Teaching Student Centered Mathematics  
Grades This book is part of the Student-  
Centered Mathematics Series, which is  
designed with three objectives: to  
illustrate what it means to teach  
student-centered, problem-based  
mathematics, to serve as a reference for  
the mathematics content and research-

based instructional strategies suggested  
for the specific grade levels, and to  
present a large collection of high quality  
tasks and activities ...Amazon.com:
