PRESTON MONTGOMERY

Practical Endgame Tips Wiley-Blackwell
 My Wounded Heart tells the heart-breaking story of a gifted Jewish doctor, the mother of five children, who, after being divorced by her Aryan husband, is arrested on an absurd charge and sent to a corrective labour camp in 1942. Lilli was a prolific letter writer and miraculously almost all her letters to her children and friends, together with a huge number of their letters to her (smuggled out of the camp at Breitenau before she was sent to Auschwitz), survived the Second World War and only came to light on the death of her son in 1998. In the letters and in Martin Doerry's superb commentary, we see the deterioration of a whole country through the eyes of an ordinary family driven asunder by pressure from the Nazi regime. We see Lilli's initial optimism and love of her husband begin to crack. We see her trying to support and run the family home from Breitenau camp, but relying totally on her twelve-year-old daughter, Ilse. And we see the difficulties for the children of living with their father's mistress, now his wife, after a bombing raid destroys the family home. And perhaps most moving of all, we see Ilse's heroic attempts to meet her mother, even though it means going into the labour camp itself, and Lilli's courage in the face

of her inevitable end.

How Karpov Wins Walter de Gruyter GmbH & Co KG

Here is the autobiography of the little boy with golden curls in the paintings of his father, Pierre Auguste Renoir—the boy who became the director many consider the greatest in history. François Truffaut called him “an infallible filmmaker . . . Renoir has succeeded in creating the most alive films in the history of cinema, films which still breathe forty years after they were made.” In this book, Jean Renoir(1894-1979)presents his world, from his father's Montemarte studio to his own travels in Paris, Hollywood, and India. Here are tantalizing secrets about his greatest films—The Rules of the Game, The Grand Illusion, The River, A Day in the Country, La Bête Humaine, Toni. But most of all, Renoir shows us himself: a man if dazzling

simplicity, immense creativity, and profound humanity.

 The endgame is the part of the game in which the result of the game is decided, yet few players devote as much study to it as they know they should. This book will help remedy the problem. By addressing important practical aspects of the endgame in lively fashion, Mednis draws the reader into exploring the endgame in a painless and captivating manner. Here at last is an endgame book designed to be read from cover to cover! Starting with entertaining, cautionary examples of resignations in drawn or even winning positions, Mednis moves on to discuss the key practical aspects of rook endings, minor-piece endings, and endings with a double pawn. Mednis touches on many other facets of the practical endgame struggle, including psychological factors, making use of special insights, and risks in the endgame. Grandmaster Edmar Mednis is an extremely experienced chess writer, whose work has been praised by no less an authority than leading trainer Mark Dvoretsky. His column, The Practical Endgame, is syndicated in chess magazines around the world, and renowned for its accessibility and originality. His previous books for Cadogan include 'From the Opening into the Endgame' and 'Practical Opening Tips.' (5 11/16' X 8 1/8', 144 pages, illustrations, indexes)

Gertrude Stein and Alice B. Tokas were the talk of pre-war Paris. Photographed by Cecil Beaton and Man Ray, painted by Picasso and written about by Hemingway, they were at the heart of Parisian cultural and literary life. Alice, convinced that Gertrude was a genius, cooked for her, typed her manuscripts and fought to obtain the fame she was convinced Gertrude was due. Alice said Gertrude was the happiest person she had ever known, and was besotted with her for the many years they were together. They were indomitable, charismatic, and wildly eccentric, driving around in 'Auntie', their Ford, with Basket, their cherished poodle. In Gertrude and Alice, award-winning writer Diana Souhami brings these two extraordinary women, and the fascinating world in which they moved, to vivid life.
