Handmade Weddings Chronicle Books

For fashion buffs, romantics, and brides-to-be, a fascinating collection of wedding garb and glamour through pop culture and history. *The Way We Wed: A History of Wedding Fashion* presents styles and stories from the Renaissance to the present day, chronicling evolving fashions, classes, and expectations. And because all wedding attire has a tale to tell, *The Way We Wed* also reveals fascinating personal stories of those who wore it. While the book is a rich source of bridal inspiration for all seasons, it's far from a monotonous parade of white gowns. *The Way We Wed* showcases wedding gowns of all colors and styles from around the world, as well as going-away dresses, accessories (shoes, veils, hats, and tiaras), and clothes worn by flower girls, bridesmaids, mothers of the bride, and grooms. Same-sex weddings are represented along with royal weddings, wartime brides, White House weddings, remarriage, Hollywood weddings, and more. The book features celebrity and historical couples as well as everyday people. A few of the included names: Angelina Jolie, Frida Kahlo, Elizabeth Taylor, Princess Diana, Martha Washington, Solange Knowles, Ellen DeGeneres, Meghan Markle. Illustrated with 100 gorgeous photos, *The Way We Wed* is a rich celebration of the art of wedding fashion across time and cultures, and those whose style and circumstances made a statement.

Jo Gartin's Weddings William Morrow

Cochran (DIYBride.com) provides an idea trove that will inspire the nuptial process of the budget-conscious. Projects are mostly favors, invites, ring holders and a few of the unexpected, such as making your own wedding rings with precious metal clays. She holds the crafter's hand through the process of producing cigar-box welcome packages, teacup centerpieces and paper parasols, with detailed lists of supplies and directions, tips and hints, and an itemized price breakdown - with a dollop of humor hot-glued on the side. Eight wedding themes are presented, with five projects for each, enhancing any occasion calling for extra flair and less expense. And, if fairy-tale flower girl costumes or chicken-wire seating holders aren't your thing, inspiration can be mixed and matched. And of course, that critical element - an estimate of just how many bridesmaids, moms and aunts will be required for crafty assistance - completes this wicker basket of ideas that will enliven the celebration of marriage - or just any good party. Vogue Weddings Chronicle Books

An exquisite collection of nearly 400 iconic, inspirational wedding photographs of royalty, models, artists, actors, musicians and designers who have appeared in *Vogue* through the magazine's storied history. Showcasing the work of legendary photographers such as Cecil Beaton, Patrick Demarchelier, Jonathan Becker, Norma Jean Roy, Mario Testino, Irving Penn, Arthur Elgort, Richard Avedon, Helmut Newton, and Annie Leibovitz, *Vogue Weddings* transports you to a myriad of romantic settings around the world, from storied castles, palaces, and cathedrals, to weddings by

the sea or in the countryside. Here are the Duke and Duchess of Cambridge in London; Sofia Coppola and Thomas Mars in Italy; Kate Moss and Jamie Hince in the Cotswolds; Lauren Bush and David Lauren at the RRL Ranch in Colorado; Marina Rust and Ian Connor in Maine; Lauren Davis and Andrés Santo Domingo in Cartagena, Colombia as well as such iconic photos as Bianca and Mick Jagger in the car after their wedding in St. Tropez. A chapter on models' weddings includes portraits of Natalia Vodianova, Coco Rocha, Maggie Rizer, Stella Tennant, Lara Stone and Cindy Crawford among others in their own wedding dress choices. *Vogue Weddings* also features behind-the-scenes details from Hamish Bowles; personal wedding stories from Mario Testino, Plum Sykes, Marina Rust and Sarah Mower; and fashion portfolios created by the magazine's editors of bridal photo shoots, many including couture.

The secret to planning a deeply personal and meaningful wedding has nothing to do with budget. It's about creating a celebration that reflects a couple's core values. Translating those values is the work of *Modern Wedding*, an information-filled guide with hundreds of creative ideas and beautiful, inspiring photographs for readers to look at and say, "This feels like us." The book unpacks every element of a wedding—stationery, attire, seating plans, flowers and tablescapes, food and drink, gifts—with examples that will appeal to couples who care about how things are made but are not overly influenced by trends. The emphasis is on natural surroundings, seasonal flowers and food, modern dresses, minimalist ceremony structures, and naked cakes. Photographs of real weddings—"case studies" like a destination fete in Tuscany, a house party in Brooklyn, and a New Agey revel in Kauai—show how all the pieces can come together into a unique and expressive whole. Extensive practical information and resources give readers access to all the help they need for their own unique celebration.

How many times has the instant that a wedding turned magical taken you by surprise? Was it the disarmingly accurate rehearsal dinner toast or the brides knowing glance during the exchange of rings? Was it the vow that could only have been written by that particular man about this special woman or the significance of the song playing as they take the floor for their first dance as husband and wife? Whether staged with black tie formality in a candle-lit chateau or with bare feet under a summer oak tree, the perfect wedding is only perfect to the extent that it's personal. When you've decided to say yes, *In Style Weddings* is the one book you'll need to create your unique expression of this timeless ritual. So that when the time comes to say I do, you'll be in the moment and loving it. Here's a world of inspiring options shown in exquisite detail: invitations, dresses, flowers, music, cakes and tips from today's top wedding planners on how to make it all come together in a way that's personal, meaningful, and just right. *In Style Weddings* takes you inside the entire planning process, from choosing the right ring for you to honeymoon ideas that add the perfect blush from high adventure to serious serenity. Stylish concepts, tips, and tricks come from top experts, the caterers, planners, florists, and dress designers behind the most memorable celebrity weddings of the past

decade, from Mira Sorvino's hilltop ceremony in Italy to Matt LeBlanc's beachfront wedding in Hawaii. Clear, succinct advice allows you to pick and choose what's useful to you. With its expertly curated photography, *In Style Weddings* takes cues from the world of deluxe fine art volumes. Big, luxurious photos, many shot documentary style at A-list weddings by leading photojournalists, play up the beauty of settings, costume, and lighting conveying beautiful portraits of the joy, romance, and ritual unique to weddings. Want an extraordinary ring? Kevin Costner proposed with a vintage ring from Neil Lane and you can have a style just as stunning. Are you a traditional girl at heart? We'll tell you which flowers are perfect for your classic ceremony. What about the party favors? Consider a breakfast bag (and maybe some aspirin) for your guests to wake up to the next day. Add polish to your wedding plans with what amounts to free consultations from the ultimate team of pros. Each chapter is divided into two sections: Looks We Love and Access Your Style. In Looks We Love, *In Style Weddings* shows brides all of the options available whether it's a Vera Wang gown or a vintage flapper frock. Access Your Style explains how to make the look all your own: where to find it and how to make it authentic for you and your groom. Throughout each chapter, *In Style Weddings* includes details from celebrity nuptials: How Kate Beckinsale fell in love with her strapless Vera Wang gown, the flowers that Debra Messing carried, and the cake that Catherine Zeta-Jones and Michael Douglas picked for their wedding. *In Style Weddings* makes the perfect gift and is the essential book for every bride.

Everything I Know About Love CreateSpace

Nothing is more thrilling and romantic than a beautiful wedding. Here, in a simply spectacular book, Martha Stewart takes us behind the scenes of some of the most lovely weddings ever. Over 40 weddings and receptions, from small, intimate celebrations for 18 to lavish parties for 400, are documented in more than 700 full-color photographs. The settings are as varied as an idyllic country farm in New Jersey, a gracious mansion on eastern Long Island, an elegant townhouse in New York City, a private island in New Hampshire, a ranch in Texas, and the oldest and most beautiful cathedral in Montreal. We see the choices the brides, grooms, and their families made and how they planned every detail of their special day. All the essential elements of a wedding are discussed in depth in chapters filled with information and ideas: Style, Organization, Invitations, Wedding Dresses, Bridal Bouquets, Ceremony, Music, Decoration, and, of course, Wedding Menus and Cakes. More than 120 recipes are included for varied wedding receptions, from cocktails and hors d'oeuvres to buffets, sit-down lunches and dinners, and even barbecues. Twelve different recipes for traditional as well as nontraditional wedding cakes (including carrot, lemon, and even a cheesecake) are included along with step-by-step instructions for assembling and decorating them. Weddings are back in style, and anyone who is getting married or is involved in some way with a wedding will want to read and use this wonderfully inspiring book.

This quintessential book on the wedding dress, newly revised and updated in a collector's edition, is an exciting look at a variety of luxurious wedding dresses, celebrating their beauty, sophistication, and romance. From Jacqueline Kennedy to Grace Kelly, Oleg Cassini's designs are synonymous with the world's most glamorous women. The same electrifying elegance resonates with his magnificently crafted bridal gowns. This book showcases a wide range of styles by such fashion luminaries as Cassini, Chanel, Dior, Armani, and McQueen, among others, featuring such notable photographers as Patrick Demarchelier, Benno Graziani, Horst, Arthur Elgort, Milton Greene, David LaChapelle, and Irving Penn who capture the effervescent spirit that is associated with the wedding dress. This volume begins with an overview of the sumptuous wedding gown, chronicling its history from royal weddings to today's celebrities and presents a variety of silhouettes—from elegant Empire-style floor-length gowns to flirty short dresses and sophisticated suits. Also featured are some of the best weddings in the world, including celebrity, society, and high fashion weddings. This stylish look at the wedding dress is not only an essential resource for the bride-to-be but for everyone interested in fashion.

In this fascinating study, Boden considers the changing social and cultural significance of the wedding in Britain. The book focuses upon a number of issues including the commercialization of the event, the dynamics of heterosexual partnerships, and the influence of romance. The new commercial wedding is further explored in relation to broader socio-structural transformations and the modernization of marriage law. This book draws upon the experiences of marrying couples as well as media evidence.

Ditch the storybook wedding, banish Bridezilla, and walk down the aisle in truth and in style: You are a Stone Fox Bride and this is your bridal guide. Molly Rosen Guy founded the brand Stone Fox Bride as an alternative to outdated, plastic-princess wedding culture. Her stylish and subversive approach is being embraced by creative, modern brides who believe in love and romance, but have no interest in running off into the sunset. In an inspiring mix of intimate storytelling, gorgeous visuals, and candid advice, with an aesthetic that channels Bianca Jagger in a white tux rather than Cinderella in a frilly gown, Molly Rosen Guy—your cool, hippie chic guide through the wilds of

wedding planning—encourages brides-to-be, and their ladies in tow, to say no to all things phony, frilly, and silly. Featuring personal essays that explore the nuances of the process, including a raw, unairbrushed look at the realities of the early days of marriage, she tells us that a Stone Fox Bride should never sacrifice her style, her story, or her sanity to please others; she reassures us that weddings don't have to be free of confusion, shades of gray, or cellulite; and reminds us that marriage, like love, is equal parts complicated and beautiful. Praise for Molly Rosen Guy and the Stone Fox Bride phenomenon “The current wedding-wear darling of the jammin’ and Instagrammin’ set [offers] an insouciant, antiestablishment approach to weddings.”—The New York Times “[Molly Rosen Guy is] making waves in the bridal industry thanks to her eclectic eye and refusal to conform to clichéd traditions.”—W “Molly Rosen Guy built a business filling the needs of women who long for something more than your run-of-the-mill, princess-y flou for their big day.”—Vogue
