an onrushing tomorrow.”—The New York Times Book Review

Part 1 Random House Trade Paperbacks

The product of five years’ investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *Narcoland* has

been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *Narcoland* takes readers to the front lines of the “war on drugs,” which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico’s government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, “Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels.”

Aprenda de la mafia HarperCollins

I’LL LOCK HER IN A GILDED CAGE AND THROW AWAY THE KEY. The night we met, she thought she was tasting freedom. I devoured her once and left before I even knew her name. Four months later, Bratva business leads me to the house of my enemy with one objective: Burn it down and kill everyone inside.

That's exactly what I plan to do...Until I find her cowering before me.The innocent girl from the club.My beautiful caged bird. I'm not here to save her--I'm here to ruin her.But something stops me in my tracks.Something I never expected. Did she say that's my baby in her womb? GILDED CAGE is the first book in the Kovalyov Bratva duet. Artem and Esme's story will conclude in Book 2, GILDED TEARS.

Innocence Weiser Books

La Mafia siciliana, la Cosa Nostra, no es la única sociedad criminal peligrosa de Italia. El país alberga otras dos mafias importantes: la Camorra napolitana y, en la pobre y aislada región de Calabria, la misteriosa 'Ndrangheta, que se ha convertido en la más poderosa de la actualidad. Desde que aparecieron, las tres mafias han corrompido las instituciones italianas, recortado las opciones vitales de sus conciudadanos, eludido la justicia y establecido su rentable intermediación como alternativa a los tribunales. Pero cada una de estas hermandades tiene sus propios métodos, sus rituales salvajes y su brutalidad característica. Cada una está perfectamente adaptada para corromper y explotar su propio entorno, a la vez que colabora, aprende y lucha con las otras mafias. La sombra del crimen organizado oscurece todo un país consumido por la deuda, la parálisis política y la corrupción rampante. Historia de la mafia busca los orígenes de esta enfermedad en las raíces de la unificación italiana y muestra cómo la violencia política incubó grupúsculos criminales entre los limosneros de Palermo, los hediondos arrabales de Nápoles y las inhóspitas aldeas de montaña calabresas. Esta es una obra de ambición asombrosa, que cuenta por primera vez la historia entrecruzada de las tres

mafias desde sus orígenes hasta la actualidad.

Don't Burn This Country Here's the Key Incorporated

Helps the reader gain access to right-brain functions, which affect artistic and creative abilities, by teaching the skills of drawing through unusual exercises designed to increase visual skills
Codependent No More Simon & Schuster

The Cruelty is an action-packed young adult thriller (optioned for film by Jerry Bruckheimer) about a girl who must train as an assassin to deal with the gangsters who have kidnapped her father. Gwendolyn's father kept his life a secret from her. When he goes missing, she's plunged into a world of assassins, spies, and criminal masterminds. When Gwendolyn Bloom's father vanishes, she sets off on a journey she never bargained for. Traveling under a new identity, she uncovers a disturbing truth: to bring her father back alive, she must become every bit as cruel as the men holding him captive. This suspenseful debut from Scott Bergstrom features a strong female character and nonstop, cinematic action. Praise for *The Cruelty*: "Liam Neeson's 2008 film *Taken* concerned a spy who engages in mass mayhem while attempting to recover his kidnapped daughter. Bergstrom reverses this plot in his violent, well-crafted first novel. Seventeen-year-old gymnast Gwendolyn Bloom doesn't learn that her father is a genuine spy?and not merely an overworked State Department employee?until after he is kidnapped by international gangsters, and the CIA makes little attempt to recover him . . . A grim, fast-paced tale." —Publishers Weekly "[T]his debut novel is relentlessly paced, full of global sets, slick action...with a grim, ass-kicking antihero." —Booklist *The Cruelty* is a nominee for the 2018 Edgar Award for best Young Adult

book.

Queen of the Underworld Harper Collins

Sometimes darkness overcomes light. Alegra is gone. Vanished into thin air and I am going out of my mind. We made progress. We made love. I showed her kindness and gentleness, when I had no idea that I had any. Beneath the frozen surface of my soul, there is warmth. There is Alegra. She found out an ugly truth. A past I had no idea existed. And now? Alegra finds herself in the arms of the enemy. I'll raise hell to bring her back where she belongs. I don't care what I need to do. Who I need to kill. Because sometimes evil wins. And make no mistake, I am the evil. *Bratva Redemption is the conclusion to The Bratva Debt Duet. One-click the conclusion to this steamy enemies-to-lovers, Russian Mafia Romance. The series is complete.

A Dark Mafia Romance Simon and Schuster

A guide for anyone who wants to revive the American dream while the woke mob tries to burn down the country. You don't have to be a conspiracy theorist to see that something dark is happening in America. Just look around: Massive corporations monitor our every move. The Thought Police stand ready to cancel any who dare think for themselves. Brainwashed activists openly attack the American experiment. The dystopian future we've been warned of is here. Dave Rubin has been on the front lines of the culture wars for years. Now, he offers tactics you can use to protect yourself from today's authoritarian rule—from resisting the grip of Big Tech to staying sane in a post-truth world. What's more, he offers a vision for the next generation of patriots who will need to face the future head-on, holding fast to their values and creating a meaningful life no matter how

frenzied and fabricated the news of the day is. In order for free-thinking people to thrive in this era of woke lunacy, we need to step up and create freedom for ourselves. While exposing Progressive lies and offering practical advice you can employ right now, this book is a call for Americans to live the freest life possible—and a roadmap for saving the greatest country in the history of the world.

Bloodied Hands Penguin

"Now a major motion picture! Includes full-color movie photos and exclusive content!"--Dust jacket.

The Lucifer Effect Penguin

Better to be at the right hand of the devil than in his path... When you come from a crime family, you have a name to live up to. My enemies know I'm a bastard who shows no mercy—exactly the cold-hearted don my father would want me to be. Except we're not the ones in charge. Yet... The Boss wants me to take over his billion dollar business, and the only way that's happening is if I can win the heart of his cop daughter. I planned to treat her just like all the other women who meant nothing to me, but everything about her is tempting. Her beauty, her body, her soul. Money and Power. That was all this was supposed to be about... Falling in love wasn't part of the plan. Neither was finding out that her father has a hidden agenda, and I'm just a pawn in his game. MAFIA BOSS is *The Godfather* and *The Sopranos* with the sexy edge of a drool-worthy Alpha male. Scroll up and one click to start this sizzling hot mafia romance today!

[The Mafia Ethic and the Spirit of Capitalism](#) Colchis Books

She was a broken angel that had the light beat right out of her. I was the man responsible for her life, her protector... Rescued by

my brother and shoved into my arms I never expected to fall for the fragile woman, with soft eyes, and lips that begged to be kissed. I know what she saw when she looked at me, a ruthless fighter, a man with a broken past, too far gone to be reached, sinking deeper and deeper into the darkness. Still, somehow her light reached me, the innocence inside her called to me and the moment her soul touched mine I was tamed, ensnared in her love. But love comes at a cost, and in our world, you pay with your life. With all the danger surrounding us, I don't know if I can protect her. Not only from myself, but also from a past that refuses to let go. **This is book five in the series but it can be read as a complete standalone. This is a full-length novel. It contains NO-CLIFFHANGER, NO CHEATING, and has a HEA. It is a DARK mafia/crime romance and contains subject matter not suitable for all readers.**

The Adversary Oxford University Press, USA

It's like having a yoga teacher in your own home! Van Lysebeth, with over 50 years experience as a yoga instructor, describes more than 200 exercises and postures, using over 100 photographs and numerous illustrations that show both the right and wrong way to perform them. Unlike other yoga books which show only the completed posture, these illustrations show the intermediate steps for attaining the final postures. For beginning students, this classic book is a perfect introduction to yoga.

Melody Beattie is the author of *Beyond Codependency*, *The Language of Letting Go*, *Stop Being Mean to Yourself*, *The Codependent No More Workbook* and *Playing It by Heart*.

[Para alcanzar el éxito en su empresa \(legal\)](#) Independently Published

The Italian-American mafia has its roots in a mysterious and powerful criminal network in Sicily. While the mythology of the mafia has been widely celebrated in American culture, the true origins of its rituals, laws, and methods have never actually been revealed. John Dickie uses startling new research to expose the secrets of the Sicilian mafia, providing a fascinating account that is more violent, frightening, and darkly comic than anything conceived in popular movies and novels. How did the Sicilian mafia begin? How did it achieve its powerful grip in Italy and America? How does it operate today? From the mafia's origins in

the 1860s to its current tense relationship with the Berlusconi government, Cosa Nostra takes us to the inner sanctum where

few have dared to go before. This is an important work of history and a revelation for anyone who ever wondered what it means to be "made" in the mob.
