The Artemis Fowl Files

The O'Brien Press
A powerfully moving,
award-winning graphic

novel that explores the current plight of undocumented immigrants from New York Times bestselling author Eoin Colfer and the team behind the Artemis Fowl graphic novels. How can a human being be illegal for simply existing? Ebo is alone. His brother, Kwame, has disappeared, and Ebo knows it can only be to attempt the hazardous journey to Europe, and a better life—the same journey their sister set out on months ago. But Ebo refuses to be left behind in Ghana. He sets out after Kwame and joins him on the quest to reach Europe. Ebo's epic journey takes him across the Sahara Desert to the dangerous streets of Tripoli, and finally out to the merciless sea. But with every step he holds on to his hope for a new life, and a reunion with his family. An achingly poignant tale for learning about immigration and current global issues. This book is fiction, but it is based on a very real and terrible journey. There are young people who have lived this, and it is a story those young people want us to know about. 2019 Excellence in Graphic Literature Award Winner A New York Public Library
