DUNN LEVY

Crown of Blood Harper Collins

Lady Jane Grey has often been called the 'Tudor Pawn' but to see her as one whose life was simply moved around by others is totally inadequate. This is no simplistic life and death of a sixteen-year-old girl. In order to understand the full tragedy and triumph of her life it is vital to grasp the far-reaching political and religious changes that were shaking England at that time. The Reformation touched the whole population; from palace to university; from emerging town to peasant cottage. Like the pieces of a jigsaw, the pieces come together to give a picture of a girl with outstanding natural abilities, whose strength of character and remarkable faith shine out despite the darkness that often surrounded her. Execution at age 16, Jane paid an awful price for a throne she did not seek.

The Myth of "Bloody Mary" Rodale Books

This new book tells the tragic story of Jane's life and death. While also revealing her to be a woman of intelligence, steady faith and unusual strength of conviction.

Nine Days' Queen Houghton Mifflin Harcourt

I have lived the life of a princess since the day I was born. But it did not bring me what I wanted. I am still trapped. My beloved Ned speaks of love, freedom, a future. To walk with him in the forest, our raven soaring above us, is my only joy. But my father plans that I shall be betrothed to the King and I am afraid. Queens of England have a habit of dying. I have no desire to take the throne, no wish to find myself in the Tower of London. Wife, Queen - I fear it will bring me to my knees. "Not many of us will have given Lady Jane Grey much more than a passing thought, and not many history textbooks give her much more than a passing line. This nine-day queen, the 16-year-old victim of plotting and intrigue during a particularly bloody

and turbulent period of Tudor history, is easily overlooked, sandwiched between the brief and sorry kingship of Edward VI, and the heady, bloody reign of Mary I. Like any good storyteller, Pauline Francis asks the simple questions: what could her life have possibly been like? How did she think and feel, love and hate? She answers them in full with a visceral, mesmerising debut novel that brings this little-regarded historical character to life. The story of Jane's brief and tragic life is told in her own voice and that of her admirer, Ned. The fate of these star-crossed lovers – he a Catholic from a disgraced Catholic family and she an extreme Protestant with Royal blood – is relayed through a series of thrilling, climactic tableaux in haunting, lyrical style." - Elaine Williams, TES Magazine Winner Highland Children's Book Award 2008. Shortlisted Leeds Book Awards 2008. Shortlisted Leicester Book of the Year Award 2008

The Lady's Crown Ballantine Books

"Dr. Sims realizes that female athletes are different than male athletes and you can't set your race schedule around your monthly cycle. ROAR will help every athlete understand what is happening to her body and what the best nutritional strategy is to perform at her very best."—Evie Stevens, Olympian, professional road cyclist, and current women's UCI Hour record holder Women are not small men. Stop eating and training like one. Because most nutrition products and training plans are designed for men, it's no wonder that so many female athletes struggle to reach their full potential. ROAR is a comprehensive, physiology-based nutrition and training guide specifically designed for active women. This book teaches you everything you need to know to adapt your nutrition, hydration, and training to your unique physiology so you can work with, rather than against, your female physiology. Exercise physiologist and nutrition scientist Stacy T. Sims, PhD, shows you how to be your own biohacker to achieve optimum athletic performance. Complete with goal-specific meal plans and nutrient-packed recipes to optimize body composition, ROAR contains personalized nutrition advice for all stages of training and recovery. Customizable meal plans and strengthening exercises come together in a comprehensive plan to build a rock-solid fitness foundation as you build lean muscle where you need it most, strengthen bone, and boost power and endurance. Because women's physiology changes over time, entire chapters are devoted to staying strong and active through pregnancy and menopause. No matter what your sport is—running, cycling, field sports, triathlons—this book will empower you with the nutrition and fitness knowledge you need to be in the healthiest, fittest, strongest shape of your life.

The life and death of lady Jane Grey Palala Press

The final book of the Tudor series from #1 New York Times bestselling author Philippa Gregory features one of the most famous women in history, Lady Jane Grey, and her two sisters, each of whom dared to defy her queen. Jane Grey was queen of England for nine days. Her father and his allies crowned her instead of the dead king's half-sister Mary Tudor, who quickly mustered an army, claimed her throne, and locked Jane in the Tower of London. When Jane refused to betray her Protestant faith, Mary sent her to the executioner's block, where Jane transformed her father's greedy power-grab into tragic martyrdom. "Learn you to die," was the advice Jane wrote to her younger sister Katherine, who has no intention of dying. She intends to enjoy her beauty and her youth and fall in love. But she is heir to the insecure and infertile Queen Mary and then to her sister Queen Elizabeth, who will never allow Katherine to marry and produce a Tudor son. When Katherine's pregnancy betrays her secret marriage, she faces imprisonment in the Tower, only yards from her sister's scaffold. "Farewell, my sister," writes Katherine to the youngest Grey sister, Mary. A beautiful dwarf, disregarded by the court, Mary keeps family secrets, especially her own, while avoiding Elizabeth's suspicious glare. After seeing her sisters defy their queens, Mary is acutely aware of her own danger, but determined to command her own life. What will happen when the last Tudor defies her ruthless and unforgiving cousin Queen Elizabeth?

The Nine Day Queen Wentworth Press

Knowing she was seen as a threat to the queen she served, Lady Katherine Grey, legitimate heir to the throne, longs only for the comfort of a loving marriage and a quiet life far from the intrigue of the Tudor court. After seeing her sister become the pawn of their parents and others seeking royal power and then lose their lives for it, she is determined to avoid the vicious struggles over power and religion that dominate Queen Elizabeth's court. Until she finds love-then Kat is willing to risk it all, even life in prison.

The Nine Day Queen of England Usborne Publishing Ltd

She could remember standing in a park near the falls, hypnotized by the sight and sound, and holding her father's hand as they took a walk that would lead them closer. That's what everyone wonders when they see Niagara . . . How close will their courage let them get to it? At the turn of the nineteenth century, a retired sixty-two-year-old charm school instructor named Annie Edson Taylor, seeking fame and fortune, decided to do something that no one in the world had ever done before—she would go over Niagara Falls in a wooden barrel. Come meet the Queen of the Falls and witness with your own eyes her daring ride!

Lady Jane Grey: Classic Histories Series The History Press

The riveting history of a beautiful queen, a shocking murder, a papal trial -- and a reign as triumphant as any in the Middle Ages. On March 15, 1348, twenty-two-year-old Joanna I, Queen of Naples, stood trial for the murder of her husband before the Pope and his court in Avignon. Determined to defend herself, Joanna won her acquittal against overwhelming odds. Victorious, she returned to Naples and ruled over one of Europe's most prestigious courts for the next three decades -- until she herself was killed. Courageous and determined, Joanna was the only female monarch in her time to rule in her own name. She was widely admired: dedicated to the welfare of her subjects, she reduced crime, built hospitals and churches, and encouraged the licensing of female physicians. A procession of the most important artists and writers of the time frequented her glittering court. But she never quite escaped the stain of her husband's death, and the turmoil of the times surrounded her -- war, plague, and treachery would ultimately be her undoing. With skill, passion, and impeccable research and detail, Nancy Goldstone brings to life one of history's most remarkable women. The Lady Queen is a captivating portrait of medieval royalty in all its incandescent complexity.

The Last Tudor Sutton Publishing

A "gripping historical drama" that tells the story of young Elizabeth Tudor's journey to the throne—and her fierce rivalry with her half sister (School Library Journal). Imprisonment. Betrayal. Lost love. Murder. What more must a princess endure? Elizabeth Tudor's teenage and young adult years during the turbulent reigns of Edward and then Mary Tudor are hardly those of a fairy-tale princess. Her mother has been beheaded by Elizabeth's

own father, Henry VIII. Her jealous half sister, Mary, has her locked away in the Tower of London. And her only love interest betrays her in his own quest for the throne... Told in the voice of the young Elizabeth and ending when she is crowned queen, this novel in the exciting Young Royals series explores the relationship between two sisters who became mortal enemies. New York Times-bestselling author Carolyn Meyer has written an intriguing historical tale that reveals the deep-seated rivalry between a determined girl who became Elizabeth I, one of England's most powerful monarchs—and the sister who tried everything to stop her.

ROAR DigiCat

The tragedy of Lady Jane Grey is unquestionably one of the most poignant episodes in English history, but its very dramatic completeness and compactness have almost invariably caused its wider significance to be obscured by the element of personal pathos with which it abounds. The sympathetic figure of the studious, saintly maiden, single-hearted in her attachment to the austere creed of Geneva, stands forth alone in a score of books refulgent against the gloomy background of the greed and ambition to which she was sacrificed. The whole drama of her usurpation and its swift catastrophe is usually treated as an isolated phenomenon, the result of one man's unscrupulous self-seeking; and with the fall of the fair head of the Nine Days' Queen upon the blood-stained scaffold within the Tower the curtain is rung down and the incident looked upon as fittingly closed by the martyrdom of the gentlest champion of the Protestant Reformation in England. Such a treatment of the subject, however attractive and humanly interesting it may be, is nevertheless unscientific as history and untrue in fact. An adequate appreciation of the tendencies behind the unsuccessful attempt to deprive Mary of her birthright can only be gained by a consideration of the circumstances preceding and surrounding the main incident. The reasons why Northumberland, a weak man as events proved, was able to ride rough-shod over the nobles and people of England, the explanation of his sudden and ignominious collapse and of the apparent levity with which the nation at large changed its religious beliefs and observance at the bidding of assumed authority are none of them on the surface of events; and the story of Jane Grey as it is usually told, whilst abounding in pathetic interest gives no key to the vast political issues of which the fatal intrigue of Northumberland was but a by-product. To represent the tragedy as a purely religious one, as is not infrequently done, is doubly misleading. That one side happened to be Catholic and the other Protestant was merely a matter of party politics, and probably not a single active participator in the events, except Jane herself, and to some extent Mary, was really moved by religious considerations at all, loud as the professions of some of the leaders were.

The Nine Days' Queen, Lady Jane Gray, and Her Times - Scholar's Choice Edition Kensington Books

Galley proof of the first edition with heavy editorial markings throughout and a few pasted typed corrections. Author's note, typed on three sheets of paper, tipped in between pages 16 and 17. Editor's preface has not been included.

A Queen of a New Invention Little, Brown

During the renovation of a decrepit old barn by several friends, the chance finding of various old manuscripts lodged between some wall cavities reveals clues to a mystery that goes back over four and a half centuries to the time of Queen Mary I, Queen Elizabeth I and Lady Jane Grey, who is often referred to as the Nine Day Queen. Told from several viewpoints, the startling story of Lady Jane Grey finally comes to light as the previously unknown last moments of her life involving mystery, intrigue, politics and love, come to an explosive ending that may even force a revision of the history books.

Prisoner of the Queen HMH

Escorting the nine-day queen Lady Jane Grey across the Tower of London from throne room into imprisonment is Elizabeth Tilney, who surprised even herself by volunteering for the job. All Elizabeth knows is she's keen to be away from home; she could do with some breathing space. And anyway, it won't be for long: everyone knows Jane will go free as soon as the victorious new queen is crowned. Which is a good thing because the two sixteen-year-olds, cooped up together in a room in the Gentleman Gaoler's house, couldn't be less compatible. Protestant Jane is an icily self-composed idealist, and Catholic Elizabeth is . . . well, anything but. They are united though by their disdain for the seventeen-year-old boy to whom Jane has recently been married: petulant, noisily-aggrieved Guildford Dudley, held prisoner in a neighboring tower and keen to pursue his prerogative of a daily walk with his wife. As Jane's captivity extends into the increasingly turbulent last months of 1553, the two girls learn to live with each other, but Elizabeth finds herself drawn into the difficult relationship between the newlyweds. And when, at the turn of the year, events take an unexpected and dangerous direction, her newfound loyalties are put to the test.

The Nine Days' Queen, Lady Jane Grey, and Her Times Simon and Schuster

Lady Jane Grey Dudley was proclaimed Queen of England on 10 July 1553 following the untimely death of Henry VIII's only son and successor, King Edward VI. But sixteen-year-old Jane did not have the support of the majority of her would-be subjects. They rallied instead to Henry VIII's eldest daughter, Mary Tudor. Jane was deposed just nine days after her reign began, earning for her the sobriquet 'The Nine Days Queen.' She was imprisoned in the Tower for six months before finally being executed on 12 February 1554. Queen Jane remains the only English monarch of the past five centuries for whom no genuine portrait is known to have survived. Dozens of images have been put forward over those five centuries, but none has yet been conclusively authenticated. Neither has any comprehensive academic study of the iconography of Jane Grey Dudley ever been previously undertaken or published. Now, through almost a decade of research leading up to this volume, twenty-nine surviving portrait-images said to depict Jane have been carefully and systematically sought out, analyzed, and contextualized in an effort to determine whether any of them may be a reliable likeness. A handful of additional paintings all now lost are also discussed in detail. Finally, the single written account of Jane's physical appearance, an account upon which historians have relied over the past century, is analyzed for its own authenticity.

The Lady Queen Library of Alexandria

At fifteen years of age, upon the death of her cousin, Edward, Lady Jane Grey was forced to accept the crown of England. She was queen for only nine days, however. Edward's eldest sister, Mary, soon challenged Jane for the throne, with tragic results. This is the true story of a bright and intelligent young woman who was manipulated and betrayed by the ambitious people who surrounded her.

Lady Jane Grey Macmillan + ORM

In the second novel from Ella March Chase, we meet sixteen-year-old Jane Grey, a quiet and obedient young lady destined to become the shortest

reigning English monarch. Her beautiful middle sister Katherine Grey charms all the right people - until loyalties shift. And finally Lady Mary Grey, a dwarf with a twisted spine whose goal is simply to protect people she loves - but at a terrible cost. In an age in which begetting sons was all that mattered and queens rose and fell on the sex of their child, these three girls with royal Tudor blood lived under the dangerous whims of parents with a passion for gambling. The stakes they would wager: their daughters' lives against rampant ambition.

The Nine Days' Queen, Lady Jane Grey, and Her Times Virgin Books Limited

Published information on Lady Jane is scant and contradictory; here, primary sources including Jane's own letters illustrate the drama of a high-born, high-minded and intelligent young lady sacrificed on the pyre of ambition by her kin. The teenaged Lady"

Nine Days a Queen Richmond Hill, Ont. : Scholastic-TAB Publications

For most, the name of Lady Jane Grey means the 'nine days queen', the child who was used as a pawn in the power politics of the Tudor realm by both her parents, the Suffolks, and Northumberlands. Alison Plowden's new book tells the tragic story of Jane's life, and death, but also reveals her to

be a woman of unusual strength of conviction, with an intelligence and steady faith beyond her years. Told with Alison's usual skill and adeptness, this is a story which will stir compassion in the hearts of the hardiest readers. It also gives us insight into the least known of Henry VIII's wives, Katherine Parr.

Lady of the Forest Michael O'Mara Books

A beautiful synthesis of Robin Hood legends. --Marion Zimmer Bradley With her king a captive and her coffers drained, England is left in turmoil during the Crusades. After the death of her father in the Holy Land, Lady Marian of Ravenskeep finds herself alone--and at the mercy of men vying for her lands and her beauty. Thrust into games of political intrigue, the sheltered knight's daughter soon learns to trust no one. . . . Afforded a hero's homecoming, Sir Robert of Locksley returns from the Crusades a shattered man. In a country he barely recognizes, one torn apart by treachery and betrayal, he finds in Marian a kindred soul. Their quest for justice will take them into the depths of Sherwood Forest, where the dream of a new England will be born. . . . "An imaginative and riveting novel, impossible to put down." --Booklist "Robinson expertly evokes the sensations and frustrations of medieval life." --Kirkus "A diverting, delightful book." --Publishers Weekly
