Everybody has a different concept and opinion about love and feels differently while experiencing it. This love tarot was created to help you contact your spiritual leaders when you love, feel, seek, grow, and heal. It could be the mirror of your life and existence; or be the print of your thoughts, feelings and emotions that shows the most accurate picture of your whole being. It provides help in finding your destiny, waking your spiritual memories, in shedding some light on your personal life-plan and exploring your spiritual plans. Today, a tarot reading is as common as going to yoga. They are both practices that quiet the mind and bring you into a state of higher listening, which helps you to become the active observer of your present experience. Doing so allows intuition to blossom as you become adept at finding answers to life's biggest, smallest, and most interesting questions. This love tarot book containing historical figures will help you to understand the mysterious world of tarot better and gain a bit deeper self-

recognition, it pushes you forward in unexpected ways, unleashing possibilities that you can scarcely imagine. You can consult the cards as part of a daily self-care ritual, use them for interactive self-reflection, or rely on them as a tool for thinking through particular challenges or questions. Tarot is not barely a tool of fortune telling for you, but also a system of initiation which brings self-recognition; you can use the very depth of your creativity; you can understand the messages from your passed-away loved ones and you can receive signs in connection with your health and well-being.

Deck can be purchased separately. A black cat with glowing eyes leads us on our nocturnal sojourn through the 78 cards of the Major and Minor Arcana. The characters of the Major Arcana visit from the realms of horror stories and Halloween tradition. Frankenstein and his bride 'bring to life' the Emperor and the Empress cards. The Minor Arcana suits are Pumpkins, Imps, Ghosts, and Bats, each with a special significance. As the suit of the ancient element Earth, the Pumpkins describe all things that are physical and tangible, real and solid -- things you can taste and smell, and of course, count. The Ghost cards are haunted by the ancient element of Water, the symbol of the fluidity of the subconscious mind, dreams, instincts, and emotions. The Bats comprise the 'thinking suit,' reflecting a bat version of the intellect -- the uncannily sensitive 'radar' of these nocturnal creatures that helps them find food and avoid collisions even on the blackest of Halloween nights. Since the traditional Tarot suit of Wands is linked with the ancient element Fire, the devilish scarlet Imps make a delightful Halloween suit equivalent
