With over 1.7 million copies sold, the Phoebe and Her Unicorn book series for middle-grade readers is an immensely popular and magical word of unicorns, adventure, and friendship. When your best friend is a unicorn, every day is a stroll down the red carpet. Phoebe Howell's unicorn BFF, Marigold Heavenly Nostrils, is happy to provide the celebrity treatment—teaching Phoebe fancy new spells, giving her a ride to school so she doesn't have to ride the bus, and even negotiating with the tooth fairy on her behalf. But when Phoebe starts noticing that unicorns have become a trendy fashion statement, she doesn't feel quite so unique. Fortunately, she's distracted by adventures including a visit to the unicorn community and a trip to the woods to see her friend Dakota receive an unusual honor at the goblin award ceremony. **Unicorn Famous** is filled with amusing examples of the extraordinary lengths friends will go to make each other feel special.

The Ultimate Simpsons in a Big Ol' Box Harper Design

Bart Simpson, America's favourite underachiever, lays claim to his own comic collection. In an homage to the comics he enjoyed as a kid (such as Little Lulu and Peanuts), Matt Groening presents stories about Bart and the kids of Springfield with adults taking a backseat as comic foils. **Big Book of Bart Simpson** features several short stories that can be enjoyed by a younger reading audience, but there are plenty of laughs for kids of all ages. It's good old-fashioned fun with the same

satiric edge that has made 'The Simpsons' the most successful animated program in television history.

Simpsons Comics Royale Eaglemoss Be among the best and the brightest with Bart Simpson's brilliant new comic collection. See Bart thumb his nose at social convention, defy authority, and outwit his classmates as he makes a little pocket change while he works for the Comic Book Guy, tries to save his beloved treehouse from demolition, and attempts to recover the grand prize-winning Krusty Burger game piece. But he also proves to be a little too big for his britches when he tries to sneak into the movies, stages a stink war and bath strike against his mother, and sails off untethered in a hot air balloon over Springfield.

The Simpsons Homer for the Holidays Harper Design

One year has passed since Phoebe skipped a rock across a pond, accidentally hit a unicorn in the face, and was granted a single wish—which she used to make the unicorn, Marigold Heavenly Nostrils, her obligational best friend. In some ways, not much has changed. At school Phoebe still clashes with her rival--and sometimes "frenemy"--he ever-taunting and imperious Dakota. Outside of school, she still fills her free time with extra-credit homework assignments, dramatic monologues about the injustices

associated with school cliques, and imaginative conspiracy theories regarding global forces like the "powerful construction paper lobby." But unlike before, Phoebe now has a best friend to share it with—someone to make her laugh and to listen to all her extravagant ideas. In this second volume of Dana Simpson's Phoebe and Her Unicorn series, titled, Unicorn on a Roll, the reader is invited on a journey into the lives of Phoebe and Marigold as they navigate the difficulties of grade school, celebrate the winter holidays, and explore their super hero/super villain personas together. Join in the fun, as Phoebe competes against Dakota for the leading role of "Lisa Ladybug" in their fourth-grade play—or as she struggles to "manage" the PR debacle related to her nose-picking-scandal. ("I will neither confirm nor deny the events surrounding Boogergate.") Witness a band of unicorns staging an "intervention" and learn all the details of Marigold's secret crush on a mysterious creature she has never seen. Perhaps most important, watch as this surprising friendship between a charming, nine-year-old dreamer and a vain, mythical beast forever changes both of them for the better.
