Red Glass The New Press
Prisons impose tremendous costs, yet they're easily ignored. Criminals -- even low-level nonviolent offenders -- enter our dysfunctional criminal justice system and disappear into a morass that's safely hidden from public view. Our "tough on crime" political rhetoric offers us no way out, and prison reformers are too quickly dismissed as soft on criminals. Meanwhile, the taxpayer picks up the extraordinary and unnecessary bill. In *In Defense of Flogging* presents a solution both radical and simple: give criminals a choice between incarceration and the lash. Flogging is punishment: quick, cheap, and honest. Noted criminologist Peter Moskowitz, in irrefutable style, shows the logic of the new system while highlighting flaws in the status quo. Flogging may be cruel, but *In Defense of Flogging* shows us that

compared to our broken prison system, it is the lesser of two evils.

A Prison Diary Forgotten Books

A NEW YORK TIMES BESTSELLER! Jacqueline Woodson's first middle-grade novel since National Book Award winner *Brown Girl Dreaming* celebrates the healing that can occur when a group of students share their stories. It all starts when six kids have to meet for a weekly chat-by themselves, with no adults to listen in. There, in the room they soon dub the ARTT Room (short for "A Room to Talk"), they discover it's safe to talk about what's bothering them--everything from Esteban's father's deportation and Haley's father's incarceration to Amari's fears of racial profiling and Ashton's adjustment to his changing family fortunes. When the six are together, they can express the feelings and fears they have to hide from the rest of the world. And together, they can grow braver and more ready for the rest of their lives.

My Imprisonment and the First Year of Abolition Rule at Washington SAGE

Perhaps no topic is more heated, and the sources more tendentious, than that of Civil War prisons and the treatment of prisoners of war (POWs). Partisans of each side, then and now, have vilified the other for maltreatment of their POWs, while seeking to excuse their own distressing record of prisoner of war camp mismanagement, brutality, and incompetence. It is only recently that historians have turned their attention to this contentious topic in an attempt to sort the wheat of truth from the chaff of partisan rancor. Roger Pickenpaugh has previously studied a Union prison camp in careful detail (Camp Chase) and now turns his attention to the Union record in its entirety, to investigate variations between camps and overall prison policy and to determine as nearly as possible what actually happened in the admittedly over-crowded, under-supplied, and poorly-administered camps. He also attempts to determine what conditions resulted from conscious government

policy or were the product of local officials and situations. A companion to Pickenpaugh's Captives in Blue.

Prisoner Delacorte Press Excerpt from My Imprisonment and the First Year of Abolition Rule at Washington I had been long a resident 'of Washington before the secession of the Confederate States, and, from my intimate acquaintance with public men and public measures under the Old government had peculiar and exceptional means of watching the progressive development Of the designs Of these leaders Of Opinion in the Federal States, which, as I had long foreseen, would necessarily end in forcing on a separation. My Imprisonment and the First Year of Abolition Rule at Washington (Classic Reprint)

The New Press When Enemy Combatant was first published in the United States in hardcover in 2006 it garnered sensational reviews, and its author was featured in the New York Times, the Los Angeles Times, on National Public Radio, and on ABC News. A second generation British Muslim, Begg had been held by the U.S. military for more than three years before being released without charge in January of 2005. His memoir is the first published account by a Guantánamo detainee of life inside the infamous prison. Writing in the Washington Post Book World, Jane Mayer described Enemy Combatant as “fascinating . . . Begg provides some ideological counterweight to the one-sided spin coming from the U.S.

government. He writes passionately and personally, stripping readers of the comforting lie that somehow the detainees aren't really like us, with emotional attachments, intellectual interests and fully developed humanity.” Recommended by the Financial Times and Tikkun magazine and a ColorLines Editors' Pick of Post-9/11 Books, Enemy Combatant is “a forcefully told, up-to-the-minute political story . . . necessary reading for people on all sides of the issue” (Publishers Weekly, starred review).

My Country Versus Me Harper Collins

“An uncommonly powerful memoir about four decades in confinement . . . A profound book about friendship [and] solitary confinement in the United States.” —New York Times Finalist for the Pulitzer Prize and the National Book Award Solitary is the unforgettable life story of a man who served more than four decades in solitary confinement—in a 6-foot by 9-foot cell, twenty-three hours a day, in Louisiana’s notorious Angola prison—all for a crime he did not commit. That Albert Woodfox survived at all was a feat of extraordinary

endurance. That he emerged whole from his odyssey within America's prison and judicial systems is a triumph of the human spirit. While behind bars in his early twenties, Albert was inspired to join the Black Panther Party because of its social commitment and code of living. He was serving a fifty-year sentence in Angola for armed robbery when, on April 17, 1972, a white guard was killed. Albert and another member of the Panthers were accused of the crime and immediately put in solitary confinement. Without a shred of evidence against them, their trial was a sham of justice. Decades passed before Albert was finally released in February 2016. Sustained by the solidarity of two fellow Panthers, Albert turned his anger into activism and resistance. The Angola 3, as they became known, resolved never to be broken by the corruption that effectively held them for decades as political prisoners. Solitary is a clarion call to reform the inhumanity of solitary confinement in the United States and around the world.

Why My Father Died

University of Hawaii Press

Michael Santos helps audiences understand how to overcome the struggle of a lengthy prison term. Readers get to experience the mindset of a 23-year-old young man that goes into prison at the start of America's War on Drugs. They see how decisions that Santos made at different stages in the journey opened opportunities for a life of growth, fulfillment, and meaning. Santos tells the story in three sections: *Veni, Vidi, Vici*. In the first section of the book, we see the challenges of the arrest, the reflections while in jail, the criminal trial, and the imposition of a 45-year prison term. In the second section of the book, we learn how Santos opened opportunities to grow. By writing letters to universities, he found his way into a college program. After earning an undergraduate degree, he pursued a master's degree. After earning a master's degree, he began work toward a doctorate degree. When authorities blocked his pathway to complete his formal education, Santos shifted his energy to publishing and creating business opportunities from inside of prison boundaries. In the final

section, we learn how Santos relied upon critical-thinking skills to position himself for a successful journey inside. He nurtured a relationship with Carole and married her inside of a prison visiting room. Then, he began building businesses that would allow him to return to society strong, with his dignity intact. Through *Earning Freedom!* readers learn how to overcome struggles and challenges. At any time, we can recalibrate, we can begin working toward a better life. Santos served 9,135 days in prison, and another 365 days in a halfway house before concluding 26 years as a federal prisoner. Through his various websites, he continues to document how the decisions he made in prison put him on a pathway to succeed upon release.

Taking the Rap Penguin

For the first time since his two-year imprisonment in North Korea, Kenneth Bae recounts his dramatic ordeal in vivid detail.

While leading a tour group into the most shrouded country on the planet, Bae is stopped by officials who immediately confiscate his belongings. With his computer hard drive in hand the officers

begin their interrogation and Bae begins his unexpected descent into North Korean obscurity. Bae's family and friends make immediate appeals to the United States government asking for his release. With his family waiting patiently for any news of Kenneth's well-being, Bae is forced to rely solely on his faith for his survival. At his lowest point, Bae is confronted with the reality that he may not make it out alive. Not Forgotten is a riveting true story of one man's fight for survival against impossible odds.

Earning Freedom! Oxford University Press

The Inspiration for the New Podcast Featuring Jason Rezaian. "544 Days" is a Spotify original podcast, produced by Gimlet, Crooked Media and A24. The dramatic memoir of the journalist who was held hostage in a high-security prison in Tehran for eighteen months and whose release—which almost didn't happen—became a part of the Iran nuclear deal. In July 2014, Washington Post Tehran bureau chief Jason Rezaian was arrested by Iranian police, accused of spying for America. The charges were absurd. Rezaian's reporting was a

mix of human interest stories and political analysis. He had even served as a guide for Anthony Bourdain's *Parts Unknown*. Initially, Rezaian thought the whole thing was a terrible misunderstanding, but soon realized that it was much more dire as it became an eighteen-month prison stint with impossibly high diplomatic stakes. While in prison, Rezaian had tireless advocates working on his behalf. His brother lobbied political heavyweights including John Kerry and Barack Obama and started a social media campaign—#FreeJason—while Jason's wife navigated the red tape of the Iranian security apparatus, all while the courts used Rezaian as a bargaining chip in negotiations for the Iran nuclear deal. In *Prisoner*, Rezaian writes of his exhausting interrogations and farcical trial. He also reflects on his idyllic childhood in Northern California and his bond with his Iranian father, a rug merchant; how his teacher Christopher Hitchens inspired him to pursue journalism; and his life-changing decision to move to Tehran, where his career took off and he

met his wife. Written with wit, humor, and grace, *Prisoner* brings to life a fascinating, maddening culture in all its complexity. "An important story. Harrowing, and suspenseful, yes—but it's also a deep dive into a complex and egregiously misunderstood country with two very different faces. There is no better time to know more about Iran—and Jason Rezaian has seen both of those faces." — Anthony Bourdain

"Jason paid a deep price in defense of journalism and his story proves that not everyone who defends freedom carries a gun, some carry a pen." —John F. Kerry, 68th Secretary of State
Writing My Wrongs One World

For the first time, Wen Ho Lee speaks out about his work at Los Alamos, his experiences with the FBI, and about his arrest and imprisonment. A riveting story without prejudice, fear, or suspicion, "My Country Versus Me" offers at last a clear and truthful account of one of the great miscarriages of justice of our time. of photos.

My First Thirty Years
Grove Press

"Banks has skillfully used his repertoire of contemporary techniques

to write a novel that is classically American—a dark, but sometimes funny, romance with echoes of Poe and Melville.” — Washington Post "A marvelously written little book, fascinatingly intricate, yet deceptively simple. Well worth reading more than once." — New York Times Book Review From acclaimed author Russell Banks comes a work of fiction utilizing a form invented in the seventeenth century by imprisoned Puritan divines. Designed to be exemplary, works of this type were aimed at brethren outside the prison walls and functioned primarily as figurative dramatizations of the tests of faith all true believers must endure. These “relations,” framed by scripture and by a sermon explicating the text, were usually read aloud in weekly or monthly installments during religious services. Utterly sincere and detailed recountings of suffering, they were nonetheless highly artificial. To use the form self-consciously, as Banks has done, is not to parody it so much as to argue good-humoredly with the mind it embodies, to explore and, if possible, to

map the limits of that mind, the more intelligently to love it. The Relation of My Imprisonment St. Martin's Press
A vivid history of America's biggest, baddest prison system and how it came to lead the nation's punitive revolution In the prison business, all roads lead to Texas. The most locked-down state in the nation has led the way in criminal justice severity, from assembly-line executions to isolation supermaxes, from prison privatization to sentencing juveniles as adults. Texas Tough, a sweeping history of American imprisonment from the days of slavery to the present, shows how a plantation-based penal system once dismissed as barbaric became the national template. Drawing on convict accounts, official records, and interviews with prisoners, guards, and lawmakers, historian Robert Perkinson reveals the Southern roots of our present-day prison colossus. While conventional histories emphasize the North's rehabilitative approach, he shows how the retributive and profit-driven regime of the

South ultimately triumphed. Most provocatively, he argues that just as convict leasing and segregation emerged in response to Reconstruction, so today's mass incarceration, with its vast racial disparities, must be seen as a backlash against civil rights. Illuminating for the first time the origins of America's prison juggernaut, Texas Tough points toward a more just and humane future. *Remembering Our Grandfathers' Exile* Convergent Books
In search of a place to call home, thousands of Hmong families made the journey from the war-torn jungles of Laos to the overcrowded refugee camps of Thailand and onward to America. But lacking a written language of their own, the Hmong experience has been primarily recorded by others. Driven to tell her family's story after her grandmother's death, The Latehomecomer is Kao Kalia Yang's tribute to the remarkable woman whose spirit held them all together. It is also an eloquent, firsthand account of a people who have worked hard to make their voices heard. Beginning in the 1970s, as the Hmong were being

massacred for their collaboration with the United States during the Vietnam War, Yang recounts the harrowing story of her family's captivity, the daring rescue undertaken by her father and uncles, and their narrow escape into Thailand where Yang was born in the Ban Vinai Refugee Camp. When she was six years old, Yang's family immigrated to America, and she evocatively captures the challenges of adapting to a new place and a new language. Through her words, the dreams, wisdom, and traditions passed down from her grandmother and shared by an entire community have finally found a voice. Together with her sister, Kao Kalia Yang is the founder of a company dedicated to helping immigrants with writing, translating, and business services. A graduate of Carleton College and Columbia University, Yang has recently screened *The Place Where We Were Born*, a film documenting the experiences of Hmong American refugees. Visit her website at www.kaokaliayang.com. *My Dad's in Prison* W. W. Norton & Company "Thirty years ago, I lay in the womb of a woman,

conceived in a sexual act of rape, being carried during the prenatal period by an unwilling and rebellious mother, finally bursting from the womb only to be tormented in a family whose members I despised or pitied, and brought into association with people whom I should never have chosen." Shortly after its 1925 publication, Gertrude Beasley's ferociously eloquent feminist memoir was banned and she herself disappeared under mysterious circumstances. Though British Nobel Prize winner Bertrand Russell called *My First Thirty Years* "truthful, which is illegal" and Larry McMurtry pronounced it the finest Texas book of its era, Beasley's words have been all but inaccessible for almost a century—until now. Beasley penned one of the most brutally honest coming-of-age historical memoirs ever written, one which strips away romantic notions about frontier women's lives at the turn of the 20th century. Her mother and sisters braved male objectification and the indignities of poverty, with little if any control over their futures. With characteristic ferocity,

Beasley rejected a life of dependence, persisting in her studies and becoming first a teacher, then a principal, then a college instructor, and finally a foreign correspondent. Along the way, Beasley becomes a strident activist for women's rights, socialism, and sex education, which she sees as key to restoring bodily autonomy to women like those she grew up with. She is undaunted by authority figures but secretly ashamed of her origins and yearns to be loved. *My First Thirty Years* is profoundly human and shockingly candid, a rallying cry that cost its author her career and her freedom. Her story deserves to be heard. Praise for *My First Thirty Years*: "For almost a century in Texas literary circles, Gertrude Beasley's 1925 memoir has been more a legend than a book... The tangled history of *My First Thirty Years*, and Beasley's horrific personal fate, are case studies in society's merciless treatment of women of her era who gave voice to socially unspeakable truths. The memoir's republication this month, which makes it widely available for the first time in 96 years, is a long-overdue moment of

reckoning. It's also a rich gift to the Texas literary canon."—Texas Monthly "We should all be as fierce, loud, and convinced of our own self-worth as Gertrude Beasley was. This story of a justifiably angry woman living ahead of the world she lived in will resonate deeply today."—Soraya Chemaly, activist and award-winning author of *Rage Becomes Her: The Power of Women's Anger* "Gertrude Beasley's 1925 memoir grabs the reader by the arm and holds tight, speaking with a voice as compelling as if she had just put down her pen this morning. Feminist, socialist, and acute observer of both herself and the world around her, Beasley gives us stories that illuminate the costs of poverty and of being a woman. To read *My First Thirty Years* is to be in conversation with an extraordinary mind."—Anne Gardiner Perkins, author of *Yale Needs Women* *The Reluctant Communist* HarperCollins With a dazzling and thoughtful voice, this critically acclaimed novel deals directly with the challenges and dangers of immigration, exploring the ties that bind us together in an age when issues

threaten to divide us. One night Sophie and her parents are called to a hospital where Pedro, a six-year-old Mexican boy, is recovering from dehydration. Crossing the border into Arizona with a group of Mexicans and a coyote, or guide, Pedro and his parents faced such harsh conditions that the boy is the only survivor. Pedro comes to live with Sophie, her parents, and Sophie's Aunt Dika, a refugee of the war in Bosnia. Sophie loves Pedro—her Principito, or Little Prince. But after a year, Pedro's surviving family in Mexico makes contact, and Sophie, Dika, Dika's new boyfriend, and his son must travel with Pedro to his hometown so that he can make a heartwrenching decision. Enemy Combatant

Macmillan + ORM

In 1941, Mary Matsuda Gruenewald was a teenage girl who, like other Americans, reacted with horror to the bombing of Pearl Harbor. Yet soon she and her family were among 110,000 innocent people imprisoned by the U.S. government because of their Japanese ancestry. In this eloquent memoir, she describes both the day-to-day and the dramatic turning points of this profound injustice: what it was like to face an indefinite sentence in crowded, primitive camps; the struggle for survival and dignity; and the strength gained from learning what she was capable of and could do to sustain her family. It is at once a coming-of-age story with interest for young readers, an engaging narrative on a

topic still not widely known, and a timely warning for the present era of terrorism. Complete with period photos, the book also brings readers up to the present, including the author's celebration of the National Japanese American Memorial dedication in 2000.

The Sun Does Shine Pen and Sword

More than one hundred and fifty years after her dramatic death by drowning, Civil War spy and diplomat Rose Greenhow remains as polarizing and controversial as she was in life. This scholarly edition of her 1863 memoirs enhances her work for the first time with copious footnotes, a complete index, and an introduction placing it within the context of her years in the nation's capital, her espionage, and her diplomatic mission to Europe.

My Imprisonment and First Year of Abolition Rule at Washington Pan Macmillan

"In the follow-up to ... *A Stolen Life*, [kidnapping survivor] Jaycee Dugard tells the story of her first

experiences after years in captivity: the joys that accompanied her newfound freedom and the challenges of adjusting to life on her own"--Provided by publisher.

Prison Writings

Macmillan + ORM

Winner of the NAACP Image Award and finalist for the 2019 Los Angeles Times Book Prize "A powerful work of lyric art." —New York Times Book Review, Editors' Choice In fierce, agile poems, Felon tells the story of the effects of incarceration—canvassing a wide range of emotions and experiences through homelessness, underemployment, love, drug abuse, domestic violence, fatherhood, and grace—and, in doing so, creates a travelogue for an imagined life. Reginald Dwayne Betts confronts the funk of post-incarceration existence in traditional and newfound forms, from revolutionary found poems created by redacting court documents to the astonishing crown of sonnets that serves as the volume's radiant conclusion.
