**The Ultimate  
Player's Guide to  
Minecraft** Del Rey

The castles of Europe have become a long-lasting symbol of the hard work and ingenuity of medieval builders. This volume is a great way to learn all about the engineering principles needed to create these giant,

enduring buildings. Readers will learn how to build arches, drawbridges, towers, and more. The photographs and illustrations show the historical period during which castles were built, as well as examples of castles constructed in Minecraft. Readers will also be encouraged to explore computer programming to make their own mods in Minecraft.

### Minecraft Building

Egmont Books Limited  
This official Minecraft novel is a journey into the unknown! Max and Alison are proof that differences don't stand in the way of friendship. Max is always on the lookout for a new adventure—even if it means getting into trouble—while Alison

prefers to follow the rules. But both of them are fascinated by the beat-up old journal Max finds and the strange gate its secretive author, the Enchanter, describes: a portal to an otherworldly realm of danger called the Nether. After they use the journal's instructions to craft the portal, Max and Alison squabble over whether to remain safe in the Overworld or to journey into the Nether to find the Enchanter . . . until a fateful accident makes the decision for them. Trapped in a scary new world, Max and Alison find an ally in Freya, a fierce warrior who has been living in the Nether with her beloved wolf, Bunny Biter. With Freya's help, and with the clues that lie in the

pages of the mysterious journal, Max and Alison embark on a quest to find the Enchanter, even as the Nether pushes their skills—and their friendship—to the limit. Collect all of the official Minecraft books:
