Clifford Brown was one of the most influential jazz trumpeters and was a true master of jazz. His fantastic tone, time, feel and command of the jazz language have been inspiring jazz musicians on all instruments for decades. This book breaks down many of the one and two-bar phrases played by Clifford and helps students apply them to their own playing. Lines played over minor, dominant, and major chords as well as short, long and minor ii-V material can be mastered by practicing with the accompanying play-along audio. Chapters on Guide Tones, Bebop Scales, Targeting, and Playing the Upper-Structure will help students analyze and memorize the lines presented in the book. There is also a chapter with further insight in Clifford's style which discusses his phrasing as well as other musical devices he used to get his sound. A must have for aspiring students wanting to master the jazz language. Includes access to online audio

Letters at 3am Harper Collins

(Book). The Ludwig Drum Company was the world's largest drum company in the 1920s under founder William F. Ludwig, and again in the 1960s under his son. This fascinating autobiography by William F. Ludwig II begins with his childhood recollections of home life and his father's drum factory. As a teenager, Mr. Ludwig became the national rudimental champion and member of the famous International Marimba Symphony Orchestra. Taking time out for distinguished wartime military service, the author helped his father start a second drum company, W.F.L. Restoration of the family name to the business, Total Percussion, The Beatles, N.A.R.D., selling the company to Selmer, and his active lecture career since all these topics are addressed here in captivating detail, in the words of William F. Ludwig II.

(Faber Piano Adventures). Intermediate students are ready to explore the challenges of one-octave scales and arpeggios. More than a simple reference to scale fingerings and key signatures, this book presents valuable patterns that engage the ear and give

musical meaning to scale degrees. By transposing these patterns and common chord progressions, students gain deep understanding in all keys. With additional strategies for fluency and gesture, students are well-prepared for technical mastery.

Elton John - Greatest Hits (Songbook) Hal Leonard

Recorder From The Beginning: Pupil's Book 1 (2004 Edition) is the full-colour revised edition of John Pitts' best-selling recorder course. The eight extra pages in Book 1 have allowed for some new tunes and rounds, whilst retaining the well-known favourites that have helped to make the scheme such an enduring success. This is the book we all learned from as children and is still, successfully, teaching today's youth how to play the Recorder.

Recorder From The Beginning: Pupil's Book 1 Hal Leonard Corporation

A witty, candid, sharply written memoir by the cofounder of Steely Dan In his entertaining debut as an author, Donald Fagen—musician, songwriter, and cofounder of Steely Dan—reveals the cultural figures and currents that shaped his artistic sensibility, as well as offering a look at his college days and a hilarious account of life on the road. Fagen presents the “eminent hipsters” who spoke to him as he was growing up in a

bland New Jersey suburb in the early 1960s; his colorful, mind-expanding years at Bard College, where he first met his musical partner Walter Becker; and the agonies and ecstasies of a recent cross-country tour with Michael McDonald and Boz Scaggs.

Acclaimed for his literate lyrics and complex arrangements as a musician, Fagen here proves himself a sophisticated writer with his own distinctive voice.
