 Christianity Today "Beautiful Orthodoxy"
 Book of the Year in 2016. Keep Christianity
 Strange. As the culture changes all around
 us, it is no longer possible to pretend that
 we are a Moral Majority. That may be bad
 news for America, but it can be good news
 for the church. What's needed now, in
 shifting times, is neither a doubling-down
 on the status quo nor a pullback into

isolation. Instead, we need a church that
 speaks to social and political issues with a
 bigger vision in mind: that of the gospel of
 Jesus Christ. As Christianity seems
 increasingly strange, and even subversive,
 to our culture, we have the opportunity to
 reclaim the freakishness of the gospel,
 which is what gives it its power in the first
 place. We seek the kingdom of God,
 before everything else. We connect that
 kingdom agenda to the culture around us,
 both by speaking it to the world and by
 showing it in our churches. As we do so,
 we remember our mission to oppose
 demons, not to demonize opponents. As
 we advocate for human dignity, for
 religious liberty, for family stability, let's
 do so as those with a prophetic word that
 turns everything upside down. The signs of
 the times tell us we are in for days our
 parents and grandparents never knew. But

that's no call for panic or surrender or
 outrage. Jesus is alive. Let's act like it.
 Let's follow him, onward to the future.

 "A true classic of world literature . . . A
 masterpiece that has inspired generations
 of writers in Nigeria, across Africa, and
 around the world." —Barack Obama
 "African literature is incomplete and
 unthinkable without the works of Chinua
 Achebe." —Toni Morrison Nominated as
 one of America's best-loved novels by
 PBS's The Great American Read Things
 Fall Apart is the first of three novels in
 Chinua Achebe's critically acclaimed
 African Trilogy. It is a classic narrative
 about Africa's cataclysmic encounter with
 Europe as it establishes a colonial
 presence on the continent. Told through
 the fictional experiences of Okonkwo, a
 wealthy and fearless Igbo warrior of

Umuofia in the late 1800s, *Things Fall Apart* explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, *Things Fall Apart* provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

Bring Gospel Hope in the Midst of Death
The phone rings: "Pastor, can you do my mother's funeral?" Or, "Please help us—our baby just died." Death comes unexpectedly, giving you two to three days of time to prepare a sermon—in the midst of caring for a grieving family. This helpful book walks a pastor through the logistics of memorial services, burials, and working with funeral homes—using the four P's: Plan, Prepare, Preach, and Perform. It shows how to magnify Christ and the gospel in the midst of all the details, demands, and sorrow that surrounds the death of a loved one. The Practical Shepherding series of books provides pastors and ministry leaders with advice and practical help to do the work of pastoral ministry in a local church. In *Conduct Gospel-Centered Funerals*, experienced pastors Brian Croft and Phil A. Newton offer readers a concise guide to conducting funerals that glorify God and offer a timely message of hope.

Death Is Nothing at All David C Cook

In *Active Spirituality*, Brian Hedges allows

us to read someone else's mail — a series of warm pastoral letters, written to a young Christian, about the paradox of grace and effort in the life of faith. "Is my Christian life about trying or trusting?" • "Would I describe my relationship to God as running or resting?" • "Is my life more characterized by grace or effort?" *Active Spirituality* makes it clear that it is both: trying and trusting, running and resting, dependence on grace and exerting disciplined effort. This balance is not about getting my doctrine right, but is key to living a healthy Christian life. So, pull up a chair, settle in, and read over the shoulder of Chris, a struggling young adult trying to find a church, overcome discouragement, live a chaste life, and develop a plan for spiritual growth, all while learning to rest in the finished work of Jesus.

"Hosts of all kinds, this is a must-read!" --

Chris Anderson, owner and curator of TED

From the host of the New York Times

podcast *Together Apart*, an exciting new

approach to how we gather that will

transform the ways we spend our time

together—at home, at work, in our

communities, and beyond. In *The Art of*

Gathering, Priya Parker argues that the

gatherings in our lives are lackluster and

unproductive--which they don't have to be.

We rely too much on routine and the

conventions of gatherings when we should

focus on distinctiveness and the people

involved. At a time when coming together

is more important than ever, Parker sets

forth a human-centered approach to

gathering that will help everyone create

meaningful, memorable experiences, large

and small, for work and for play. Drawing

on her expertise as a facilitator of high-

powered gatherings around the world,

Parker takes us inside events of all kinds

to show what works, what doesn't, and

why. She investigates a wide array of

gatherings--conferences, meetings, a

courtroom, a flash-mob party, an Arab-

Israeli summer camp--and explains how

simple, specific changes can invigorate

any group experience. The result is a book

that's both journey and guide, full of

exciting ideas with real-world applications.

The Art of Gathering will forever alter the

way you look at your next meeting,

industry conference, dinner party, and

backyard barbecue--and how you host and

attend them.

The authors of *The Pastor: His Call,*

Character, and Work were all men closely

associated, either as students, professors,

or in one case a director, of Princeton

Theological Seminary, which was

established in 1812 by the Presbyterian

Church of the United States of America. It

was founded as a 'nursery of vital piety as

well as of sound theological learning...to

train up persons for the ministry who shall

be lovers as well as defenders of the truth

as it is in Jesus, friends of revivals of

religion, and a blessing to the church of

God.' A sample of the Princeton view of

the ministry is contained in this little

volume. Taken together its chapters form a small instruction manual on the key elements in the work of a minister of the gospel in any age and place. These pages combine theological acumen, a high sense of purpose, a vision of the privileges of serving Christ, and a recalibration of our whole vision for ministry. The chapters in this book have been selected from the two-volume Princeton and the Work of the Christian Ministry, also published by the Banner of Truth.

Death educators, researchers, counselors, clergy, funeral-service professionals, and others will appreciate the book's theory- and research-based approach to the ways in which different cultural groups memorialize their dead. They will also find clear clinical and practical applications in the author's exploration of the five ritual anchors of death-related ceremonial practice and help for professionals counseling the bereaved surrounding funerals. Based on nearly three decades of research and teaching on funeral rites, this volume promises to fill an important gap in the cross-cultural literature on bereavement, while answering an important question for our generation: Do funerals matter?
