Publishers

The requirements of a typical candidate have been the major consideration in the compilation of this book. Basic and advanced levels of English are covered in the book, with the conceptual and practical application of appropriate examples and use of cases being discussed in depth. Each chapter deals with different aspects of spoken English,

and is laid out in a detailed manner so that you get the full conceptual and practical knowledge. This book will not only serve you as a complete Practical English Grammar and Spoken English Guide and practice book, but also enhance your language skills and help you in pursuing higher education. The book also contains 100+ secret tips that will help you master vocabulary, conversation and speak fluent English easily. It will help you refine your speaking, listening, pronunciation, vocabulary, and grammar skills for more effective communication. This book will help in improving your English grammar

skills, vocabulary, conversation and English speaking skills as well as in speaking better and correct English fluently & confidently. After reading of this book - you will feel much more confident and better- equipped at speaking English. By ending of this book- you will become the master/mistress of Spoken English. This book will prove useful as a complete guide and Practical Practice Spoken English Book for those who are preparing for TOEFL, IELTS, GRE, GMAT, PTE, VERSANAT, Jobs Interviews... etc. *How Not to Speak English* BlueRose Publishers

The art of constructing questions and the way to answer them. Functional grammar, polite words in English, vocabulary and what to say when and greetings for special occasions.

Spoken English For Kannada

Speakers Diamond Pocket Books (P) Ltd. The book is intended to help develop the oral communication skills of second language learners, especially those who have had a regional language medium of instruction at school and who have had little or no exposure to spoken English. It is primarily aimed at students preparing to enter the main stream, which would require them to compete with those who have a stronger base in English. The book can also be used as self-instructional material by people who are employed or engaged in different activities of their own. The book comes with an audio CD that gives learners an opportunity to listen to dialogues in everyday situations and that provide answers to practice exercises as well. Also included are brief, easy to understand tips on pronunciation, vocabulary, grammar and usage. The book offers learners a second and more advanced set of 25 functions that require

the use of relatively complex language structures than those in Part 1.

28 Lessons to Master Spoken English

A Practical Guide to Spoken English Learn english in 30 days by reading this book . This is my challenge, if you are serious to learn english then only in 30 days you can learn english .

Learn English the Ice Cream Way

Partridge Publishing

WARNING Do not read this book if you want to learn English speaking through tenses or translation. "If you don't speak English at all.....you can make a super-start with this book. If you dread tricky grammar rules.....you can learn it here in a practical way. If you want to go to level next in English.....this is the book for you."

After training thousands of students in English communication over last 15 years, the master communication trainer & social media influencer, Vinit Kapoor, brings out the best from his collection of tricky daily use conversational sentences in this must-read book. Many of these sentences were asked by the learners while taking live training which makes the content highly relatable. After bidding adieu to his plush corporate job, author started finding a solution to a ubiquitous problem of poor communication skills among the majority of college pass-outs, professionals, housewives & businessmen. He could relate to it well because he had faced the same challenges during his college days. Through this book he aims at providing a practical solution to the problem of poor English communication. Inside the book you will find all the tools that will set you on the path to being a fluent English speaker. This book contains more than 500 daily use sentences, each followed by a grammar concept, related phrase or sentence or some interesting fact about the English language. Overall, it will make you fall in love with English. Start your journey of English speaking with this

masterpiece!

The Long Tunnel St Pauls BYB

A three-level English Course book for teenage and young adult learners. 'English for Everyone' covers all the things taught at A1 to C1 (CEF) level. This book is designed to enable its readers to become skilled at Spoken English. Whenever we talk about learning English, we start talking about tenses, grammar and vocabulary. Memorize tenses, master grammar and mug up some commonly used words and you will master English. But despite learning tenses, grammar and vocabulary, people are unable to converse in English effectively. Why? Because this is not the right method to learn English. Let me ask you something. If you are an Indian, you can probably speak Hindi well. Have you ever learnt Hindi tenses? Have you ever learnt Hindi grammar rules or Hindi word meanings? I believe that your answer is 'No' with a capital 'N'. Then how do you speak Hindi or your mother tongue fluently? Think hard. Nobody talks about learning tenses or grammar when it comes to speaking Hindi proficiently. But everyone talks about learning tenses, understanding grammar and

strengthening vocabulary when it comes to speaking English fluently. English or any language, for that matter, is learnt by using it in practice. Let me ask you how any child learns his mother tongue. How an Englishman's baby learns English and an Indian's child learns Hindi. When a child is born, the environment around him teaches the language. He hears the language in the background and that serves as a kind of practice for him. Listening to the language repeatedly enables the child to start understanding it. He tries speaking and becomes fluent in the language in a few months. We will apply a similar method to learn English in this course. The lessons in this book will help you to practice the English language in everyday situations. We will not focus on theory. We will focus on practice. We understand that there are many people out there who know the theories of grammar but are very poor at spoken English. This is because knowing concepts is not equal to applying concepts. In this course, every lesson will help you to apply and not simply know concepts. This is how language is learnt. This is how you will learn English too. All the best!

Hey readers this book is a collection of lessons required to help aspiring Spoken English students to improve their grammar along with fluency development. The book intends to impart a sequential format for

beginners to intermediate levels of English learners or speakers. It's a collection of chapters from different sources including the internet compiled in a very easy to understand language for everybody. We have focused on the curious and enthusiastic crowd how are learners of the language. This book can help a person to develop his/ her fundamentals in the English language by improving grammar, vocabulary, phonetics along with practice exercises like role plays, group discussions, etc. This book targets segments preparing for interviews by helping them with Group Discussions, Personality Development, and Group Discussions. Also, people aspiring for competitive exams can get help by exploring the vocabulary segment of the book. People in need of accent neutralization can definitely use this for initial reference. I wish this attempt will help the society and aspirants develop English communication skills effectively and efficiently. I wish luck to the readers and would appreciate the valuable feedback at amar.bagh2012@gmail.com. Thank you Amar Bagh

Ranjesh's Practical Diamond English Grammar & Communicative Spoken English PartridgeIndia

In today's competitive world, Spoken English is considered as a passport for success in life. The craze for learning spoken English has led to the growth of coaching institutes all over the country. Much as they may profess and advertise, it is not really possible to learn any language in 30 days. A person who genuinely wants to learn the language needs to spend two to three hours every day for at least five or six months before he or she would feel confident to communicate in English. The prime objective of this book is to encourage students to learn English as a tool of communication and to enable them to understand the language thoroughly. The book basically takes off from the learner's point of view and guides them through cooperative learning methods in order to help master the effective communication skills in English. The book has been divided into four convenient units of Grammar, Pronunciation, Conversation and Vocabulary. Each chapter covers one main area of learning English - explained with examples.

Carefully selected and graded exercises have also been included throughout the book to give readers ample practice and a complete understanding of the subject. In short, the book follows the modern functional approach to the study of English. So readers, it is definitely a one-stop solution for speaking English!

The Electronic Theory of Valency V&S Publishers

India today is a vibrant free-market democracy, a nation well on its way to overcoming decades of widespread poverty. The nation's rise is one of the great international stories of the late twentieth century, and in *India Unbound* the acclaimed columnist Gurcharan Das

offers a sweeping economic history of India from independence to the new millennium. Das shows how India's policies after 1947 condemned the nation to a hobbled economy until 1991, when the government instituted sweeping reforms that paved the way for extraordinary growth. Das traces these developments and tells the stories of the major players from Nehru through today. As the former CEO of Proctor & Gamble India, Das offers a unique insider's perspective and he deftly interweaves memoir with history, creating a book that is at once vigorously analytical and vividly written.

Impassioned, erudite, and eminently readable, *India Unbound* is a must for anyone interested in the global economy and its future.

Better Spoken English Jaico Publishing House

I am delighted to congratulate the author for his contribution in the field of education. This book is a valuable asset which every individual should possess. This is indeed a guide to the reader, to improve his or her spoken English. It is written in a very simple language which any person even with a minimum level of

education can follow, I recommend this book to all persons who aspire to achieve success in the art of speaking English. ANTONY RAJ, M.A., M. Ed., M. Phil., P.G.P.D., K.E.S Deputy Project Coordinator, Department of Public Instruction, Karnataka I have gone through each and every page of the book. The author has written it in a very simple language which is very useful to learn spoken English. I have come across scores of people from non-English speaking countries who cannot communicate effectively. It is because they do not know spoken English. No doubt, all such people will be benefitted by using this book. Of course, practice is necessary as suggested by the author. STEEVE WOOD, Ex Managing Director, United Engineering Services L.L.C., SULTANATE OF OMAN

Spoken English Notion Press

Learning Spoken English and developing fluency in the same is a very difficult task if done in the traditional way. But the same is extremely easy and instant if done in a correct way. This COMPLETE books will use some unique techniques that will ensure that you learn and be fluent in English in least possible time.

You Can Speak Mark Batty Publisher Over 350 LESSONS to IMPROVE your ENGLISH “What’s your good name?” “Myself....” “We’ll revert back to you soon.” “The meeting has been preponed.” English is a challenging language even for native speakers, thanks to its confusing rules and exceptions. Moreover, some of us Indians tend to think in our mother tongue and then translate our thoughts to English, resulting in a number of common mistakes like the ones above. Language related slipups can result in some hilarious as well as embarrassing moments. Many are mortified at the very thought of interacting in English for the fear of being ridiculed. To grow and be successful it is essential to acquire a formidable grasp over English. Whether you wish to obtain high scores in academics, excel in your career or expand your social circle, acquiring proficiency in English is a plus. In How Not to Speak English, the author addresses the key issues in daytoday English usage. Learn how to:

- Train your brain to think in English
- Develop the confidence to speak fluently
- Express your ideas effectively
